INDEPENDENT AUDITORS' REPORT

The Retirement Plan Committee
Legacy Effects, LLC 401(k) Profit Sharing Plan
San Fernando, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Legacy Effects, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Legacy Effects, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Legacy Effects, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Legacy Effects, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Legacy Effects, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Legacy Effects, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Business

The Legacy Effects, LLC 401(k) Profit Sharing Plan (the "Plan") is a defined contribution plan sponsored by Legacy Effects, LLC (the "Company"). The following description of the Plan provides only general plan information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have completed three months of service and are age 18 or older. An employee can enter the Plan on the first day of the month subsequent to satisfying the eligibility requirements. The Retirement Plan Committee is responsible for the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may contribute a portion of their pretax earnings, or contribute Roth deferrals, up to the maximum allowed by law. New employees who have met the eligibility requirements of the Plan are automatically enrolled in the Plan at a deferral rate of 3% unless an employee opts out. In addition, participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for the Company to make a discretionary contribution to the Plan, the amount of which is determined by the Company. Participants must be employed on the last day of the plan year to be eligible to receive an allocation of the Company's discretionary contribution. The Company did not elect to make a discretionary contribution to the Plan for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's discretionary contribution, if any, and plan earnings, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and any of the Company's discretionary contributions, plus actual earnings thereon.

1. Description of Business, continued

Payments of Benefits

On termination of service due to retirement, death, disability, or other reasons, a participant may elect to receive a lump-sum distribution, installment payments, annuity payments, transfer the vested balance to a qualified plan, or leave the vested balance in the Plan. If a participant terminates employment with an account balance between $1,000 and $5,000, has not yet reached age 65 and no distribution election is received from the participant, the plan administrator may rollover the participant's vested balance to an individual retirement plan outside of the Plan. If a participant terminates employment with an account balance less than $1,000 and no distribution election is received from the participant, the plan administrator may process a lump-sum distribution.

The Plan also provides for in-service distributions for participants after attaining age 59½ and early retirement distributions for terminated participants after attaining age 55.

Hardship Withdrawals

A participant may be permitted to withdraw a portion or all of the balance of their account that is attributable to the participant's deferred compensation for the reasons specified by and to the extent permitted under regulations issued by the Internal Revenue Service ("IRS").

Coronavirus Aid, Relief, and Economic Security ("CARES") Act

During April 2020, the Plan implemented distribution and loan relief provisions in accordance with the CARES Act, which was enacted in March 2020. The provisions enabled participants negatively impacted by COVID-19 to take a penalty-free distribution through December 30, 2020 and suspend outstanding schedule loan payments until 2021, increased the maximum loan limit for loans taken as a result of COVID-19 through September 22, 2020, and suspended required minimum distributions for the 2020 calendar year, including 2020 payments that would have been required to be made by April 1, 2021.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of: (a) $50,000 reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period, or (b) the greater of 50% of the participant's vested interest in the Plan or $10,000, reduced by any outstanding loan balance on the date the new loan is made. Notes receivable terms are up to five years. The borrowings are secured by the balance in the participant's account and bear a reasonable rate of interest, as determined by the plan administrator based on the rates available for similar loans from commercial lending institutions, which remains fixed throughout the duration of the loan. Participants are granted one loan during any one-year period and can have a maximum of three loans outstanding at any time. Interest on notes receivable from participants was charged at rates ranging from 4.25% to 6.50% during the year ended December 31, 2021. Principal and interest are paid ratably through weekly payroll deductions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates and assumptions due to risks and uncertainties, including uncertainty in the current economic environment due to COVID-19. The Plan has no contingent assets or liabilities for any periods presented in these financial statements.

Investment Valuation and Income Recognition

Investments, as certified by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the "Custodians"), are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the Custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded as reported by the Custodians. Interest income is recorded on the accrual basis. Net realized and unrealized appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold, as well as held during the year. Differences between fair value of investments at the beginning of the year, or cost if acquired subsequently, and fair values at the end of the year are recorded as appreciation or depreciation in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as either distributions or deemed distributions under the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the audit of the Plan's financial statements are paid from the assets of the Plan. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net realized and unrealized appreciation in fair value of investments.

3. Information Prepared and Certified by Custodians

The Plan assets are held by the Custodians pursuant to an agreement which provides that all funds received by the Custodians shall be held, administered, invested, and distributed by the Custodians, and that no part of the corpus or income shall be used for, or directed to, purposes other than for the exclusive benefit of participants or their beneficiaries.

