INDEPENDENT AUDITORS' REPORT

To the Benefits Committee
Hutchinson Clinic, P.A. Employees'
401(k) Profit Sharing Plan and Trust
Hutchinson, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4—Summary of Information Certified by Trustee of Plan Under Section 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for determining that the accounting principles generally accepted in the United States of America is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually, or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year), which are the responsibility of Plan management, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We were engaged to audit the accompanying financial statements of Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust, Hutchinson, Kansas (the Plan) which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4—Summary of Information Certified by Trustee of Plan Under Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974, which was certified by Charles Schwab Trust Bank, the trustee of the Plan, except for comparing the information with the related information included in the 2020 financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee, as of and for the year ended December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With the Department of Labor's Rules and Regulations for the 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America, and in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA of 1974.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust (the Plan) are maintained on the accrual basis.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by Hutchinson Clinic, P.A. (the Company). Expenses that are paid by the Company are excluded from these financial statements.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

The Plan follows the provisions of topic 962 of the Financial Accounting Standards Board Accounting Standards Codification, which requires participant loans to be classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the cash basis, which approximates accrual basis. As of December 31, 2021 and 2020, no allowances for credit losses have been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance may be reduced and a benefit payment recorded based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7—Investments and Fair Value Measurements for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2021, there were no amounts allocated to the accounts of participants who elected to withdraw from the Plan but had not been paid.

Subsequent Events

Management has evaluated subsequent events through September 9, 2022, the date which the financial statements were available for issue.

Reclassifications

Certain amounts from 2020 have been reclassified to conform to their 2021 reporting.

NOTE 2—DESCRIPTION OF PLAN

Hutchinson Clinic, P.A. (the Company) sponsors the Hutchinson Clinic, P.A. Employees' 401(k) Profit Sharing Plan and Trust (the Plan). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have satisfied the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Company Contributions

All employees 21 years of age or older who have completed 1,000 hours of service during the year are eligible to receive Company nonelective profit sharing contributions. Nonelective contributions are at the discretion of the Company and are based on employee wages.

Nonelective contributions for 2021 and 2020 were computed for four categories of employees, as follows: 1) Shareholders – 5.50% of wages less than or equal to 80.01% of wages covered by the Social Security Act (base wages) and 18.33% for 2021 (17.98% for 2020) of any additional wages paid, 2) Executive Officers – 5.50% of base wages, 10.90% of any additional wages paid, and 8.00% of all wages paid, 3) Hospitalists – 5.00% of all wages paid, and 4) all other employees – 5.50% of base wages and 10.90% of any additional wages paid. These contributions were limited to a maximum per employee of \$38,500 and \$37,500 for 2021 and 2020, respectively.

In determining these contributions, the maximum wages taken into account were \$290,000 and \$285,000 for 2021 and 2020, respectively.

Employee Contributions

All employees 21 years of age or older are immediately eligible to make “pre-tax” and “Roth” deferral contributions up to the maximum limits established in the Internal Revenue Code.

All employees are subject to automatic contributions unless they specifically opt out. Contributions begin at 5.00% of eligible wages and increase 1.00% per year to a maximum of 12.00%.

Vesting and Forfeitures

Participants are immediately vested in their elective deferrals, Company safe harbor contributions made in prior years, and rollover contributions, plus actual earnings thereon. Vesting in Company nonelective contributions is based on years of continuous service. A participant is 100.00% vested after six years of credited service.

Forfeitures occur upon termination of employment of participants who are not fully vested in the Plan. Amounts forfeited are transferred to an investment account, which is included in the Plan's assets, and are used to reduce the Company's contributions. Balances in this forfeiture account of \$79,887 and \$514,558, were used to reduce Company contributions for the years ended December 31, 2021 and 2020, respectively.

Payment of Benefits

Benefits to be paid under the Plan shall begin on a participant's retirement date, death, disability, or cessation of their active participation in the Plan. Participants whose vested account balances exceed \$5,000 may elect to have their retirement benefits paid out in a lump sum or in installments. For participants whose vested account balances do not exceed \$5,000, benefits are paid in a lump sum as soon as administratively practicable, following their separation from service.

