INDEPENDENT AUDITORS' REPORT

To the Trustees,
Centric Construction Group, LLC 401(k) Profit Sharing Plan
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Centric Construction Group, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Centric Construction Group, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Centric Construction Group, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Centric Construction Group, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Centric Construction Group, LLC 401(k) Profit Sharing Plan

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Centric Construction Group, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Centric Construction Group, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2021 and of assets held for investment purposes at end of year as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Centric Construction Group, LLC 401(k) Profit Sharing Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 – Description of the Plan

The following brief description of the Centric Construction Group, LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of Centric Construction Group, LLC (the “Employer”) and their beneficiaries funds for retirement.

B. Contributions

Participants in the Plan may annually contribute through payroll deductions an amount limited to annual amounts as determined by the Internal Revenue Service and may contribute amounts representing distributions from other qualified plans. Any participant, age 50 or over, may make an additional “catch-up” contribution as determined by the Internal Revenue Service. A participant may suspend contributions at any time or may increase or decrease their level of participation on the first day of each month of the Plan year. The Employer makes safe harbor matching contributions annually equal to 3% of employees’ compensation. In addition, discretionary contributions may be made for each Plan year in an amount determined by the Employer. The qualified non-elective Employer contribution is allocated to non-highly compensated employees in the ratio that each participant’s compensation bears to the total compensation of all eligible participants. The Employer may also contribute a discretionary contribution for each Plan year in an amount determined annually by the Employer and shall be allocated as of the last day of the Plan year. The Employer discretionary contributions are reduced by withdrawals, losses on investments, expenses of the Plan, and any forfeitures.

C. Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Employer contributions, and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

D. Vesting of Benefits

Employees are always 100% vested in any employee deferral and safe harbor match contribution. All other Employer contributions vest based on the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

CENTRIC CONSTRUCTION GROUP, LLC
401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 – Description of the Plan (*continued*)

E. *Payment of Benefits*

On termination of service due to death, disability, or retirement, a participant or his or her estate is entitled to 100% of such benefits. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or fixed payment installments for a fixed period. Hardship distributions relating to medical, tuition, and funeral expenses of a primary beneficiary and limited to the amount of the participant's elective deferral contributions are permitted by the Plan.

F. *Notes Receivable from Participants*

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from 1-5 years, or up to 15 years for the purchases of a primary residence. The loans are secured by the participant's account balance and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator at origination. Interest rates are 1% over prime. Principal and interest is paid ratably through bi-weekly payroll deductions. Interest rates range from 4.25% to 6.50%.

G. *Forfeitures*

At December 31, 2021 and 2020, forfeited non-vested accounts carried no unused balance. Forfeitures will be used to reduce future employer contributions or pay administrative fees.

Note 2 – Summary of Significant Accounting Policies

A. *Basis of Accounting*

The Financial statements of the Plan are prepared on the accrual basis of accounting.

B. *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

C. *Investment Valuation and Income Recognition*

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are report at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Profit Sharing Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends, if applicable, are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 – Summary of Significant Accounting Policies (*continued*)

D. *Payment of Benefits*

Benefits are recorded when paid.

E. *Expenses*

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

F. *Subsequent Events*

The Plan has evaluated subsequent events through October 14, 2022 the date the financial statements were available to be issued.

Note 3 - Plan Advisory Committee and Custodian

The Plan provides for selection of an Administrative Committee and Custodian by the Board of Directors of the Company. The Administrative Committee is responsible for the administration of the Plan. Ameritas Life Insurance Company administers the Trust Fund, which consists of all assets owned by the Plan. Ameritas Life Insurance Company has been granted full authority concerning purchases and sales of investments of the Plan's assets. Ameritas Life Insurance Company is the Custodian of all of the Plan's investments.

Note 4 - Information Certified by Custodian (Unaudited)

The following is a summary of the unaudited information regarding the Plan that was prepared by Ascensus Trust Company and Ameritas Life insurance Corporation, the Custodians of the Plan. The Plan Administrator obtained certifications from the Custodians that such information is complete and accurate.

	<u>2021</u>	<u>2020</u>
Statements of net assets available for benefits		
Investments and participant loans	\$ 6,127,729	\$ 5,178,348
Statements of changes in net assets available for benefits		
Interest, and investment gain (loss)	711,961	

Note 5 – Fair Value of Plan Assets

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

CENTRIC CONSTRUCTION GROUP, LLC
401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 5 – Fair Value of Plan Assets (*continued*)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measure at net asset value.

