Independent Auditor's Report

To the Plan Administrator
Prime Communications, Inc. 401(k) Plan
Elkhorn, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Prime Communications, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Prime Communications, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of Plan

The following description of the Prime Communications, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

A. General

The Plan is a defined contribution 401(k) plan for the benefit of the employees of Prime Communications, Inc. (Employer). The Board of Directors is responsible for oversight of the Plan. The Board of Directors determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Contributions made to the Plan are as follows:

Participant Contributions – Participants may contribute up to the maximum percentage allowable of pretax or after tax compensation, not to exceed limits of the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Employer Contributions – The Employer may make matching contributions equal to a discretionary percentage of the participants' salary reductions, to be determined annually by the Employer (50% of total deferral, up to a maximum 8% deferral for 2021). The Employer may also make a discretionary contribution each year. There was no discretionary contribution for 2021.

Participants direct the investment of their contributions, as well as the Employer contributions, into various investment options offered by the Plan. Contributions are subject to certain limits set by the IRS.

C. Participant Accounts

Each participant's account is credited with the participant's contributions (including rollovers) and allocations of (a) the Employer contributions, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses), account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Eligibility

Employees are eligible to participate in the Plan on the first day of the Plan quarter after the completion of 90 days of service and upon attaining the age of 21. Employees become eligible for Employer matching contributions after the completion of one year of service (defined as a consecutive 12-month period during which the employee completes 1,000 or more hours of service) and upon attaining the age of 21. Employees are eligible for the Employer profit sharing contribution if they are employed on the last day of the Plan year, or if they are not employed on the last day of the Plan year, if they were employed at any time during the Plan year and attained more than 500 hours of service in the Plan year.

Prime Communications, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

E. *Vesting*

Participants are fully vested in their contributions (including rollovers), plus or minus actual earnings or losses thereon. A participant becomes vested with regard to Employer contributions and the earnings or losses thereon based on the following vesting schedule:

Completed Years of Service	Percentage of Account Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

F. *Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. No participant may have more than one note outstanding at one time. Notes receivable are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Note terms are limited to a maximum of 5 years. Principal and interest are paid ratably through regular payroll deductions. At December 31, 2021, notes receivable from participants had interest rates of 5.25% to 7.50% and mature between September 2022 and July 2026.

During 2020, the Plan was amended to adopt the loan provisions under the Coronavirus Aid, Relief, and Economic Security (CARES) Act allowing qualified individuals to borrow up to the lesser of \$100,000 or 100% of their vested balance for 180 days beginning March 27, 2020. Qualified participants could also defer loan payments due from March 27, 2020 through December 31, 2020 for one year.

G. *Payment of Benefits*

Upon normal retirement (the day on which the participant attains age 65), early retirement (the day on which the participant attains age 60 and has six years of vesting service), disability or death, a participant is entitled to all of the participant's accounts under the Plan. Upon termination of service prior to retirement, a participant will receive an amount equal to the vested portion of the participant's account through a lump sum distribution, substantially equal distribution installments, or a partial withdrawal. Participant consent is required for account distributions over \$5,000. If the participant's account is less than \$5,000 at the time of distributable event, a lump-sum distribution will be made as soon as administratively feasible following termination of employment. If the participant's account exceeds \$1,000 and the participant did not elect to either receive or to rollover the distribution, then the distribution may be rolled over to an individual retirement account. In-service and hardship distributions are also allowed by the Plan in certain circumstances.

During 2020, the Plan was amended to adopt the distribution provision under the CARES Act allowing qualified individuals to receive coronavirus-related distributions in an aggregate amount up to \$100,000 from the participant's account in the Plan. Coronavirus-related distributions could be taken up to December 31, 2020 and may be repaid within three years of the date of distribution. The amendment also temporarily waived required minimum distributions for the 2020 calendar year.

Prime Communications, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

H. Forfeitures

Forfeitures are retained in the Plan and are used to pay Plan expenses or reduce future Employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$3,414 and \$25, respectively. In 2021, \$2,234 from forfeited nonvested accounts was used to pay Plan expenses and \$6,411 was used to reduce Employer contributions.

(2) Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian.

The pooled separate accounts and collective investment trust are valued at fair value based on the net asset value (NAV) of units held in the account. The NAV, as determined by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of the underlying assets within the account, adjusted for any dividends or distributions received and the daily equivalent of any fee charged pursuant to the contract. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There has been no change to the methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Prime Communications, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

E. Payments of Benefits

Benefits are recorded when paid.

F. Administrative Expenses

Certain administrative expenses are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Investment related expenses are included in net appreciation of fair value of investments.

