INDEPENDENT AUDITOR'S REPORT

October 10, 2022

To the Plan Administrator and Participants of the
Rochester Management, Inc. Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Rochester Management, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rochester Management, Inc. Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Management, Inc. Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rochester Management, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Management, Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Rochester Management, Inc. Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ROCHESTER MANAGEMENT, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of the Rochester Management, Inc. Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan established to provide retirement benefits for substantially all employees of Rochester Management, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the sponsor and the administrator of the Plan. ADP Retirement Services (ADP) is the Plan's third-party administrator and provides recordkeeping services to the Plan. Reliance Trust Company (Reliance) is the trustee of the Plan's assets.

Eligibility

Individuals become eligible to participate in the Plan after attainment of age 21 and completion of six months of service as defined in the Plan document. Participation commences on the first day of the quarter coinciding with, or next following, attainment of eligibility requirements.

Contributions

Participants may make voluntary pre-tax and Roth contributions in the form of salary reductions based on a percentage of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Upon attainment of age 50, participants are allowed to make catch-up contributions. The Company makes matching contributions on behalf of the Plan's participants. The Company matches 100% of employee contributions on the first 2% of their eligible compensation, 50% of employee contributions on the next 1% of their eligible compensation, and 25% of employee contributions on the next 2% of their eligible compensation. Participants with ten or more years of service, if deferring at least 5% of eligible compensation, will receive an additional 1% match. Additionally, the Company has the ability to make discretionary profit-sharing contributions as determined by its board of directors. No profit-sharing contributions were made in either 2021 or 2020. Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

The Plan also includes an automatic enrollment provision. Newly eligible employees who have otherwise not affirmatively opted out of enrolling in the Plan are automatically enrolled. Employees enrolled as a result of this provision must defer 2% of their compensation to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) actual earnings/losses thereon. Allocations are based on participant compensation or account balances, as defined. Plan expenses are allocated based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in all employee contributions and actual earnings/losses thereon. Participants must accrue three years of service to become fully vested in all Company contributions.

Forfeitures

Forfeitures of non-vested accounts are used to pay any administrative expenses of the Plan or to reduce the Company's matching and profit-sharing contributions. Forfeitures generated, including gains, totaled \$4,683 and \$4,916 during 2021 and 2020, respectively. Forfeitures used to reduce the Company's matching contributions during 2021 and 2020 totaled \$4,683 and \$10,425, respectively. There was \$37 of unapplied, forfeited, non-vested accounts at both December 31, 2021 and 2020.

Administrative Expenses

The majority of the Plan's administrative expenses are paid by the Company.

Notes Receivable from Participants

Participants may borrow up to the lesser of 50% of their vested account balance, or \$50,000. Participants may have two loans outstanding at any time. Loan terms range from one to five years, unless they are used to purchase a primary residence, in which case repayment may be made over a reasonable period of time that may exceed five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% per annum. Principal and interest are paid ratably through payroll deductions.

Hardship Withdrawals

Hardship withdrawals are permitted from the Plan from the participant's pre-tax and Roth elective deferral accounts. All hardship withdrawals must comply with rules related to hardships, which are uniformly applicable to all participants.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, participants receive a distribution of their vested account balances. Participants may elect disbursement of their vested account balance in either a lump-sum amount, in installments, or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Actively-employed participants that have reached the age of 59 ½ may elect to receive in-service distributions.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of Plan termination, all participant accounts would become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments and Income Recognition

The Plan's investments are reported at fair value, with the exception of common collective trusts, which are stated at net asset value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade day basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements – Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, economic conditions, world affairs, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in their values could occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or December 31, 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefits Paid to Participants

Benefit paid to participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as accurate and complete by Reliance as of and for the years ended December 31:

4. INVESTMENTS

Investment in Common/Collective Trust

The Federated Capital Preservation Fund (the Capital Preservation Fund) is a common collective trust fund with underlying investments in investment contracts and is valued at fair value. The Capital Preservation Fund invests principally in guaranteed investment contracts, separate account guaranteed investment contracts, synthetic guaranteed investment contracts and a money market mutual fund, which are intended to maintain a constant net asset value.

The investment objective of the Capital Preservation Fund is stability of principal and high current income. There is no unfunded commitment and there is no redemption notice period, except related to certain employer-initiated events.

Fair Value Measurements

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Fair Value Measurements (Continued)

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$11,410,385	\$ -	\$ -	\$11,410,385
Common/Collective Trust	<u>-</u>	<u>126,835</u>	<u>-</u>	<u>126,835</u>
Total investments	<u>\$11,410,385</u>	<u>\$ 126,835</u>	<u>\$ -</u>	<u>\$11,537,220</u>

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at fair value based on quoted market prices in active markets.

Common/collective trust: The Capital Preservation Fund, which primarily holds investments in fully benefit-responsive contracts, is valued at fair value as calculated by the issuers using a discounted cash flow model, which considers (i) recent fee bids as determined by recognized dealers, (ii) discount rate, and (iii) the duration of the underlying portfolio securities. The fair value of the Plan's investment in the Capital Preservation Fund is based on its proportionate ownership of the underlying investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. RECONCILIATION TO FORM 5500

While total net assets available for benefits and the total change in net assets available for benefits agree between the financial statements and the Form 5500 as of and for years ended December 31, 2021 and 2020, certain classifications differ between the financial statements and Form 5500.

6. TAX STATUS

The Plan is based on a prototype plan offered by ADP. The Internal Revenue Service has determined and informed ADP, by letter dated July 16, 2014, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has not yet applied for its own determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

ADP and Reliance serve as the Plan's recordkeeper and trustee, respectively, and, therefore, transactions with these parties qualify as party-in-interest transactions. Additionally, certain Plan assets consist of notes receivable from participants, which qualify as party-in-interest transactions.

8. SUBSEQUENT EVENTS

Effective September 1, 2022, Empower Retirement became the trustee of the Plan. As a result, the Plan and all assets were transferred from ADP to Empower Retirement. In conjunction with this change the Plan adopted a new plan document and received a corresponding IRS determination letter.

Subsequent events have been evaluated through October 10, 2022, which is the date the financial statements were available to be issued.