Pooled separate accounts: Valued at the Net Asset Value (NAV), as provided by the insurance company who holds the pooled separate account. These funds are considered open-end mutual funds, meaning that the fund is ready to redeem its share at any time and offers its shares for sale to the public, either through retail outlets or through institutional investors continuously. For institutional funds, NAV's are received daily from fund managers, and the managers stand ready to transact at these quoted amounts. Were the plan to initiate a full redemption of the trust, the insurance company custodian (Amertias Life) reserves the right to temporarily delay payment from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The insurance company custodian (Ameritas Life) transacts in these funds on a daily basis as part of the separate account trading activity. The calculation of the NAV for funds composed of other funds (e.g., retirement target date funds) is essentially the same as the calculation of the NAV for any other fund: the total market value of assets across all underlying funds less any liabilities is divided by the outstanding shares. Again, this resulting NAV is published and/or the fund managers are ready to transact at the quoted price.

Money market funds: Money market funds are classified in Level 1 of the fair value hierarchy as fair value is based on quoted prices in active markets for identical securities. issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Shares held in mutual funds are valued based on the market price of the shares held by the Plan at year end, which are based on the share prices quoted by the fund, representing the fair value of the underlying investments.

Note 5 – Fair Value of Plan Assets (continued)

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the ASC 820 fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

		Fair Value Measurements Using		
	<u>Total</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
At December 31, 2021				
Money market funds	\$ 147,952	\$ 147,952	\$ -	\$ -
Mutual funds	5,863,194	5,863,194	-	-
Investments at fair value	<u>\$ 6,011,146</u>	<u>\$ 6,011,146</u>	<u>\$ -</u>	<u>\$ -</u>
At December 31, 2020				
Money market funds	\$ 1,091	\$ 1,091	\$ -	\$ -
Total assets in the fair value hierarchy	1,091	1,091	-	-
Investments measured at net asset value ^(a)	4,954,253			
Investments at fair value	<u>\$ 4,955,344</u>	<u>\$ 1,091</u>	<u>\$ -</u>	<u>\$ -</u>

^(a)In accordance with Subtopic 820-10, certain investments that are measured at fair value using net asset value per share practical expedient have been excluded from the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 6 – Guaranteed Investment Contract with Insurance Company

During 2020 and for a portion of 2021, the Plan held fully benefit-responsive guaranteed investment contract with Ameritas Life Insurance Company. The Plan held a portfolio of investment contracts that comprised a traditional investment contract. Ameritas maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

Investment contracts held by a defined contribution plan that are fully benefit responsive are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The statement of changes in net assets available for benefits is prepared using the contract value basis for fully benefit-responsive investment contracts.

Notes to Financial Statements

December 31, 2021 and 2020

Note 6 – Guaranteed Investment Contract with Insurance Company (*continued*)

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2020, was \$133,118. Contract value at December 31, 2020 was \$132,594.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events for example, divestitures or spin-offs of a subsidiary that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believed that no events were probable of occurring that would limit the Plan's ability to transact at contract value with participants.

The guaranteed investment contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Ameritas was contractually obligated to pay principal and a specified interest that was guaranteed by the Plan. The crediting interest rate was based on a formula agreed upon with the issuer, but not less than 1.50%. Such interest rates were reviewed on a quarterly basis for resetting.

Note 7 – Related-Party Transactions and Party-In-Interest Transactions

During 2020 and for a portion of 2021, certain Plan investments were shares of mutual funds managed by Ameritas Life Insurance Company. Ameritas (as a subcontractor to Vanguard) was the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management, recordkeeping, and audit services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan sponsor pays directly any other fees related to the plan's operations.

Note 8 - Termination of the Plan

Although the Company has not expressed any intention to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. In the event that the Plan should be terminated, all remaining Plan asset shall be allocated to the participants as described in the full text of the Plan.

Note 9 – Tax Status

The Plan is using a prototype plan dated April 1, 2010. The prototype plan most recently received an opinion letter on June 30, 2020 in which the Internal Revenue Service stated that the form of the Plan document was acceptable under the applicable requirements of the Internal Revenue Code. The Plan has been amended since that letter. However, the Plan administrator and the Plan's tax counsel believe that the prototype plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Note 9 – Tax Status (*continued*)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 10 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
