Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Energy Harbor 401(k) & Retirement Contribution Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits from February 27, 2020 (date of inception) through December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Trustee as of December 31, 2020 and for the period of February 27, 2020 (date of inception) through December 31, 2020, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions from February 27, 2020 (date of inception) through December 31, 2020 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020, are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Energy Harbor 401(k) & Retirement Contribution Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Description and Eligibility

The Plan, established effective February 27, 2020, is a defined contribution plan available to all employees of Energy Harbor Corporation (the "Company") except for employees covered by a collective bargaining agreement, leased, temporary, co-op, and summer or holiday help employees. There is no age requirement to participate in the Plan. Employees' participation in the Plan is voluntary. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan allows related companies (related through common ownership of its members) to adopt its provisions. Other related companies who have adopted the provisions of the Plan are Energy Harbor Generation LLC, Energy Harbor nuclear corp, and Energy Harbor, LLC.

Contributions

Employees who are eligible to participate in the Plan may elect to have up to 75% of their compensation deducted from payroll and contributed to the Plan on a pre-tax basis subject to limitations as defined by the Internal Revenue Code ("IRC"). The Company matches 50% of participants' elective deferrals, up to a maximum of 6% of participants' eligible earnings. Additionally, the Company makes non-elective employer contributions on behalf of eligible participants, based on a fixed percentage of a participant's eligible compensation. Fixed percentages are applied based on eligible participants' age. Participants who are less than 40 years old at the last day of the Plan year are eligible for a 4% non-elective contribution. Participants who are 80 years or older receive the max fixed percentage of 9%. Fixed percentage increases by 1% every 10 years based on the age scale.

Vesting

Participant contributions and employer matching contributions, with all earnings and appreciation thereon, are fully vested at all times. Non-elective employer contributions are 100% vested after three years of eligible service.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

Participant Accounts

The allocation of a participant's contributions to the investment funds is selected by the participant and may be changed daily using an automated customer service system. Participants may also elect to have all or a portion of their prior contributions transferred between any of the available investment funds. Employer contributions are allocated to the same investment funds as elected for participant contributions.

Separate accounts are maintained for each participant representing his or her interest in the Plan. Each participant's account is re-valued daily. Plan earnings and other increases and decreases in value are allocated in direct proportion to the size of the participant's balance in a particular fund in relation to the balances of all participants in that fund.

Notes Receivable from Participants

The Plan allows participants to borrow from their fund accounts. Participants may borrow the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the participant's highest outstanding note balance in the previous 12 months even if the amounts have been repaid. There is no minimum borrowing amount. Notes bear interest rates at prime rate plus 1%.

The repayments of principal and interest are credited to the participant's account balances within the respective funds. Principal and interest payments are made through payroll deductions according to each note's term per the promissory note, ranging from 6 months to 30 years. Notes bear interest at rates ranging from 4.25% to 9.50% as of December 31, 2020.

Payment of Benefits

Participants whose employment terminates will be eligible for a distribution equal to the full amount of the separate accounts attributable to his or her participant contributions, plus any vested Company contributions. If the participant's account balance is less than \$1,000, it will be distributed to the participant in a lump sum. If the balance is between \$1,000 and \$5,000, it will be rolled over to an Individual Retirement Account.

Participants are entitled to receive a distribution of all or any portion of their deferral contributions account upon attainment of age 59½. In the event of financial hardship, participants may apply to receive a distribution from their deferral contribution accounts, subject to Internal Revenue Service ("IRS") mandated rules for hardship withdrawals.

The liability of the Plan for benefits to participants is limited to the value of the participants' vested interest in their accounts.

Forfeited Accounts

Forfeited amounts are first applied to the expenses of administering the Plan, and any excess forfeiture is used to offset future Company contributions. Forfeitures utilized from February 27, 2020 through December 31, 2020 was \$1,147. The balance of unallocated forfeitures was \$265,514 at December 31, 2020.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

Plan Termination

Although the Plan is intended to be permanent, the Company reserves the right to terminate the Plan at any time. Upon termination of the Plan, all contributions become fully vested and non-forfeitable. If the Plan is terminated, all amounts credited to a participant's account will be paid to such participant.

Plan Transfers

During March 2020, \$574,060,306 in assets were transferred into the Plan from the FirstEnergy Corp. Savings Plan.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America. The accounting records of the Plan are accrual basis.

Investment Valuation and Income Recognition

Investments are stated at fair value. See Note 4 for discussion of fair value measurements. The Plan's investment in a fully benefit-responsive investment contract is stated at contract value at December 31, 2020.

