INDEPENDENT AUDITOR'S REPORT

To the Trustees
Canfor Southern Pine, Inc. 401(k) Plan
Myrtle Beach, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Canfor Southern Pine, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Canfor Southern Pine, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Canfor Southern Pine, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Canfor Southern Pine, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Canfor Southern Pine, Inc.'s 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering certain eligible employees of a controlled group of employers including, J.L. Sizemore Sons Lumber Co. Inc., Chesterfield Lumber, Canfor Corporation, New South Lumber – Southern (f/k/a Southern Lumber), Anthony Forest Products Company, Beadles & Balfour, LLC, and CSP Services, Inc. (the Companies). The Plan covers substantially all employees of the Companies who have been credited with a minimum of 60 days of service. Participation in the Plan is voluntary. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 4, 2021, the Plan was amended to add Elliott Sawmilling Company, Inc. as a member of the controlled group of employers participating in the Plan. In addition, effective January 4, 2021, the Plan was amended to merge the assets of Elliott Sawmilling Company, Inc. 401(k) Profit Sharing Plan into the Plan.

Participant Contributions

Participants of the Plan can elect regular 401(k) deferrals (pre-tax), Roth 401(k) deferrals, or a combination of both, up to 75% of the participant's eligible compensation (not to exceed limitations prescribed by law) as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. For 2021, the maximum catch-up contribution amount was \$6,000. Unless they opt out, employees are automatically enrolled at a pre-tax rate deferral rate of 4% upon meeting the eligibility requirement. Employees are also subject to an automatic 1% increase to their deferral rate annually, up to a maximum of 10%. Participants may opt-out of the automatic increase, or they may choose a different increase amount. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

The Companies contribute 50% of the first 8% of base compensation that a participant contributes to the Plan. The Plan also allows for discretionary employer contributions. The matching and discretionary employer contributions are invested as directed by the participant.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately 100% vested in all employee deferrals and the earnings thereon. Vesting of employer contributions for J.L. Sizemore Sons Lumber Co. Inc., Chesterfield Lumber, Canfor Corporation, New South Lumber – Southern (f/k/a Southern Lumber), Beadles & Balfour, LLC, CSP Services, Inc., and Elliott Sawmilling Company, Inc. are as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Vesting of employer contributions for employees of Anthony Forest Products Company are as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 3 years	0%
3 years	100%

Participant Accounts

Each participant's account is credited with the participant's contributions and the Companies' contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payments of Benefits

On termination of service due to retirement, disability, or death, a participant may elect to receive an amount equal to the value of the participant's vested interest in the participant's account under any of the following methods: (a) lump-sum (mandatory if vested benefits are under \$5,000) (b) part lump-sum and part installments, and (c) installments (annually, quarterly or monthly) over a specified period of time, not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's designated beneficiary. Participants may also withdraw funds early if their employment is terminated or based upon necessity due to financial hardship.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Payments of Benefits (continued)

The Plan was amended effective January 1, 2020, to comply with the revised rules and procedures issued with the Final Treasury Regulations on September 23, 2019, regarding hardship withdrawals from qualified Plans. Among other things, the amendment expanded the funds on which hardship withdrawals may be made and removed the requirement that elective contributions be suspended for six months following a hardship withdrawal.

In 2020, the Plan implemented *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distribution (CRD). Through December 30, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020. Written addendums to the Plan to reflect these operational changes were adopted in 2020, in accordance with applicable law and IRS guidance.

Notes Receivable from Participants

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their total vested balance. Each participant may have a maximum of one loan outstanding at any time. The loan period may not exceed five years, unless the loan relates to the purchase of a home, in which case the maximum period of a loan is ten years. Repayments are made through payroll deduction based upon a predetermined schedule with interest charged at the rate determined by the Plan Advisory Committee based on current market conditions. A participant may also make payments on their loan balances directly to T. Rowe Price Trust Company. The loans are secured by the balance in the participant's account.

Forfeited Accounts

If a participant is not fully vested on his or her termination date, the non-vested amount of the account is forfeited. The Plan treats forfeitures as a reduction of future employer contributions. Non-allocated forfeitures were \$53,296 and \$103,954 respectively, for the years ended December 31, 2021 and 2020.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a description of the significant accounting policies of the Plan.

