Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Shaft Drillers International, LLC 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA (qualified institution).

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedules Required by the ERISA

The supplemental schedules, schedule of participant delinquent contributions for the year ended December 31, 2021, and schedule of assets held at end of year as of December 31, 2021, are presented for purposes of additional analyses and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.
- The information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

SHAFT DRILLERS INTERNATIONAL, LLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following description of the Shaft Drillers International, LLC 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan, established January 1, 1996, was amended on May 1, 2011, to add the Prevailing Wage Contribution, and was subsequently amended and restated on September 15, 2015, to be effective September 1, 2015, to adopt procedures relating to Qualified Domestic Relations Orders. The Plan is a defined contribution plan covering all full time employees (excluding collectively bargained employees) of North American Drillers, LLC, Coastal Drilling East, LLC, Heeter Geotechnical Construction, LLC, ASI Construction, LLC, TEK Piles, LLC, and SDI Management, LLC (which are subsidiaries of Shaft Drillers International, LLC), who have completed six consecutive months of service and are age eighteen or older. Shaft Drillers International, LLC; North American Drillers, LLC; Coastal Drilling East, LLC; Heeter Geotechnical Construction, LLC; ASI Construction, LLC; TEK Piles, LLC; Ludwig Drilling LLC; and SDI Management, LLC are collectively referred to herein as "the Company." The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee is responsible for the oversight of the Plan.

Contributions: Each year, participants may contribute up to the maximum percentage allowable not to exceed the limits of Internal Revenue Service (IRS) Codes. Notwithstanding the preceding sentence, the elective deferral cannot exceed the annual permissible dollar limit in effect for that year, which is \$19,500 for 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, which limit is \$6,500 in 2021. The Company may elect to make a matching contribution up to 6% of pay and a profit-sharing contribution. Matching contributions amounted to \$339,423 for the year ended December 31, 2021.

The Company may elect to make contributions for services performed by Prevailing Wage Employees under the Prevailing Wage Law. The contribution for each Prevailing Wage Employee will be based on the hourly contribution rate required under the applicable Prevailing Wage Law, which varies depending on the amount of the public contract work. Rollover contributions from other qualified plans are permitted under the Plan.

Participant investment options: Each participant has the right to direct contributions and earnings on their accounts among investment options available under the Plan. Participants may transfer funds between investment options at any time. Participants should refer to the most recent annual report of each investment option for information on risk factors, asset concentrations, use of derivative financial instruments, and other financial data.

Participant accounts: Each participant's account is credited with the participant's contribution and with an allocation of 1) Plan Sponsor contributions; 2) Plan earnings; and 3) forfeitures of terminated participants' non-vested accounts, as well as charged with Plan expenses allocated either on a pro-rata basis or on an equal dollar basis. Plan Sponsor contributions and forfeitures are allocated based on contributions made by participants and compensation of participants. Allocations of Plan earnings are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

SHAFT DRILLERS INTERNATIONAL, LLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Vesting: Participants are immediately vested in their salary deferrals, Prevailing Wage contributions and rollover contributions plus actual earnings thereon. Participants become vested in employer contributions, related earnings, and forfeitures of non-vested accounts in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 and over	100%

Payment of benefits: Upon termination of service due to death, permanent or total disability, retirement or in-service distributions, participants are eligible to receive a lump sum payment up to the value of the participant's vested interest in his or her account.

Hardship withdrawals of participant deferrals plus interest are allowed under the Plan. Participants are eligible for hardship distributions for 1) eligible medical expenses incurred by participant or family members; 2) purchase of principal residence; 3) tuition, related educational fees and room and board for college; 4) payments to prevent eviction or foreclosure on a participant's principal residence; 5) payments for burial expenses; and 6) expenses for repair of damages to an employee's principal residence. Participants may withdraw a lump sum up to 100% of the vested interest in their elective deferral account (excluding any investment earnings). A hardship distribution cannot exceed the amount required to relieve the financial need, and a participant cannot make any elective deferrals for six months after the date of the distribution.

Forfeited accounts: Forfeited non-vested accounts are used to pay administrative expenses and reduce future employer contributions. As of December 31, 2021 and 2020, there were \$17,843 and \$24,925, respectively, of forfeited non-vested accounts. During the year ended December 31, 2021, the Company's contributions were reduced by \$19,177, and the Plan paid \$7,490 for administrative fees from the forfeited non-vested accounts.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared using the accrual method of accounting and the general practices within the employee benefit plan industry.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions affecting certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment valuation and income recognition: Pursuant to provisions under the Plan's contract with Lincoln National Life Insurance Company (Lincoln), Plan assets as of December 31, 2021 and 2020, are invested in various pooled separate accounts and guaranteed investment accounts with Lincoln. The Plan's investments in pooled separate accounts are stated at fair value measured using the net asset value per share practical expedient. The value of a unit in a pooled separate account is the fair value of investments in the account as of the valuation date divided by the number of outstanding participation units in the account. Securities held in the pooled separate accounts are valued based on quoted market prices. As of any date, the value of the Plan's share of a separate account will equal the number of participation units held by the Plan multiplied by the participation unit value. See Note 7 for discussion of fair value measurements. The guaranteed investment accounts are fully benefit-responsive investment options for the Plan. Lincoln maintains the guaranteed investment account assets in a general account. The amounts invested in the guaranteed account options are valued at contract value which represents contributions made, less withdrawals and administrative expenses plus interest credited (Note 8).

