INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Surgery Center, JV 401(k) Retirement Plan
Huntsville, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Surgery Center JV 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Surgery Center JV 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Surgery Center JV 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Surgery Center JV 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Surgery Center JV 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of schedule H, line 4i - schedule of assets (held at end of year) and schedule H, line 4a - schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's rules and Regulations for Reporting and Disclosure under ERISA.

SURGERY CENTER, JV 401(K) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 - PLAN DESCRIPTION

Nature of the Plan

The following description of Surgery Center, JV (Sponsor) 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a contributory, defined contribution 401(k) plan available to substantially all salaried and hourly employees of the Sponsor. To be eligible to participate in the Plan and for the purposes of the employer-matching contribution, the employee must be 21 years of age or older and must have 6 months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Subject to certain limitations under Internal Revenue Code (IRC) Section 401(k), participants may contribute up to one hundred percent of their annual compensation, with the contributions and earnings thereon being nontaxable until withdrawn from the Plan. Upon reaching age fifty, participants are allowed to make catch-up contributions to the Plan. The Sponsor may make a discretionary matching contribution, as defined by the Plan. The Plan Sponsor may also decide to make a non-elective discretionary contribution. Participants may contribute amounts representing distributions from other qualified plans. Such transfers from other qualified plans are reported as rollover contributions.

Participant Accounts

Each participant's account is credited with the participant's and the Sponsor's contributions and an allocation of net Plan earnings. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is based on the participant's vested balance.

Vesting

Participants are immediately vested in their employee deferrals and any income or loss thereon. Vesting in employer safe-harbor matching contributions and non-elective discretionary contributions are based on years of continuous service. A participant is 100% vested after five years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less.

NOTE 1 - PLAN DESCRIPTION

Notes Receivable from Participants - Continued

The loans are secured by the balance in the participant's account and bear interest from 4.25% to 6.50%. The interest rate on participant loans is determined by the plan administrator in accordance with Plan provisions.

Payment of Benefits

Upon termination of service, due to death, disability, retirement or separation of service, a participant may elect to receive either a lump-sum distribution or installment payments under various options. The Plan also permits withdrawals from the Plan due to circumstances of financial hardship, in accordance with provisions specified in the Plan document.

Forfeitures

Forfeitures are retained in the Plan and may first be used to pay administrative expenses or to reduce future employer contributions. Forfeitures available for use at December 31, 2021 and 2020 totaled \$9,255 and \$4,529, respectively.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation of fair value of investments. Administrative expenses of the Plan can be reduced by forfeitures. Administrative expenses recorded in the Plan represent processing fees, distribution fees, participant loan origination fees and annual maintenance fees paid directly from the Plan to the Plan's custodian. Loan and distribution fees are deducted directly from the participants' accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America. In preparing the financial statements, management evaluated subsequent events through September 23, 2022, the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Basis of Accounting - Continued

As required by accounting principles generally accepted in the United States of America, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan's investment options include the Lincoln National Life Insurance Company Stable Value Fund, which is a benefit-responsive investment contract held in a fixed account. The statements of net assets available for benefits is prepared on a contract value basis for the Lincoln National Life Insurance Company Stable Value Fund.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Realized gains and losses from security transactions are reported on the average cost method.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Concentration of Market Risk

As of December 31, 2021, approximately 24% of the Plan's net assets were invested in one mutual fund and one stable fund, respectively. As of December 31, 2020, approximately 13% of the Plan's net assets were invested in one stable fund. The underlying value of the investments are dependent on the performance of the individual investment holding and the market's evaluation of such performance. It is at least reasonably possible that changes in the fair value of the registered investments and their investment holdings in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Fair Value

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value is the price the Plan would expect to receive to sell an asset or pay to transfer a liability in an orderly transaction with a market participant at the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs which are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Payment of Benefits

Benefits are recorded when paid.

Refund of Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, Lincoln Financial Group Trust Company, Inc., has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate.

- Investments at fair value, investments at contract value, and notes receivable from participants, included in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income, interest income from notes receivable from participants, interest income, and net appreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- The schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021, included in the supplemental information.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

NOTE 4 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SURGERY CENTER, JV 401(K) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(Continued)

NOTE 5 - FAIR VALUES

The following is a description of the valuation methodology used for assets measured at fair value. There was no change in the methodology used at December 31, 2021 or 2020.

- *Mutual funds:* Valued at the closing price reported on the active market on which the individual securities were traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value, as of December 31, 2021 and 2020:

	Quoted Prices in Active Markets for Identical Assets (Level 1)			Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value				
<u>December 31, 2021</u>					
Mutual funds	\$ 5,392,688	\$ 5,392,688	\$	-	\$ -
<u>December 31, 2020</u>					
Mutual funds	\$ 5,070,376	\$ 5,070,376	\$	-	\$ -

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment contract that comprises a traditional investment contract with Lincoln National Life Insurance Company (Lincoln). This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the traditional investment contract as of December 31, 2021 and 2020 totaled \$773,069 and \$797,956, respectively.

SURGERY CENTER, JV 401(K) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(Continued)

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - Continued

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include retirement, death, disability, Plan termination, and bankruptcy. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers or that would also limit the ability of the Plan to transact at contract value with the participants.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and changes in net assets available for benefits from the financial statements to Form 5500:

	2021	2020
Net assets available for benefits per Form 5500	\$ 6,182,044	\$ 5,892,573

NOTE 8 - PLAN TERMINATION

Although it has not expressed intent to do so, the Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants' accounts would become 100% vested in their employer contributions.

NOTE 9 - INCOME TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized in the financial statements when it is more likely than not that the position will be sustained upon examination by the tax authorities. The Sponsor has concluded that as of December 31, 2021 and 2020, the Plan had no significant uncertain tax positions or material amounts of unrecognized tax benefits that qualify for either recognition or disclosure in the financial statements for open tax years based on an assessment of many factors including experience and interpretations of tax laws.

NOTE 10 - RELATED PARTY TRANSACTIONS

Certain Plan assets are shares of mutual funds managed by Lincoln Financial Group Trust Company, Inc., the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions as defined under ERISA regulations. The transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of ERISA regulations.

NOTE 11 - NON-EXEMPT TRANSACTIONS

During the year ended December 31, 2021, employee contributions totaling \$283 were not remitted within the appropriate time period by the Plan Sponsor. These transactions constitute prohibited transactions as defined by ERISA. The Plan Sponsor has taken corrective action subsequent to year end.

During the year ended December 31, 2020, employee contributions totaling \$39,429 were not remitted within the appropriate time period by the Plan Sponsor. These transactions constitute prohibited transactions as defined by ERISA. The Plan Sponsor is aware of the occurrence and will proceed with lost earning calculation.
