INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
National Community Renaissance Voluntary 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of National Community Renaissance Voluntary 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of National Community Renaissance Voluntary 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about National Community Renaissance Voluntary 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statement are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Community Renaissance Voluntary 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about National Community Renaissance Voluntary 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The

information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of National Community Renaissance Voluntary 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NATIONAL COMMUNITY RENAISSANCE VOLUNTARY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of plan

The following brief description of the National Community Renaissance 401(k) plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) Plan covering substantially all employees of National Community Renaissance (the “Company”) who have met certain periods of service and age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Contributions consist of employee elective deferrals, Company safe harbor matching contributions and Company discretionary contributions, if any. Employees may voluntarily contribute up to 100% of their compensation, limited to \$19,500 in both 2021 and 2020, as prescribed by the Internal Revenue Code (“IRC”). Participants age 50 and older may elect to make additional catch-up contributions of \$6,500.

During 2021 and 2020, the Company elected to make safe harbor matching contributions 100% of elective deferral contributions greater than 1% not to exceed 4% of compensation, plus 200% of elective deferral contributions under 1%. No discretionary employer contributions were made in 2021 or 2020. In addition, contributions are subject to other limits under the IRC.

Participant accounts

A separate account is maintained for each participant, which is credited with the participant’s contributions, the Company’s contributions and an allocation of Plan earnings and expenses. Allocation of Plan earnings and expenses is based upon participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Company safe harbor matching contributions are 100% vested. Company discretionary contributions to the Plan become vested and non-forfeitable at the rate of 20% after two years of service and 20% annually thereafter, until 100% vested. Participants are 100% vested upon death, total and permanent disability or retirement.

Notes receivable from participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans must be repaid within five years unless used to acquire a primary residence. The loans are secured by the balance in the participant’s account and bear interest at a rate equal to 1% above the prime rate. Principal and interest are paid ratably through payroll deductions. Delinquent participant loans are reclassified as distributions based upon the terms of the plan.

In March and April 2020, the Plan was modified in response to provisions in the U.S. Coronavirus Aid, Relief, and Economic Security (CARES) Act. Effective April 21, 2020 and through December 31, 2020, participants who meet certain requirements related to coronavirus disease 2019 (COVID-19) may request a loan up to the lesser of \$100,000 or 100% of the participant’s vested balance; however, the \$100,000 maximum must be reduced by the difference between the highest balance of all loans a participant had outstanding during the 12-month period prior to the date the new loan is made. The CARES Act also allows participants who meet certain requirements related to COVID-19 to delay repayments on outstanding loans until January 1, 2021, at which time their loans

will be adjusted to reflect the accrued interest during the deferment period and amortized over the remaining term of the loan plus the length of the deferment period.

Payment of benefits

Upon termination of service due to death, disability, retirement, resignation, or discharge, a participant will be paid a lump sum amount equal to the participant's vested account value. The Plan provides for hardship distributions which are available only for the purpose of meeting immediate and heavy financial needs. Participants may elect to take a partial or total distribution when they reach age 59½ or at any time thereafter, even if they have not terminated employment with the Company. The Plan has a 10% penalty for taking a distribution before reaching the age of 59½. Upon termination, account balances that are under \$1,000 may be automatically paid out at the discretion of the Company. Balances between \$1,000 and \$5,000 may be transferred to an IRA, also at the discretion of the Company.

Participants who meet certain requirements related to COVID-19 were able to take a distribution up to \$100,000 in the aggregate from all plans maintained by the Employer through December 31, 2020. These distributions are exempt from the ten percent excise tax generally imposed by the Internal Revenue Service, subject to federal income tax over a three-year period and may be repaid to an eligible retirement plan within three years.

Required minimum distributions from participants' accounts were waived for 2020, including those resulting from the attainment of age 70½ in 2019. Beginning in 2021, participants reaching age 72 will generally have required minimum distributions, in accordance with the IRC.

Forfeitures

Any forfeiture of employer contributions and earnings thereon due to a participant's withdrawal from the Plan prior to being 100% vested are held by the trustee and first used to pay Plan administrative expenses and then to employer contributions that would otherwise be made to the plan. For the years ended December 31, 2021 and 2020, there were no significant forfeitures used to pay administrative expenses of the Plan or to reduce Employer contributions. As of December 31, 2021 and 2020, there were no forfeited non-vested accounts.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

2. Summary of significant accounting policies (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Payments of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Expenses

Administrative costs may be paid by the Company. Costs not paid by the Company are charged to participants' accounts. In addition, certain expenses of Plan administration, including computer services, professional fees, office supplies and payroll expenses of administrative and clerical personnel are provided by the Company without charge to the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Subsequent events

Subsequent events have been evaluated through October 4, 2022, which is the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements were identified.

3. Fair value measurements

That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* ("ASC 820") are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NATIONAL COMMUNITY RENAISSANCE VOLUNTARY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. Fair value measurements (continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market funds: Valued at \$1 per unit including applicable interest and fees.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2021

NATIONAL COMMUNITY RENAISSANCE VOLUNTARY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

4. Certified investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Ascensus Trust Company ("Ascensus"), the trustee, as of and for the years ended December 31, 2021 and 2020. As elected by the Plan administrator, no auditing procedures have been performed on this information except to compare such information to the information included in the accompanying financial statements.

5. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

6. Tax status

The Plan document is a prototype non-standardized 401(k) Plan sponsored by Ascensus. The prototype Plan document obtained an opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan document has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021 and 2020. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, qualifies as tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Party-in-interest transactions

Certain Plan investments are shares of mutual funds, managed by Vanguard Group Inc. ("Vanguard"), the recordkeeper of the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan related to Vanguard's services rendered amounted to \$34,712 and \$31,356 for the years ended December 31, 2021 and 2020, respectively. Additionally, the Plan paid investment advisory fees to Morgan Stanley for the years ended December 31, 2021 and 2020 in the amount of \$38,921 and \$33,028, respectively.

8. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.

9. Reconciliation of financial statements to form 5500

The following is a reconciliation of the net assets available for benefits between the financial statements and the Form 5500 as of December 31, 2021:

Total net assets per the financial statements	\$ 17,784,719
Less current period contributions receivable	<u>(762,713)</u>
Total net assets per the form 5500	<u>\$ 17,022,006</u>

The following is a reconciliation of the change in net assets available for benefits between the financial statements and the Form 5500 for the year ended December 31, 2021:
