To the Trustees and Management of the 403(b) Thrift Plan of Alpha Supported Living Services

We have audited the financial statements of 403(b) Thrift Plan of Alpha Supported Living Services, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and we will issue our report thereon dated October 12, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mutual of America Life Insurance Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 11, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by 403(b) Thrift Plan of Alpha Supported Living Services are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was valuation of the Plan's investments. Because the investments are excluded from audit procedures under an ERISA Section 103(a)(3)(C) audit, we did not test the valuation at the Plan or participant level.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. See attached report.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

The System and Organization Controls 1 (SOC 1) Report for Mutual of America ("MOA") Financial Group – The Retirement Plan Processing System is widely used and relied on in the audit of the Plan's financial statements. Management is responsible for reading this report and ensuring that the required complementary user controls are in place and effective, in order for MOA's controls to be effective.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Trustees and Management of the 403(b) Thrift Plan of Alpha Supported Living Services and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Smith Bunday Berman Britton, P.S.

Independent Auditor's Report

To the Plan Administrator
403(b) Thrift Plan of Alpha Supported Living Services

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of 403(b) Thrift Plan of Alpha Supported Living Services, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Alpha Supported Living Services and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Alpha Supported Living Services' ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to

fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Alpha Supported Living Services' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Alpha Supported Living Services' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan of Alpha Supported Living Services As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) THRIFT PLAN OF ALPHA SUPPORTED LIVING SERVICES
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN

Effective January 1, 2009, Alpha Supported Living Services (Alpha) adopted the 403(b) Thrift Plan of Alpha Supported Living Services (Plan). The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees of Alpha Supported Living Services and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees, except those covered under a collective bargaining agreement, are eligible to make salary reduction contributions. All employees, except those covered under a collective bargaining agreement, are also eligible to receive employer base contributions.

Plan Administration - The Plan is administered by Alpha. Individual participant accounts are maintained by Mutual of America Life Insurance Company (Mutual of America), based upon information provided by Alpha. Mutual of America is also the trustee of the Plan's assets.

Eligibility - The Plan has no minimum age or hours of service requirement for Plan enrollment for participation in salary deferrals. Participants with more than two years of service are eligible to receive employer contributions.

Contributions - Participants may elect to contribute up to 100% of their compensation, within statutory limits, to the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Funding of deferrals is done semi-monthly with each payroll.

Alpha makes employer contributions to all eligible employees (except "Highly Compensated Employees") which consist of base contributions and match contributions. Employer contributions begin on January 1 or July 1 coinciding with or immediately following the date the participant meets all the eligibility requirements.

Base contributions are based upon years of service and are equal to a percentage of compensation received during the year. Base contributions are made whether or not the participant contributes to the Plan and are equal to the percentage determined as follows:

<u>Years of Service</u>	<u>Percentage of Compensation</u>
Less than two years completed	0%
Two years completed but less than five years completed	1%
Five years completed but less than ten years completed	2%
Ten years completed or more	3%

Note 1 – continued

Matching contributions are based on years of service and are equal to a percentage of the salary reduction amount contributed by a participant that does not exceed a percentage of the staff contribution received during the Plan year. The matching contribution is equal to the percentage determined as follows:

<u>Years of Service</u>	<u>Percentage of Salary Reduction Contributions</u>	<u>Percentage of Staff Compensation</u>
Less than two years completed	0%	0%
Two years completed but less than five years completed	50%	4%
Five years completed but less than ten years completed	50%	5%
Ten years completed or more	50%	6%

Employer contributions are generally funded semi-monthly. Alpha made base and matching contributions of \$542,538 for the year ended December 31, 2021.

Participant Accounts - Each participant's account is credited or charged with the participant's contribution, employer contributions and allocations of investment earnings and losses. Allocations of investment earnings and losses are based on account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - All contributions are participant directed. Upon enrollment in the Plan, a participant may direct employee contributions in forty-eight pooled separate accounts and a guaranteed interest account. The pooled separate accounts and the guaranteed interest account are held under contract with Mutual of America. The guaranteed interest account represents a deposit administration contract. See Note 3 for a further description of this contract. Participants may change their investment options daily.

Notes Receivable from Participants - The Plan allows participants to draw against their Plan investments in the form of loans. Participants may borrow from their accounts the lesser of \$50,000, or 50 percent of their vested account balance calculated within the last twelve months (not less than \$1,000). The loans are secured by the balance in the participants' accounts.