SHAFT DRILLERS INTERNATIONAL, LLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Purchases and sales of securities are recorded on a trade date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned.

The Plan does not require collateral to secure its investments.

Expenses: Certain expenses of maintaining the Plan may be paid by the Plan Sponsor and are excluded from these financial statements (Note 9).

Payment of benefits: Benefits are recorded when paid.

Subsequent events: The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Plan management evaluates tax positions taken by the Plan to determine if any uncertain tax positions exist that compromise the Plan's tax-exempt status that could result in tax obligations requiring recognition or disclosure in the Plan's financial statements.

Management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2018.

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported on the statement of net assets available for benefits and participants' individual account balances.

Note 6. Information Certified by Plan Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA for 2021 and 2020. Accordingly, Lincoln, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reported on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the supplemental Schedule H, Line 4(i) - schedule of assets held at end of year as of December 31, 2021, and the related investment activity reported on the statement of changes in net assets available for benefits for the year ended December 31, 2021.

SHAFT DRILLERS INTERNATIONAL, LLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 7. Fair Value Measurements

Authoritative guidance regarding fair value measurements provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative guidance are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets at fair value. There has been no change in the methodology used as of December 31, 2021 or 2020:

Pooled Separate Accounts: Valued at the net asset value (NAV), which is used as a practical expedient for the determination of fair value. The use of net asset value as fair value is deemed appropriate as there are no imposed redemption restrictions, and the Plan does not have any contractual obligations to further invest in the account.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Investments at Fair Value as of December 31, 2021					
	Level 1	Level 2	Level 3	NAV Valuation (1)	Total
Pooled separate accounts	\$ -	\$ -	\$ -	\$ 12,217,034	\$ 12,217,034

SHAFT DRILLERS INTERNATIONAL, LLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Investments at Fair Value as of December 31, 2020					
	Level 1	Level 2	Level 3	NAV Valuation (1)	Total
Pooled separate accounts	\$ -	\$ -	\$ -	\$ 11,584,136	\$ 11,584,136

(1) Investments are measured at fair value using NAV as a practical expedient and are not classified within the fair value hierarchy. The fair value amounts permit reconciliation in the fair value hierarchy table to amounts presented on the statements of net assets available for benefits.

Transfers Between Levels

For years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Investments Measured Using NAV per Shares as Practical Expedient

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
	2021	2020		2021 and 2020	
Pooled separate accounts	<u>\$ 12,217,034</u>	<u>\$ 11,584,136</u>	N/A	Daily	Daily

Note 8. Investment Contracts With Insurance Company

The Plan maintains as investment options in guaranteed investment contract accounts with Lincoln, Custodian. The Custodian maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. As of December 31, 2021 and 2020, general investments accounts carry a contract value of \$2,139,877 and \$2,137,280, respectively.

As described in Note 2, because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts.

Contract value, as reported to the Plan by the Custodian, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no allowances against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer. Such interest rates are not reviewed for resetting until maturity.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the Plan documents, including complete or partial Plan termination or merger with another plan; 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; 3) bankruptcy of the Plan Sponsor or other Plan Sponsor events, such as divestitures or spinoff of a subsidiary that cause a significant withdrawal from the Plan; or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA. The Plan Administrator does not believe that any such event which would limit the Plan's ability to transact at contract value with participants is probable of occurring.

NOTES TO FINANCIAL STATEMENTS

These guaranteed investment contracts do not permit the Custodian to terminate the agreements prior to scheduled maturity dates.

Note 9. Related Party and Party-In-Interest Transactions

Parties-in-interest are defined under United States Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employers and certain others. The Plan Sponsor has contracted with Lincoln to administer Plan assets and activities. During the year ended December 31, 2021, fees for these services were \$39,526. Fees paid by the Plan for investment management services amounted to \$33,227 for the year ended December 31, 2021. Certain other administrative expenses for legal and other professional services are paid directly by the Plan Sponsor and certain administrative functions are performed by officers or employees of the Plan Sponsor at no cost to the Plan.

Note 10. Reconciliation to Form 5500

The following section is a reconciliation of net asset available for benefits per the financial statements as of December 31 to Forms 5500:

Note 11. Partial Plan Termination

During 2020, the Company downsized its operations which resulted in a partial Plan termination. This affected 39% of the Plan's participants, 12% of whom took distributions from the plan of \$1,047,556 in the prior year. The amount of \$8,557 was payable to affected participants as a result of this determination. All participants affected by the partial Plan termination became fully vested in their accounts prior to distributions being taken. Those affected by the partial Plan termination who were not fully vested prior to distributions were refunded through the use of forfeitures during October 2021.
