**Independent Auditor's Report**

To the Management and Trustees of  
Elevate Energy  
Chicago, IL 60607

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of the Elevate Energy 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Elevate Energy 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Elevate Energy 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Elevate Energy 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Elevate Energy 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant

### ***Supplemental Schedules Required by ERISA***

The supplemental schedules of (1) Schedule H, line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**Note 1 – Description of Plan**

The following description of the Elevate Energy 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was formed in 2016 as a defined contribution plan established by Elevate Energy (the “Company”) under the provision of Section 401(a) of the Internal Revenue Code (IRC) which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC for the benefit of eligible employees of the Company. All employees of the Company who are 21 years of age are eligible except for those who are non-resident aliens with no U.S. source of income, and those that are covered by a collective bargaining agreement. Entry to the Plan occurs immediately for employee contributions and monthly for employer contributions once the eligibility requirements are satisfied. Employees are eligible for matching and profit-sharing contributions after twelve months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute, subject to limitations, pretax and after-tax (Roth contributions) annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan allows for the Company to contribute matching or other discretionary contributions. Participants direct the investments of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of Plan earnings, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in all contributions.

Payment of Benefits

Upon termination of service, retirement, death, or disability, participants may elect to receive a distribution as a lump-sum, partial payments, or installment payment up to the vested interest in his or her account. In-service withdrawals for hardship, and other reasons, are allowed for participants, subject to Plan provisions.

Plan Expenses

Significant expenses incurred in the administration of the Plan are paid for by the employer, as the Plan sponsor. The expenses include, but are not limited to, participant account administration, Internal Revenue Service annual filing and the Department of Labor annual audit and reporting requirement.

Participant Loans

Actively employed participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their non-Roth vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

**Note 2 – Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The fair values of the Plan's investment portfolio are determined using various valuation techniques and are placed into the fair value hierarchy considering the following: (i) the highest priority is given to quoted prices in active markets for identical assets (Level 1); (ii) the next highest priority is given to quoted prices in markets that are not active or inputs that are observable either directly or indirectly, including quoted prices for similar assets in markets that are not active and other inputs that can be derived principally from, or corroborated by, observable market data for substantially the full term of the assets (Level 2); and (iii) the lowest priority is given to unobservable inputs supported by little or no market activity and that reflects the assumptions about the exit price, including assumptions that market participants would use in pricing the assets (Level 3). The categorization of the Plan's financial instruments within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**Note 2 – Summary of Significant Accounting Policies (cont.)**

The following is a description of the valuation methodologies used for the Plan's instruments measured at fair value, including the general classification of such instruments pursuant to the aforementioned valuation hierarchy:

Mutual Funds - These investments are valued at quoted market prices, which represent the net asset value (NAV) of shares held by the plan at year-end. The NAV is a quoted price in an active market and classified within level 1 of the valuation hierarchy.

Money Market Funds – These funds are valued at the daily net asset value (NAV) and aim for an asset value of \$1, with earnings being paid as interest on the fund.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation of investment is reported in the Statement of Changes in Net Assets Available for Benefits and consists of realized gains or losses, including allocation of the daily asset management charges, and unrealized appreciation or depreciation of these investments as applicable.

**Subsequent Events**

Accounting principles generally accepted in the United States of America establish general standards of accounting for, and disclosure of, events that occur after the balance sheet date but before financial statements are issued or are available to be issued. The Company has evaluated subsequent events through October 11, 2022, which is the date the statements were available to be issued. No subsequent events have been identified that are required to be disclosed as of that date.

**Note 3 – Fair Value Measurements**

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2021 and 2020 (Level 1, 2 and 3 inputs are defined in Note 2):

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**Note 4 – Information Prepared and Certified by Custodian**

The December 31, 2021 and 2020 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, the accompanying Notes to the Financial Statements, and the Supplemental Disclosures were prepared in part or entirely from information certified by the trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The custodian as of December 31, 2021 is Ascensus Trust Company and 2020.

The information certified includes total investments of \$7,844,831 and \$6,538,088 at December 31, 2021 and 2020, respectively, and related investment income of \$976,736 for the year ended December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information in the financial statements and supplemental schedule.

**Note 5 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan Termination, participants will become 100% vested in their accounts.

**Note 6 – Related Party and Exempt Party-in-Interest Transactions**

Certain Plan investments are shares of mutual funds managed by Ascensus Trust Company. Ascensus Trust Company is the custodian and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

The Plan has notes receivable from participants at December 31, 2021. As a result, these receivables and all transactions relating to these receivables qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

**Note 7 – Tax Status**

The Plan has adopted a standardized form of a volume submitter prototype plan sponsored by Vanguard. The volume submitter prototype plan has received an opinion letter, dated January 30, 2006, from the Internal Revenue Service (IRS) as to the volume submitter prototype plan's qualified status. The volume submitter prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**Note 7 – Tax Status (cont.)**

Generally accepted accounting principles require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or DOL. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8 – Risk and Uncertainty**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
