Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Administrative Committee of
Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan
Culver City, California

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Administrative Committee of
Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan
Culver City, California

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplementary schedule, and (b) the form and content of the information included in the 2020 financial statements and supplementary schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1: Description of Plan

The following description of the Kate Somerville Skincare, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Kate Somerville Holdings, LLC (the "Company"). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code ("IRC") and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan initially became effective on January 1, 2008. The Plan Adoption Agreement was amended and restated on December 23, 2020.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES Act") was signed into law. Plans are permitted to immediately adopt any of the provisions provided that the Plan document is retroactively amended on or before December 31, 2022. Further discussion of the provisions adopted can be found in **Payment of Benefits** and **Notes Receivable from Participants.**

Employees will become eligible to participate in the Plan once they have reached the age of 18. There is no minimum service requirement. Plan entry dates are on the first day of each month after satisfying eligibility requirements.

Contributions

Each year, participants may contribute 100% of pretax annual compensation, as defined in the Plan, up to the IRC annual maximum. Such contributions may be pre-tax elective Deferrals (as defined). In addition, participants may make after-tax Roth Contributions (as defined). Participants may also contribute amounts representing distributions from other qualified plans ("rollovers"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company is required to make safe-harbor matching contributions equal to 100% of the employee's salary deferrals that do not exceed 4% of the employee's compensation, up to the applicable Internal Revenue Service ("IRS") compensation limit. The contributions are made on a per payroll basis. For the year ending December 31, 2021, the Company made safe harbor contributions of $281,022.

The Plan also allows for the Company to make a discretionary matching contribution. The Company may also make a discretionary profit sharing contribution to the Plan. During the year ended December 31, 2021, no discretionary matching contribution nor profit sharing contribution were made.

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings or losses, and (c) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and the Company's safe-harbor matching contributions plus actual earnings thereon. The Company's discretionary matching contributions and profit sharing contributions and earnings thereon will be vested in accordance with the following schedule:

Years of Service	Percentage
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

The vesting percentage for a participant who is an employee on or after the date the participant reaches normal retirement age (as defined by the Plan) will be 100% vested in employer contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Roth deferrals are not available to fund loans to participants. The loans are secured by the balance in the participant's account. All loans shall bear an interest rate equal to the prime rate, which shall remain fixed throughout the duration of the loan. Principal and interest are paid ratably through payroll deductions. Each participant may have only one loan outstanding at a time. For participant loans that become delinquent, the amount of the unpaid loan principal plus any accrued unpaid interest will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs. The Plan did not adopt any of the CARES Act provisions related to notes receivable from participants.

Payment of Benefits

Upon leaving the Company for any reason (retirement, termination, disability, or death) a participant can elect to receive their vested benefits in the form of either a single lump-sum cash payment, or have a payment paid as a direct rollover to an individual retirement account ("IRA") or to another employer's tax qualified plan. However, if the participant's vested account balance is $5,000 or less, the Company can elect to cash the balance out of the account by establishing a separate IRA outside the Plan. All vested account balances not exceeding $1,000 may be immediately distributed in a lump sum payment.

Note 1: Description of Plan (Continued)

Payment of Benefits (Continued)

Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, participants are allowed to take a hardship or in-service distribution from their accounts. Hardship distributions are subject to income taxes and may be subject to additional tax based on early withdrawal. Matching contributions and employer profit sharing contributions are not available for hardship distributions. Participants who obtain a hardship distribution, can continue to contribute to the plan, and are no longer subject to a six-month suspension. The Plan did not adopt any of the CARES Act provisions related to the payment of benefits to participants.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-allocated accounts totaled $2,516 and $2,891, respectively. Forfeitures are retained in the Plan and may be used to reduce future employer contributions or to pay Plan expenses. For the year ended December 31, 2021, the employer match was reduced by $729 and administrative fees were reduced by $733 from forfeited non-vested accounts.

Note 2: Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on a cash basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable that are deemed by the plan administrator to be in default are treated as distributions based on the terms of the Plan document. Interest income on notes receivable from participants is recorded on accrual basis.

Note 2: Summary of Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Plan Fees and Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Date of Management's Review

Events occurring after December 31, 2021 have been evaluated for possible adjustments to the financial statements or disclosures as of October 14, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurement and Disclosures*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Cash and cash equivalents: Short-term money market instruments are reported at fair value based on quoted market prices.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Fair Value Measurements Using Input Type			
INVESTMENTS	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 99,388	$ -	$ -	$ 99,388
Mutual funds	5,168,631	-	-	5,168,631
Total investments at fair value	$ 5,268,019	$ -	$ -	$ 5,268,019

Note 3: Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Fair Value Measurements Using Input Type			
INVESTMENTS	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 91,183	$ -	$ -	$ 91,183
Mutual funds	4,244,157	-	-	4,244,157
Total investments at fair value	$ 4,335,340	$ -	$ - 0	$ 4,335,340

In regards to the classification of investment options offered by the Plan, there were no reclassifications in or out of levels 1, 2 or 3 during the years ended December 31, 2021 and 2020.

Note 4: Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 5: Party-In-Interest Transactions

The Plan allows for transactions with certain parties who may perform investment or recordkeeping services for the Plan. The Plan also issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

Note 6: Plan Termination

Effective July 8, 2022, the Plan was terminated in connection with the transfer of Assets to Unilever Advantage Savings Plan and participants became 100% vested in any employer contributions in accordance with ERISA provisions.

Note 7: Tax Status

The Plan uses a pre-approved plan document, which received an advisory letter from the IRS, dated June 30, 2020, stating that the pre-approved plan document satisfies the applicable provisions of the IRC. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Operational Errors

During 2019 and 2020, Plan management identified certain operational errors related to the calculation of vested balances for multiple employees who had received distributions from the plan. The plan administrator has identified the procedural errors that allowed the errors to occur and has taken steps to ensure that this does not happen again in the future. The Company is in the process of self-correcting the errors and adjust any corrective contributions for lost earnings. These earnings are expected to be immaterial to the financial statements.

During 2019 and 2020, Plan management identified certain operational errors related to the failure to automatically enroll eligible participants in the Plan and to withhold participant deferral contributions for certain participants who were automatically enrolled in the Plan. The Company has self-corrected the 2019 operational errors and remitted lost earnings to the Plan in December 2020 and has corrected the 2020 operational errors and remitted to the Plan any lost earnings in May 2022.

Note 10: Delinquent Participant Contributions

During the 2021 audit, it was determined that the Company had failed to remit employee deferrals in the time described in 29 CFR 2510.3-102. As a result of these late remittances, the Plan is considered to have engaged in a prohibited transaction. The plan administrator has identified the procedural errors that allowed the late deferrals to occur and has taken steps to ensure that this does not happen again in the future. The Company has self-corrected the late remittances in May 2022 and remitted lost earnings to the Plan. These earnings are immaterial to the financial statements.

Note 11: Subsequent Events

Effective July 8, 2022, Kate Sommerville Skincare, LLC 401(k) Profit Sharing Plan was terminated, and participant balances were transferred to the Unilever Advantage Savings Plan. At the date of the termination, the participants became 100% vested in any employer contributions.
