Independent Auditor's Report

To the Board of Trustees of the
Haymarket Media, Inc. Employee's 401(k) Savings Plan
New York, NY

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Haymarket Media, Inc. Employee's 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Haymarket Media, Inc. Employee's 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Haymarket Media, Inc. Employee's 401(k) Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1 – Description of Plan

The following description of the Haymarket Media, Inc. (the “Company” or “Plan Sponsor”) Employee’s 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement, as amended, for a more comprehensive description of the Plan’s provisions.

General: The Plan is a defined contribution plan established to provide benefits to eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 1, 2020, the Trustee Declaration was amended to appoint Lindsay Maraviglia as a Trustee and to remove Melissa Boone as the Trustee. Lee Maniscalco, Donna Santarpia, and Lindsay Maraviglia are the Trustees of the Plan.

Eligibility: Employees are eligible to become participants in the Plan on the first day of any calendar month, upon completion of three months of continuous service. Non-resident aliens who do not receive any compensation from U.S. sources are excluded.

Contributions: Each year, participants elect to contribute a percentage of their pretax compensation, subject to limits as determined by the Internal Revenue Service (IRS) (\$19,500 for 2021 and 2020), to the investment funds. These contributions may be made on a pretax or after-tax (Roth) basis. In the absence of an employee election, newly eligible participants are automatically enrolled at a contribution rate of 3%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, up to specified limits (up to \$6,500 in 2021 and 2020). Employees are also eligible to contribute post-tax (non-Roth) contributions which are not eligible for match. The Company may contribute, at its discretion, on behalf of the employees, a percentage of an employee’s elective contribution. Additional discretionary amounts may be contributed at the option of the Company.

The Plan, at its discretion, will accept into participants’ rollover accounts cash received by participants from a qualified plan within the time prescribed by applicable law (rollover contributions).

Forfeitures: Forfeited balances of terminated participants’ non-vested accounts are applied first to reduce expenses related to administration of the Plan and then used to reduce future Company contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled approximately \$94,300 and \$33,200, respectively. During December 31, 2021 and 2020, forfeitures of approximately \$141,600 and \$111,000, respectively, were used to reduce employer contributions.

Notes to Financial Statements
December 31, 2021 and 2020

Note 1 – Description of Plan (continued)

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants vest ratably over a four-year period beginning on their first anniversary of credited service until fully vested in increments of 25% each year.

Upon enrollment in the Plan, a participant may direct employee contributions in any of the available investment options.

Withdrawals: Participants may elect to withdraw the value of their post-tax contribution at any time during their employment. Participants who have attained age 59 ½ may elect to withdraw the non-forfeitable interests in their account. In addition, hardship withdrawals and loans are permitted in accordance with the Plan.

Notes Receivable from Participants: Notes receivable from participants represent loans that are recorded at their unpaid principal balance plus any accrued unpaid interest. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have 2 loans outstanding at any time. The loans receivable from participants are secured by the non-forfeitable portion of the participant's account and other such security, if any, which may be required by Massachusetts Mutual Life Insurance Company ("MMLIC"). Upon the participant's termination of employment, any outstanding loan, including accrued interest, shall become immediately due and deducted from the non-forfeitable portion of the participant's account. These loans are payable and bear interest at the prime rate then in effect plus two percentage points. At December 31, 2021 and 2020, the interest rates on all outstanding participant loans ranged from 5.25% to 7.50%.

Payment of Benefits: On termination of service due to death, disability, or retirement, participants or their beneficiaries may elect to receive a distribution in a single lump sum or in installments equal to the value of the participants' vested interest in their account. The Plan also permits purchase of an annuity that provides for payments over the participant and beneficiary's life.

Haymarket Media, Inc. Employee's 401(k) Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1 – Description of Plan (continued)

SECURE Act and CARES Act: On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act was passed, and most provisions in the law became effective on January 1, 2020. The SECURE Act implements key retirement legislation reform for plan sponsors and individuals. These provisions did not have a material impact on the financial obligations under the Plan.

In response to the COVID-19 global pandemic, on March 27, 2020 the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was enacted and signed into law. Certain provisions of the CARES Act impact the operation of retirement plans during 2021 and 2020. These provisions did not have a material impact on the financial obligations under the Plan.