G. Subsequent Events

The Plan considered events occurring through October 17, 2022, the date the financial statements were available to be issued.

(3) Information Certified by Principal Life Insurance Company (Custodian) and John Hancock Life Insurance Company (U.S.A.) (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Principal Life Insurance Company, the custodian, and John Hancock Life Insurance Company (U.S.A.), the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian and trustee that the following information provided to the Plan Administrator by the custodian and trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following:

	<u>2021</u>	<u>2020</u>
Cash – noninterest bearing	\$ 3,414	--
Investments, at fair value	5,763,365	4,715,327
Investments, at contract value	3,455	--
Notes receivable from participants	50,516	65,667

Principal Life Insurance Company and John Hancock Life Insurance Company (U.S.A.) also certified to the completeness and accuracy of \$645,792 of net appreciation in the fair value of investments (including realized gains and losses on investments bought and sold, as well unrealized gains and losses on investments held during the year) and \$2,858 of interest income on notes receivable from participants for the year ended December 31, 2021.

Prime Communications, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(4) Fair Value of Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)

The following table sets forth disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2021 and 2020:

	2021 Fair Value	2020 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment trust	\$ --	3,082	--	Daily	1 day
Pooled separate accounts					
Filed as direct filing entity	--	4,712,245	--	Daily	1 day
Asset allocation - target date (a)	5,550,578	--	--	Daily	None
Large-cap stock funds (b)	107,579	--	--	Daily	None
Sector/specialty funds (c)	74,191	--	--	Daily	None
Mid-cap stock funds (d)	12,140	--	--	Daily	None
Foreign stock funds (e)	10,787	--	--	Daily	None
Small-cap stock funds (f)	8,090	--	--	Daily	None
Total	<u>\$ 5,763,365</u>	<u>4,715,327</u>			

- (a) These funds seek to provide a diversified exposure to stocks, bonds, and cash for those investors who have a specific date in mind for retirement or another goal. The target date portfolios aim to provide investors with an optimal level of return and risk, based solely on the target date. Over time, fund managers adjust the allocation among asset classes to more conservative mixes as the target date approaches.
- (b) This category seeks capital appreciation by investing primarily in large capitalization companies. Although it invests primarily in U.S. securities, investments in foreign companies may be made.
- (c) The funds in this category primarily invest in specific sectors such as healthcare or real estate.
- (d) This category seeks long-term capital appreciation by investing primarily in mid-sized companies or smaller. Although it invests primarily in U.S. securities, investments in foreign companies may be made.
- (e) This category seeks long-term capital appreciation by investing in foreign market securities. These funds invest primarily in the common stock of companies in both developed and developing foreign markets.
- (f) This category seeks capital appreciation by investing primarily in small capitalization companies. These funds generally invest in companies with growth characteristics or those believed to be undervalued.

(5) Group Annuity Contract with John Hancock Life Insurance Company (U.S.A.)

The Plan entered into a traditional fully benefit-responsive guaranteed income fund with John Hancock Life Insurance Company (U.S.A.) (John Hancock) totaling \$3,455 at December 31, 2021. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed income fund issuer is contractually obligated to repay the principal and the interest earned under the contract to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed at least twice a year for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by John Hancock, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Prime Communications, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include any Employer directed withdrawals, which are defined as any withdrawal from the account which does not qualify as a participant directed transfer, annuity purchase withdrawal, clone contract withdrawal or Plan benefit withdrawal. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

(6) Income Tax Status

The Plan adopted a prototype non-standardized 401(k) profit sharing plan that has received an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since the adoption of the prototype document, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to participants' accounts will become 100% vested and nonforfeitable.

(7) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Furthermore, the Plan's investment in Vanguard Target Retirement 2035 comprises approximately 36% of net assets held at year end as of December 31, 2021 and the Plan's investment in Principal LifeTM 2035 comprised approximately 32% of net assets held at year end as of December 31, 2020.

(8) Party-In-Interest Transactions

Certain Plan investments are funds that are managed by John Hancock, the trustee of the Plan. The trustee is a service provider to the Plan and, therefore, these transactions qualify as party-in-interest. Additionally, the Plan has a number of service providers which qualify as parties-in-interest. Fees paid by the Plan to parties-in-interest amounted to \$30,244 for the year ended December 31, 2021.

(9) Subsequent Events

Effective January 1, 2022, the Employer entered into a corporate reorganization plan. As a result, Prime Connected Inc. was spun off so that Prime Communications Inc. and Prime Connected Inc. will be two separate entities under common ownership. Effective January 1, 2022, Prime Connected Inc. became a participating employer in the Plan. Employees of Prime Connected Inc. will continue to participate in the Plan.
