INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Arizona Cardinals Football Club 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Arizona Cardinals Football Club 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARIZONA CARDINALS FOOTBALL CLUB 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020, AND FOR THE YEAR ENDED DECEMBER 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the Arizona Cardinals Football Club 401(k) Retirement Plan is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General—On October 1, 2015 the Arizona Cardinals Football Club LLC (the “Company” or “Plan Sponsor”) amended and restated its plan documents to terminate its participation in The National Football League Reciprocal Trust, which was established on December 27, 1966, and the NFL Capital Accumulation Plan, which was established on April 1, 1984, to establish the Arizona Cardinals Football Club 401(k) Retirement Plan (the “Plan”). On August 1, 2020 the Plan was amended to include eligible employees of VCAP Aviation, LLC, Insignia Event Services, and Insignia Event Production. The Plan is a defined contribution plan, subject to the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Company serves as administrator of the Plan.

Effective June 2021, Principal Financial Group (“Principal”) became the new trustee and recordkeeper of the Plan. Plan assets were transferred into funds comparable to those offered by Wells Fargo Bank, N.A. (“Wells Fargo”), the previous trustee and recordkeeper of the Plan. The conversion initiated a blackout period for the self-directed brokerage account beginning June 10, 2021 and a separate blackout period for the investments offered by the Plan beginning June 17, 2021. Both blackout periods ended on June 22, 2021.

Eligibility—All employees of the Company, VCAP Aviation, LLC, Insignia Event Services, and Insignia Event Production, including coaches, but with the exception of players, who have (a) 500 hours of service within one employment year are eligible for the Plan and who have (b) 1,000 hours of service within one employment year are eligible for the discretionary contribution element of the Plan. There is no minimum age requirement for participation in the Plan. Players participate in a separate plan, which is administered by the NFL Players Association.

Contributions— Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, (iii) discretionary contributions made by the Company; and (iv) participant rollovers from another qualified plan. Participants have the option to make Roth elective salary reduction contributions to the Plan.

Participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan document, subject to certain limitations of the Internal Revenue Code (IRC). Such contributions are excluded from the participant’s taxable income for federal income tax purpose until received as a withdrawal or distribution from the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company makes a matching contribution equal to 50% of the amount of the participant's salary reduction contribution. The maximum contribution amount was \$5,000 per year for plan years 2021 and 2020. As of December 31, 2021 and 2020, the Plan had \$15,143 and \$19,500 in matching true-up contributions receivable from the Company, respectively. Furthermore, the Company, at its sole discretion, may make contributions to the Plan in addition to matching contributions. The Company has committed to make a discretionary contribution of \$2,058,349 and \$1,960,295 for the year ended December 31, 2021 and 2020, respectively, which is allocated to participants based on pre-tax annual compensation.

Participant Accounts—Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching and discretionary contribution, and an allocation of Plan earnings, and charged with withdrawals and an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments—Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also direct their investment through a trustee sponsored brokerage account, which offers the option to invest in a variety of individual stocks and mutual funds. Company matching contributions are invested as directed by each participant.

Vesting—Participants are vested immediately in their contributions, the Company's matching contributions, and actual earnings thereon. The Company's discretionary contributions are subject to the following vesting schedule:

Completed Years of Service	Nonforfeitable Percentage
2	20 %
3	60
4	80
5	100

Participant Loans—Participants may not borrow from their fund accounts, as the Plan does not contain a loan provision.

Payment of Benefits—On termination of service with the Company due to any reason other than death, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account at any time, but not later than December 31 of the year in which the participant attains age 70 1/2. For termination of service due to death, the participant's beneficiary may receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account on the first valuation date following written notification of death and no later than the end of the fifth calendar year following the participant's death.

Forfeited Accounts—When certain terminations of participation in the Plan occur, the nonvested portion of a participant's account, as defined in the Plan document, represents a forfeiture. The Plan document permits the use of forfeitures to either reduce future Company contributions or to pay Plan administrative expenses for the Plan year. However, if a participant is reemployed and fulfills certain requirements, as defined in the Plan document, such reemployed participant's account will be reinstated. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$252,831 and \$71,425, respectively. During 2021, employer contributions were reduced by \$171,289 from forfeited nonvested accounts.

CARES Act—The Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law on March 27, 2020. The Plan has implemented the following relief provisions:

Coronavirus-Related Distributions—Until December 31, 2020, participants could take a coronavirus-related distribution of up to \$100,000 from their retirement plan without a 10% early withdrawal penalty. Coronavirus-related distributions may be repaid within three years.

Required Minimum Distributions (RMDs)—RMDs were temporarily suspended for 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate fluctuations, credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. Management's estimates are based on information provided by Principal and Wells Fargo. See Note 3 for description of the valuation methods.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Management fees and operating expenses charged to the Plan for investments in common collective trusts and mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Administrative Expenses—Administrative expenses of the Plan are paid by the Plan or the Plan Sponsor, as allowed in the Plan document.

Payment of Benefits—Benefit payments to participants are recorded upon distribution. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan, but to whom distributions have not yet been paid as of December 31, 2021 or 2020.

Excess Contributions Payable—The Plan is required to return contributions received during the Plan year in excess of IRC limits. The Plan did not have any contributions in excess of IRC limits.

Subsequent Events—For the year ended December 31, 2021, subsequent events were evaluated through October 14, 2022, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market, but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds—Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Account — Includes a variety of equity securities and mutual funds.

Equity Securities—Valued at the daily closing price as reported by the security. These securities are registered with the Securities and Exchange Commission. These securities are required to publish their daily net asset value and to transact at that price. The securities held by the Plan are deemed to be actively traded.

Common Collective Trusts—Valued at the daily closing price as reported or published by the fund. These funds are not exchange-traded; however, the prices per unit are published and represent the actual price at which the units held in the fund can be bought or sold. Accordingly, the funds have been determined to have a readily determinable fair value based on the published price, transact at that price, and are deemed to be actively traded.

As of December 31, 2021 and 2020, the following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis:

Fair Value Measurements as of December 31, 2021, Using				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 54,575,501	\$ -	\$ -	\$ 54,575,501
Self-directed brokerage account	<u>1,309,752</u>	<u> </u>	<u> </u>	<u>1,309,752</u>
Total	<u>\$ 55,885,253</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 55,885,253</u>
Investments measured at NAV				<u>8,749,851</u>
Total Investments				<u>\$ 64,635,104</u>

Fair Value Measurements as of December 31, 2020, Using				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 44,877,208	\$ -	\$ -	\$ 44,877,208
Equity securities	444,600			444,600
Common collective trusts	<u> </u>	<u>7,914,437</u>	<u> </u>	<u>7,914,437</u>
Total	<u>\$ 45,321,808</u>	<u>\$ 7,914,437</u>	<u>\$ -</u>	<u>\$ 53,236,245</u>

Transfers between Levels—The Company monitors the availability of observable market data to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Company evaluates the significance of transfers between levels of the fair value hierarchy based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no significant transfers between levels.

The valuation methodologies described in Note 3 may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the

use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal or Wells Fargo, and therefore, transactions related to these investments qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each common collective trusts and mutual funds.

5. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

6. FEDERAL INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated March 31, 2014, that the Plan was designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter. However, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. CERTIFIED INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that were prepared by, or derived from, information prepared by Principal, the trustee of the Plan as of December 31, 2021 and for the period July 1, 2021 to December 31, 2021, and Wells Fargo Bank, N.A., the trustee of the Plan as of December 31, 2020 and for the period January 1, 2021 to June 30, 2021, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustees that such information is complete and accurate.
