of the Surefire Wireline, LLC 401(k) Retirement Plan
Kittanning, Pennsylvania

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Surefire Wireline, LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the 2021 financial statements of Surefire Wireline, LLC 401(k) Retirement Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

As discussed in Note H, we were unable to assure the completeness of contributions and contributions receivable resulting from an undetermined scope of late automatic enrollments of participants into the Plan. We were unable to perform auditing procedures at the plan sponsor to satisfy ourselves by other means with respect to the calculation of the total impact.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of Surefire Wireline, LLC 401(k) Retirement Plan's 2021 financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Surefire Wireline, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Surefire Wireline, LLC 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following brief description of Surefire Wireline, LLC 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document or the Summary Plan Description for a more complete description of the Plan's provisions.

General and Eligibility

The Plan, established on May 1, 2015, is a defined contribution and profit-sharing plan available to all employees of Surefire Wireline, LLC, Surefire Wireline West, LLC; and Surefire Wireline West Colorado, LLC (collectively the Company), except those covered by a collective bargaining agreement, certain nonresident aliens, and leased employees. Participation in the Plan is automatic for all eligible employees who have attained the age of 18, and completed 30 days of service, unless participation is waived. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Eligible employees are automatically enrolled to contribute 3% of their compensation to the Plan, unless otherwise elected. Plan participant contributions may not exceed the maximum deferral limit under the Internal Revenue Code. Participants age 50 or over may make an additional catch-up contribution.

The Plan allows for a discretionary matching contribution. The matching contribution formula for 2021 was 100% of the participant's deferral contributions up to 4% of compensation. The Company may also make discretionary profit-sharing contributions to participants. At the Company's discretion, no profit-sharing contributions were made in 2021.

The Plan allows rollover contributions for eligible employees from other qualified plans.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions and Plan earnings, and is charged with an allocation of fees. The benefit to which a participant is entitled is the benefit that could be provided from the participant's vested account.

A participant may elect to have their account invested in one or more of the investment funds established by the Plan.

Vesting and Forfeitures

Participants are fully and immediately vested in their own voluntary contributions and rollovers, plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contributions, plus actual earnings thereon, are vested based on years of credited service. A participant becomes 20% vested at two years of service, with an additional 20% in each following year until fully vested at six years of credited service.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting and Forfeitures (Continued)

Forfeitures are typically the portion of a participant's account that is not yet vested upon termination of employment. Forfeitures are retained by the Plan and are used to pay Plan expenses, reduce future employer contributions, or reallocate among plan participants. During the year ended December 31, 2021, forfeited non-vested amounts used were \$6,989. At December 31, 2021 and 2020, the forfeiture balance was \$106,246 and \$43,732, respectively.

Payment of Benefits

In the event of death, disability, retirement, or other termination, the participant or beneficiary may choose to receive payment in the form of a single-sum payment, direct rollover into another eligible plan, or required minimum distribution. If the vested balance of a terminated participant's account is greater than \$1,000 but less than \$5,000 and the participant has not made a distribution election, the vested balance is distributed via direct rollover into an individual retirement account (IRA). Vested account balances less than \$1,000 are distributed directly to participants. Financial hardship distributions and in-service distributions are permitted under the Plan. Benefit payments to participants are recorded when paid.

Plan Termination

The Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of complete or partial Plan termination, participants will become 100% vested in their accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net appreciation or depreciation in the fair value of investments is reflected in the statement of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold as well as held and distributed and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Fees

Administrative expenses may be paid by the Company or the Plan as provided by the plan document. Fees paid for by the Plan relate to services provided by the trustee, third party administrator, and consultant.

Subsequent Events

Management evaluated all activity of the Plan through October 14, 2022, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The funds were valued at the net asset value of shares of registered investment companies held by the Plan at year end. These values are quoted prices from active markets. This method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Capital Bank and Trust Company (Capital Group), the trustee of the Plan, that all information relating to the Plan's investments as of December 31, 2021 and 2020 and for the year ended December 31, 2021, is complete and accurate. Information as to the value of the investments in the Plan, investment income, and all information in the supplemental schedule is presented in reliance solely upon the certifications.

The following investment information was obtained from data prepared and certified by Capital Group as of December 31, 2021 and 2020 and for the year ended December 31, 2021:

	2021	2020

SUREFIRE WIRELINE, LLC 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

NOTE E - TAX STATUS

The Plan was established using the Metro Benefits Inc Non-Standardized Pre-Approved Profit Sharing Plan with CODA, which, according to a June 30, 2020 response from the Internal Revenue Service, may be relied upon by an employer to adopt and qualify as an approved plan under the applicable sections of the Internal Revenue Code (IRC).

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Capital Group, the trustee of the Plan. These transactions qualify as party-in-interest transactions and are denoted as such on the supplemental schedule of assets (held at end of year).

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March of 2020, the World Health Organization classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. As the pandemic has adversely affected global economic activity, its full impact continues to evolve as of the date of this report. Because the values of the Plan's individual investments have and will fluctuate in response to the changing market conditions, the related impact on the Plan's liquidity cannot be determined at this time.

NOTE H - DISCLAIMER DUE TO LATE AUTOMATIC ENROLLMENTS

The plan provisions require automatic enrollment after attainment of age 18 and 30 days of service. During the current year audit and during the plan's initial audit that occurred as of the 2020 plan year, it was determined not all participants were automatically enrolled upon satisfaction of the eligibility requirements. In cases where the Company identified the exception and enrolled the participant, no consideration was given for missed deferrals and lost earnings from the point of eligibility until initial enrollment. The Company was not able to complete its investigation of these late enrollments to definitively determine the extent of monetary correction to the Plan necessary.