NOTE 2—DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct contributions into various mutual funds and common/collective trusts or may direct contributions into other investments through self-directed brokerage accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50.00% of participant's vested account balance. All loans must be repaid within five years, except for loans used to acquire any dwelling to be used as the participant's principal residence. The loans are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates, as determined by the Plan administrator. Interest rates range from 5.25% to 7.50%. Principal and interest payments are generally made through payroll deductions.

Following passage of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), some changes were made to the Plan's loan policy. Loans originated between March 27, 2020 and September 23, 2020, were permitted up to the lesser of \$100,000 or 100.00% of the participant's vested account balance. Also, participants were allowed to suspend loan repayments scheduled between March 27, 2020 and December 31, 2020.

NOTE 3—PLAN TERMINATION

The Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan. In the event of termination or partial termination of the Plan or discontinuance of contributions thereto, the interests of the participants in the Plan shall be fully vested at the time of such termination or discontinuance. The trustee shall continue to administer the funds in the Plan until all obligations of the Plan have been satisfied.

NOTE 4—SUMMARY OF INFORMATION CERTIFIED BY TRUSTEE OF PLAN UNDER SECTION 29 CFR 2520.103-8 OF THE DEPARTMENT OF LABOR'S RULES AND REGULATIONS FOR REPORTING AND DISCLOSURE UNDER THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974.

The following is a summary of the unaudited information included in the Plan's financial statements and additional information that was prepared by the trustees of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee, as of, and for the years ended December 31, 2021 and 2020, that such information noted as follows is complete and accurate:

- a. Cash balances
- b. Investment balances and transactions
- c. Investment income
- d. Realized and unrealized appreciation in fair value of investments
- e. Participant notes receivable balances and transactions

NOTE 5—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan made payments to the trustee for administrative services rendered to the Plan for 2021 and 2020, totaling \$143,042 and \$123,193, respectively.

Various mutual funds and self-directed brokerage accounts were invested in funds managed by the trustee, Charles Schwab Trust Bank, or an affiliate of this trustee, totaling \$20,948,588 and \$320,250 as of December 31, 2021 and 2020, respectively.

The Plan sponsor absorbs significant costs of administering the Plan.

NOTE 6—TAX STATUS

The Plan was amended and restated effective May 1, 2018. This was done by the adoption of a prototype plan. The Internal Revenue Service has determined by letter dated June 19, 2014, that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7—INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Fair Value Measurements topic of the Financial Accounting Standards Board Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 inputs - are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 inputs - are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs - are unobservable inputs for assets or liabilities

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds held both inside and outside of self-directed brokerage accounts are valued based on quoted net asset values of the shares held by the Plan at year end. Common stocks and unit investment trusts held solely in self-directed brokerage accounts are also valued based on quoted prices in active markets. All of these investments; therefore, are classified as using Level 1 inputs.
- The values of common collective trust funds are directly related to the net asset values of the underlying investments and are calculated daily by a fund/third-party administrator using National Securities Clearing Corporation as the pricing source. These investments are classified as using Level 2 inputs, since the inputs are other than quoted prices included within Level 1 that are observable.

NOTE 7—INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth the Plan's investments at fair value in accordance with the above fair value hierarchy:

	Total Fair Value	Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Fair value measurements at December 31, 2021, are as follows:				
Mutual funds	\$ 28,772,965	\$ 28,772,965	\$ -	\$ -
Common collective trust funds	64,938,415	-	64,938,415	-
Self-directed brokerage accounts	31,491,176	31,491,176	-	-
	<u>\$ 125,202,556</u>	<u>\$ 60,264,141</u>	<u>\$ 64,938,415</u>	<u>\$ -</u>

Fair value measurements at December 31, 2020, are as follows:

Mutual funds	\$ 71,454,108	\$ 71,454,108	\$ -	\$ -
Common collective trust funds	5,097,181	-	5,097,181	-
Self-directed brokerage accounts	26,898,389	26,898,389	-	-
	<u>\$ 103,449,678</u>	<u>\$ 98,352,497</u>	<u>\$ 5,097,181</u>	<u>\$ -</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments. During 2021 and 2020, the Plan's investments (including gains in investments bought and sold, as well as held during the year) appreciated in value by \$13,363,091 and \$10,491,566, respectively.

NOTE 8—RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
