INDEPENDENT AUDITOR'S REPORT

To the Participants
Southland Holdings, L.L.C. 401(k) Profit Sharing Plan
Grapevine, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Southland Holdings, L.L.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Southland Holdings, L.L.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southland Holdings, L.L.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southland Holdings, L.L.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southland Holdings, L.L.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southland Holdings, L.L.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that

agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the Southland Holdings, L.L.C. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is a defined contribution plan for the benefit of the employees of Southland Contracting, Inc., Mole Constructors, Inc., Johnson Bros. Corporation, a Southland Company, Heritage Materials, L.L.C., and Oscar Renda Contracting, Inc. These participating entities (collectively, the Company) are under common ownership and control. The Plan qualifies as a profit-sharing plan under Internal Revenue Code (Code) Section 401(a) and as a cash or deferred arrangement under Code Section 401(k).

The Plan covers substantially all employees, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Prior to June 11, 2018, employees had to have one year of service with the Company to be eligible in order to participate in the Plan. Effective June 11, 2018, the Company amended the Plan and changed the eligibility requirements for both employee deferrals and QNEC contributions from one year of service to two months. The eligibility requirement to receive employer matching and employer non-elective contributions remained the same at 1 year of service. Eligible employees have to be 21 years of age and may enter the Plan on the first day of each month, after meeting the eligibility requirements.

The Plan was amended effective May 15, 2020 to allow employees to also defer their contributions on a non-tax-deferred (Roth) basis.

Effective December 31, 2021, all of the assets of The American Bridge Company Retirement Savings Plan (AB Plan) were transferred into the Plan. All employees who were participants in the AB Plan became eligible to participate in the Plan effective January 1, 2022.

Employee contributions

Participants are permitted to defer up to 90% of their annual compensation (not to exceed \$19,500 for participants under age 50 or \$26,000 for participants aged 50 or older), as defined in the Plan document (Salary Deferrals), on a tax-deferred basis and/or Roth basis, and have it contributed to the Plan. Transfers (Rollovers) from qualified plans or individual retirement accounts are allowed under the provisions of the Plan. Except for Roth contributions, after-tax contributions are not allowed.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 DESCRIPTION OF PLAN – (continued)

Employer contributions

The Company makes Safe Harbor Matching Contributions (Safe Harbor Matching) based on each participant's contributions. The Company matches 100% of the first 3% of the employee's contributions and 50% of the next 2%. The Company may make additional contributions at its discretion. These contributions may not exceed 4% of the employees' compensation for the year. Substantially all 2021 employer contributions were safe harbor matching contributions.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's safe harbor matching contribution, and other employer's contributions (if any), and Plan investment earnings or losses, which are allocated proportionately among all participants based on their investment in each fund.

Vesting

Participants are immediately 100% vested in both participant and employer safe harbor matching contributions. Additional company contributions, that are non-safe harbor matching, are 20% vested after two years' service with the Company. That increases 20% per year, until they are fully vested after six years of credited service. Participants' balances become fully vested if the participant reaches normal retirement age (age 65), becomes disabled, or dies while employed by the Company. Former participants in the AB Plan were 100% vested in all assets transferred into the Plan on December 31, 2021.

Investments

All investments are participant directed.

Administrative expenses

The Company absorbs the cost of all administrative expenses not paid from the Plan's assets. Expensed paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivables from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 1 DESCRIPTION OF PLAN – (continued)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. Principal and interest is paid ratably through weekly payroll deductions.

Payment of benefits

Benefits are generally paid as lump-sum distributions. Participants may elect to receive distributions of their vested balances upon termination of service due to death, disability, retirement or other reasons.

The Plan permits in-service withdrawals: (1) of rollover contributions, at the participant's request, (2) for employees over the age of 59 ½, (3) for certain hardship situations, as defined, and (4) for other situations permitted by the Internal Revenue Code. Notwithstanding the above, the trustee may distribute balances of terminated employees less than \$5,000 in a lump sum without participant consent. Balances between \$1,000 and \$5,000 are transferred to an individual retirement account set up for the participant.

Other plan provisions

Other plan provisions are described in the Plan Document.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting. This method differs from accounting principles generally accepted in the United States of America since revenues are recorded when received rather than when earned, and expenses are recorded when paid rather than when incurred.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

SOUTHLAND HOLDINGS, L.L.C.
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Subsequent events

The Plan has evaluated subsequent events through October 17, 2022, the date which the financial statements were available to be issued.

NOTE 3 **TAX STATUS**

Effective January 1, 2021, the Plan adopted the Ascensus LLC. Defined Contribution Pre-Approved Plan Document (the Pre-Approved Plan). Ascensus obtained its latest advisory letter on June 30, 2020, in which the Internal Revenue Service stated that the Pre-Approved Plan was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

SOUTHLAND HOLDINGS, L.L.C.
401(K) PROFIT SHARING PLAN

NOTE 3 TAX STATUS – (continued)

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan's sponsor has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a full or partial termination, affected participants would become fully vested in all accounts.

NOTE 5 INVESTMENTS AND INFORMATION CERTIFIED

The December 31, 2021 and 2020 statements of net assets available for benefits, the investment activities included on the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Voya Retirement Insurance and Annuity Company (Voya) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total assets of \$81,208,682 and \$26,870,793 at December 31, 2021 and 2020, respectively, and related investment earnings of \$3,641,951 for the year ended December 31, 2021.

These accounts are maintained by Voya, a party-in-interest.

NOTE 6 FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority. Level 2 inputs consist of observable inputs other than quoted market prices for identical assets or liabilities. Level 3 inputs are unobservable and have the lowest priority.

NOTE 6 FAIR VALUE MEASUREMENTS – (continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 1 or Level 3 inputs for the periods presented.

Level 2

Fair value of the Voya Fixed account is stated at contract value reported by Voya. See also Note 10. This is a Level 2 fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020.

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Pooled separate accounts				24,780,851
				<u>\$ 26,867,379</u>

Pooled separate accounts are stated at net asset value (NAV).

Gains and losses included in changes in net assets available for benefit for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

NOTE 6 FAIR VALUE MEASUREMENTS – (continued)

The Plan's policy is to recognize transfers from levels of the fair value hierarchy as of the date of the event or changes in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between different levels of the fair value hierarchy.

Fair value of investments that calculate NAV

Pooled separate accounts (PSAs) are measured at NAV per share as of December 31, 2021 and 2020. Their fair value is shown in the table above. The PSAs have no unfunded commitments or redemption notice requirements. In exceptional circumstances, PSAs may place trading restrictions on incoming transfers; however, transfers out of a PSA are allowed at any time at the PSA's NAV. PSAs are normally heavily-invested in a mutual fund. For example, the Vanguard 500 Index Fund Admiral Account is heavily invested in the Vanguard 500 Index Fund Admiral Fund (the underlying mutual fund). The PSAs' objectives are to remain heavily-invested in the underlying mutual funds, and to mirror their performance as closely as possible.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

Most of the Plan's investments at December 31, 2021 are pooled separate accounts and an investment contract managed by Voya, the custodian of the Plan.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 REPORTABLE TRANSACTIONS

There were no reportable transactions in 2021.

NOTE 10 INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2021 and 2020, the Plan entered into a fully-benefit-responsive investment contract with Voya. This company maintains the contributions in a general account. The account is credited with earnings at the crediting interest rate and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified guaranteed floor interest rate that is guaranteed to the Plan.

Because the investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$6,453,703 and 2,086,528, respectively. The contract value approximates the fair value of the investment contract at December 31, 2021 and 2020.