Note 2 – Summary of Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition: Except for certain contracts held by the trustee described in Note 6, investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits: Benefits are recorded when paid to participants.

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Haymarket Media, Inc. Employee's 401(k) Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 2 – Summary of Accounting Policies (continued)

Plan Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4 – Tax Status

The Plan uses a prototype plan document sponsored by MMLIC. MMLIC received an opinion letter from the IRS, dated March 31, 2014, which states that the prototype document satisfies the applicable provision of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan Sponsor's management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements as of and for the years ended December 31, 2021 and 2020. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 – Investments and Information Certified by the Plan's Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by MMLIC, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<i>As of December 31,</i>	
	<i>2021</i>	<i>2020</i>
Investments:		
Pooled separate accounts, at fair value	\$ 51,614,964	\$ 42,676,108
Guaranteed investment contracts, at contract value	10,671,980	11,424,010
Notes receivable from participants	103,638	127,854
	<u>\$ 62,390,582</u>	<u>\$ 54,227,972</u>

In addition, MMLIC also certified to the completeness and accuracy of \$7,288,507 and \$7,387,435 of net appreciation in fair value of investments, \$317,441 and \$317,798 of interest from guaranteed investment contracts, and \$7,651 and \$10,397 of interest from notes receivable from participants for the years ended December 31, 2021 and 2020, respectively.

The following presents select investments, with approximate percentage of the Plan's net assets, as of December 31, 2021 and 2020.

	<i>December 31,</i>			
	<i>2021</i>		<i>2020</i>	
MMLIC Guaranteed Investment Contract	\$ 10,671,980	17%	\$ 11,424,010	21%
Contrafund (Fidelity)	5,240,067	8%	4,811,079	9%

Haymarket Media, Inc. Employee's 401(k) Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 6 – Guaranteed Investment Contracts

The Plan maintains group annuity contracts held in MMLIC, Guaranteed Interest 1 and Guaranteed Interest 2 accounts. MMLIC certified to the completeness and accuracy of the contract value of these investments as of December 31, 2021 and 2020, and to the average yield generated by these investments for the years then ended. Under the terms of the group annuity contracts, a crediting rate is established for amounts invested in the guaranteed interest account and participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at contract value. Such interest rates are reviewed on a semiannual basis for resetting. Interest income credited to the accounts in 2021 and 2020 amounted to approximately \$317,000 and \$318,000, respectively.

For investment contracts that are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. These contracts are included in the financial statements at contract value, as reported to the Plan by MMLIC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan document (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the participants are probable of occurring.

The guaranteed interest accounts do not permit MMLIC to terminate the agreement prior to the scheduled maturity date.

Note 7 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Haymarket Media, Inc. Employee's 401(k) Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 7 - Fair Value Measurements (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

All transfers between fair value hierarchy levels are recognized by the Plan at the end of each reporting period. There were no significant transfers between Levels 1, 2, and 3 during the years.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts (PSA): Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV of a PSA is based on the market value of its underlying investments. The PSA NAV is not a publicly quoted price in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 7 - Fair Value Measurements (continued)

As of December 31, 2021 and 2020, the Plan had no investments within the fair value hierarchy. Investments in pooled separate accounts are measured at NAV and have not been classified in the fair value hierarchy.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

<i>Investments</i>	<i>Fair Value December 31, 2021</i>	<i>Fair Value December 31, 2020</i>	<i>Unfunded Commitments</i>	<i>Redemption Frequency (if currently eligible)</i>	<i>Redemption Notice Period</i>

(A) The PSAs do not have a readily determinable fair value based on a publicly quoted price in an active market. The fair value of a PSA is based on the market value of its underlying investments, the funds' dividends, and the contract's separate account charges and NAV is used as a practical expedient to estimate the fair value.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Exempt Party-in-Interest Transactions

All Plan investments are managed by MMLIC, as defined by the Plan, which therefore qualifies as a permitted party-in-interest, as defined by ERISA. Certain Plan administrative expenses are paid by the Company and personnel services and facility use by Company personnel are furnished to the Plan at no cost. Notes receivable from participants are also considered exempt party-in-interest transactions.

Note 10 – Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.