Vesting - Participants are immediately vested in employee and employer contributions plus actual earnings thereon.

Payment of Benefits - On termination of service due to death, disability, retirement or other termination of employment, a participant may elect to receive a lump-sum amount equal to the value of his or her vested account.

Expenses - Certain expenses of maintaining the Plan are paid directly by Alpha and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 1 – continued

Plan Termination - Although it has not expressed any intent to do so, Alpha has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the assets of the Plan will be distributed to participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies used by the Plan:

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation – Investments are reported at fair value (except for fully benefit-responsible investment contracts, which are reported at contract value. See Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis.

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. It is reasonably possible, given the level of risk associated with investment securities that changes in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Income Recognition - Interest income is recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Realized and unrealized gains and losses relative to pooled separate accounts are reported in net appreciation (depreciation) in the fair value of investments.

Payment of Benefits - Benefits are recognized when paid.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE 3 - DEPOSIT ADMINISTRATION CONTRACT

The Plan has entered into a guaranteed interest account (marketed as an interest accumulation contract) with Mutual of America. The guaranteed interest account represents a deposit administration contract (Contract). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Mutual of America maintains the contributions in an unallocated fund (general account), whose assets are invested with other assets in the general account of Mutual of America. The account is credited with earnings on the underlying investments and charged for Plan

Note 3 – continued

withdrawals and administrative expenses charged by Mutual of America. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made under the Contract, plus earnings, less withdrawals and administrative expenses.

The contract crediting rate is established in November for the next calendar year and is guaranteed for one year. The effective annual crediting rate and yield for the Contract was 1.00% for 2021 and 1.00% for 2020.

The Contract does not contain any surrender charges, nor does it define any events that limit the ability of the Plan to withdraw contract value or otherwise transact at contract value with Mutual of America as the contract issuer. In the event of Mutual of America's insolvency, funds in its general account would be available to meet the claims of general creditors, after payment of amounts due under priority claims; including amounts owed to the Plan.

There are no reserves against contract value for the credit risk of Mutual of America.

NOTE 4 - TAX STATUS

The Internal Revenue Service (IRS) is yet to establish a process for issuing determination and opinion letters for 403(b) plans. Therefore, the Plan Administrator is not required to request a determination. However, since this is an IRS pre-approved plan, the Plan Administrator believes the Plan is being operated in compliance with Internal Revenue Code (IRC) section 403(b).

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has concluded that, as of December 31, 2021, the Plan has not taken any uncertain positions that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. Under generally accepted accounting principles, there are three levels of inputs, which prioritize the inputs used in measuring fair value as follows:

- Level 1: Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

The inputs or methodology used for valuing investments is not necessarily an indication of the risk associated with investing in those securities.

Pooled separate accounts are valued based upon the units of such pooled separate accounts and held by the Plan at year end multiplied by the respective unit value. As of December 31, 2021, and 2020, pooled

Note 5 – continued

separate accounts held by Mutual of America are valued at their “accumulation unit value” (AUV). These are valued daily as the number of accumulation units held multiplied by the AUV. The AUV is determined daily based on the net asset value of shares of the underlying fund, the fund’s dividends and the contract’s separate account charges. Investments in the pooled separate accounts are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and in accordance with Subtopic 820-10 have not been classified in the fair value hierarchy.

Due to the nature of the pooled separate accounts discussed above, there are no unfunded commitments or redemption restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan’s management believes the valuation methodologies are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

NOTE 6 - INFORMATION CERTIFIED BY TRUSTEE

Following is a summary of the unaudited information included in the financial statements and the Schedule of Assets (Held at End of Year) which was prepared by Mutual of America, the trustee and custodian of the Plan’s investment assets, and was furnished to the administrator along with certification that such information is complete and accurate.

1. Fair value of pooled separate accounts as of December 31, 2021, and 2020.
2. The contract value of the guaranteed interest account as of December 31, 2021, and 2020.
3. Balance of notes receivable from participants as of December 31, 2021, and 2020 and earnings thereon.
4. Investment income for the year ended December 31, 2021.
5. The information in Notes 3 and 5 as of December 31, 2021, and 2020 and the supplemental schedule on page 12.

NOTE 7 - PARTY IN INTEREST

Mutual of America acts as custodian and trustee for certain investments of the Plan; therefore, transactions with Mutual of America qualify as party-in-interest transactions.

NOTE 8 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2022, the date these financial statements were available to be issued.
