Plan Administrative Committee
Loenbro, LLC 401(k) Plan
Black Eagle, Montana

Attention: Ms. Mindy Kiser, Plan Administrator

This letter is to inform the Plan Administrative Committee of Loenbro, LLC 401(k) Plan (the Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2021, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibility under GAAS has been described to you in our arrangement letter dated July 15, 2022. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated September 14, 2022, regarding the planned scope and timing of our audit and identified significant risks.

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

ERISA-Required Supplemental Schedules

We subjected the information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedules, other than the certified investment information, are fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedules are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other matter paragraph in our auditor's report for the ERISA-required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Consultation With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Management Representations

Attached is a copy of the management representation letter.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to Loenbro, LLC 401(k) Plan .

This report is intended solely for the information and use of the Plan Administrative Committee and is not intended to be, and should not be, used by anyone other than this specified party.