Basis of Accounting

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and related disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payments of Benefits

Benefits are recorded when paid except for any excess contributions payable to participants, which are recorded as they become payable. Excess contributions payable to participants for deferrals in excess of amounts allowed by the IRS for the plan year are recorded as a liability.

Expenses

Certain expenses of maintaining the Plan are paid by the Companies and are, therefore, excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the Plan are allocated to participant accounts under the terms of the Plan document.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Date of Management's Review

Management has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued, and noted no material events for disclosure.

NOTE 3 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB Accounting Standards Codification Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENT (continued)

Common/Collective Trusts: Valued at NAV. The NAV, as provided by the Plan's trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the issuers reserve the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no participant redemption restrictions, and no withdrawal limits.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Mutual funds	\$ 92,096,662	\$ -	\$ -	\$ 92,096,662
Investments measured at NAV*				15,003,530
Investments at fair value	<u>\$ 92,096,662</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 107,100,192</u>

<u>Assets at Fair Value as of December 31, 2020</u>				
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Mutual funds	\$ 67,484,665	\$ -	\$ -	\$ 67,484,665
Investments measured at NAV*				13,710,378
Investments at fair value	<u>\$ 67,484,665</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 81,195,043</u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the Statements of Net Assets Available for Benefits.

For the years ended December 31, 2021 and 2020, there were no significant transfers between levels 1 and 2 and no transfers in or out of level 3.

NOTE 3 – FAIR VALUE MEASUREMENT (continued)

Investments Measured Using the Net Asset Value Per Share Practical Expedient

The table below summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice periods are applicable only to the Plan.

Investment	December 31, 2021			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
T. Rowe Price Stable Value Fund	\$ 11,523,698	N/A	Daily	12 months
Wilmington Trust Small Cap Value	376,453	N/A	Daily	5 days
Wilmington Large Cap Value	407,672	N/A	Daily	5 days

Investment	December 31, 2020			
	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
T. Rowe Price Stable Value Fund	\$ 10,615,978	N/A	Daily	12 months
Wilmington Trust Small Cap Value	199,798	N/A	Daily	5 days
Wilmington Large Cap Value	264,218	N/A	Daily	5 days
Wilmington Core Bond Fund	2,630,384	N/A	Daily	5 days

NOTE 4 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 5 – ALTERNATIVE METHOD OF COMPLIANCE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors. The information certified by T. Rowe Price Trust Company is summarized below.

	December 31, 2021	December 31, 2020
i.) Investments	\$ 107,100,192	\$ 81,195,043
ii.) Notes receivable from participants	2,807,832	2,868,711
iii.) Investment-related transactions for the year:		
Net appreciation in fair value of investments	3,554,883	
Interest and dividends	7,290,301	
iv.) Interest - participant notes receivable	169,911	
v.) Information listed in the supplemental schedule on pages 18 and 19.		

NOTE 6 – PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

NOTE 7 – INCOME TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan sponsored by the trustee. The Internal Revenue Service has determined and informed the trustee by a favorable opinion letter dated December 31, 2018, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (the Code). The Plan's opinion letter is being relied on by the Plan. Although the Plan has been amended since receiving the opinion letter, Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – INCOME TAX STATUS (continued)

The Companies are aware of certain operational, plan document, or demographic issues that, if not properly corrected, could be treated by the IRS as qualification failures. Management is taking steps to correct these issues. If necessary, the tax qualification issues will be resolved directly with the IRS. Accordingly, management believes that the Plan will retain its tax-qualified status.

NOTE 8 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions and transactions are performed by the Plan sponsor. These transactions qualify as party-in-interest. Certain Plan investments are shares of mutual funds and a stable value fund managed by T. Rowe Price Trust Company, the trustee of the Plan. These transactions qualify as party-in-interest transactions and have been noted in the supplemental schedule on pages 18 and 19.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to T. Rowe Price Trust Company of \$63,690 during 2021, which were not covered by revenue sharing.

Certain administrative functions are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

NOTE 9 – TRANSFER OF PLAN ASSETS

The Plan was amended effective January 4, 2021, to add a new participating employer, Elliott Sawmilling Company, Inc. Under the terms of the amendment, employees of Elliott Sawmilling Company, Inc. became eligible to participate in the Plan, and the assets of the Elliott Sawmilling Company, Inc. 401(k) Profit Sharing Plan were merged into the Plan. At the time of the merger, participants became fully vested in the balance of their Elliott Sawmilling Company, Inc. 401(k) accounts.