The following information included in the accompanying financial statements and supplemental schedules was obtained or derived from data that has been prepared and certified to as complete and accurate by the Custodians:

	2021	2020
Investments	$ 8,786,011	$ 8,948,752
Investment income:		
Net realized and unrealized appreciation in fair value of investments	$ 906,328	
Dividends	$ 95,758	

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements).

Under level one, inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are considered to be level 1 in the fair value hierarchy.

Investments in pooled separate accounts are valued at the net asset value ("NAV") of units held in a pooled separate account. The NAV is based on the fair value of the underlying investments held by the Custodian less its liabilities. The Plan has concluded that the NAVs as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the Custodian approximates the fair value of the investments. Therefore, this investment has a "Readily Determinable Fair Value". The NAV is calculated in a manner consistent with accounting principles generally accepted in the United States if America ("U.S. GAAP") for investment companies. The fair value of the underlying mutual fund is based on third-party pricing vendors and utilize observable market information.

4. Fair Value Measurements, continued

The Plan's investment in the Principal Stable Value Fund (the "Fund") is a collective investment trust fund held as trustee by Principal Global Investors Trust company, an affiliate of the Custodians and is governed by a trust agreement. The Fund is invested in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The NAV is the basis for current transactions and the Fund can be redeemed at NAV as of the measurement date. The Fund uses this NAV per unit as a practical expedient, as the investment does not have a readily determinable fair value and prepares its financial statements consistent with U.S. GAAP for investment companies. The NAV of the Fund is not publicly quoted but is available to current investors when plan participants access their account values. Unfunded commitments typically are found in private equity funds and therefore are not applicable to the Fund.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,032,670	$ -	$ -	$ 6,032,670
Total assets in fair value hierarchy	$ 6,032,670	$ -	$ -	6,032,670
Investments measured at NAV *(a)*				2,753,341
Total investments at fair value				$ 8,786,011

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,468,476	$ -	$ -	$ 5,468,476
Total assets in fair value hierarchy	$ 5,468,476	$ -	$ -	5,468,476
Investments measured at NAV *(a)*				3,480,276
Total investments at fair value				$ 8,948,752

(a) In accordance with Subtopic 820-10, the pooled separate account and common collective trust are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statement of net assets available for benefits.

5. Party-in-Interest Transactions

The Plan investments in PSA and a stable value collective investment trust are managed by Principal Life Insurance Company and its affiliate. Therefore, transactions in these investments qualify as party-in-interest transactions. The current value of investments managed by Principal Life Insurance Company and its affiliate amounted to $2,753,341 and $3,480,276 as of December 31, 2021 and 2020, respectively. The Plan has notes receivable from certain Participants that are secured by the vested balance in the participants' accounts.

Fees charged to the Plan by Principal Life Insurance Company and its affiliate for administrative expenses amounted to $50,447 for the year ended December 31, 2021 and are included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

During the year ended December 31, 2021, fees paid by the Plan relating to the audit of the Plan for the year ended December 31, 2020 amounted to $15,000 and are included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

Fees charged to the Plan by the Plan's third-party investment advisor for investment advisory services amounted to $20,000 for the year ended December 31, 2021 and are included in net realized and unrealized appreciation in fair value of investments in the accompanying statement of changes in net assets available.

During the year ended December 31, 2021, there were $23,690 of deemed distributions related to a delinquent participant loan receivable from one of the owners of the Company.

6. Tax Status of the Plan

The Plan has adopted a prototype plan prepared by Principal Life Insurance Company. This prototype plan has obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. There are no uncertain tax positions as of December 31, 2021 and 2020. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA.

8. Risks and Uncertainties

The Plan invests in a number of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

Some of the Plan's assets are invested in securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than securities of comparable U.S. companies.

In March 2020, the World Health Organization declared the outbreak of COVID-19 to be a pandemic. The ongoing COVID-19 pandemic has had widespread, rapidly evolving, and unpredictable impacts on global society, economies, financial markets, and business practices, and there is substantial uncertainty in the nature and degree of its continued effects over time. The extent to which COVID-19 impacts the Plan going forward will depend on numerous evolving factors which cannot be reliably predicted, and management is not able to estimate the impact the pandemic may have on the Plan's financial statements.

9. Reconciliation of the Financial Statements to the Form 5500

The following is a reconciliation of notes receivable from participants and deemed distributions of participant loans per the financial statements for the year ended December 31, 2021 to Form 5500:

	2021
Notes receivable from participants	$ 36,239
Current year deemed distributions of participant loans	13,723