Investment income consists of interest and dividend income. The net appreciation in the fair value of investments consists of realized gains or losses and the unrealized appreciation on those investments. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

The Plan is in a benefit-responsive group annuity contract with T. Rowe Price. T. Rowe Price maintains the Plan's investment in their general accounts and is contractually required to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the group annuity contract held by the Plan is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. Contract value, as reported to the Plan by the manager of the Fund, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at the unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

The Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act which allowed payments on loans to be suspended through December 31, 2020 without causing such loan to become delinquent and go into default.

Plan Expenses

Certain general and administrative expenses incurred in the administration of the Plan are paid by the Company. Expenses paid from Plan assets are reflected in the Statement of Changes in Net Assets Available for Benefits.

Payment of Benefits

Benefits are recorded when paid. The Plan adopted certain provisions of the CARES Act which allowed, in accordance with Section 2202(a) of the CARES Act, participants to take up to a \$100,000 distribution for qualifying reasons associated with the COVID-19 pandemic from qualified plans between January 1, 2020 and December 31, 2020. Participants have the option to repay the Plan's distribution over a three-year period.

Use of Estimates

The preparation of the financial statements and footnote disclosures requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and reported amount of additions and deductions to net assets available for benefits during the period. Although management believes such estimates and assumptions are reasonable, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 15, 2021, the date the financial statements were available to be issued and determined that there were no events or transactions which require recognition or disclosures in these financial statements.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and as instructed by the Plan administrator, no audit procedures have been performed on certain information certified by Fidelity Management Trust Company ("Fidelity" or "Trustee"), the Trustee of the Plan as of December 31, 2020, except to compare such information to the information included in the accompanying financial statements and schedule. Information certified by the Trustee includes investments and notes receivable from participants included in the Statements of Net Assets Available for Benefits at December 31, 2020, and investment income items and interest on notes receivable from participants included in the Statement of Changes in Net Assets Available for Benefits for the period from February 27, 2020 through December 31, 2020.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Company uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020.

- The fair value of mutual funds, self-directed brokerage accounts, and common stock is based on prices in public exchanges of the securities held by the Plan at year-end.
- The fair value of the common collective trust investments is based on Net Asset Value ("NAV"), which represents fair value because NAV is the value at which the Plan transacts in this actively traded investment. NAV is used as a practical expedient to estimate fair value.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2020			
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 329,443,079	\$ -	\$ -	\$ 329,443,079
Common stock	41,630,277	-	-	41,630,277
Self-directed brokerage accounts	49,349,126	-	-	49,349,126
	<u>\$ 420,422,482</u>	<u>\$ -</u>	<u>\$ -</u>	<u>420,422,482</u>

Investments measured using NAV as a practical expedient:

Common collective trusts	161,376,201
Total investments at fair value	<u>\$ 581,798,683</u>

The Plan's investment in the collective investment trusts may be redeemed on a daily basis, and have a daily redemption notice period. There are no unfunded commitments related to these collective investment trusts.

NOTE 5 - TAX STATUS

The Plan has adopted a volume submitter plan document sponsored by Fidelity. The volume submitter plan document received an opinion letter from the IRS dated March 31, 2014, as to the Plan's qualified status. The Plan Sponsor can rely on the qualified status to the extent the Plan Document does not deviate from the IRS pre-approved provisions. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and; therefore, believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 6 - PARTY-IN-INTEREST

Certain Plan investments are shares of a collective investment trust managed by the Trustee as defined by the Plan and, therefore, these transactions are party-in-interest transactions.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PROHIBITED TRANSACTIONS

During the period from February 27, 2020 through December 31, 2020, the Company inadvertently failed to segregate and remit in a timely manner certain participant contributions and loan repayments from its assets within the required time period as specified by the DOL Reg. 2510.3-102. Failure to segregate and remit contributions within the specified time period is a prohibited transaction according to the provision of ERISA and the IRC. The Company calculated and remitted lost earnings associated with these late contributions in 2020 and also completed the process filing under the Voluntary Fiduciary Correction Program ("VFCP").

Statement attached to and made part of Amended Form 5500

Explanation for amended 2020 return:

During 2021 the Plan received the annual non-elective employer contribution paid by the Company to eligible participants of the Plan based on a fixed formula. The 2021 non-elective employer contribution received was calculated using the participants years of service and date of birth as of December 31, 2020. As a result, the Company restated its financial statements to reflect the contribution as a receivable at December 31, 2020. This Form 5500 is being amended to conform to the financial statement presentation.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Energy Harbor 401(k) & Retirement Contribution Plan
Akron, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Energy Harbor 401(k) & Retirement Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As described in Note 9 to the financial statements, certain adjustments to amounts previously reported as of December 31, 2020 have been made to record the non-elective employer contributions received by the Plan during 2021 which pertained to the 2020 Plan year. Accordingly, such amounts have been restated in the 2020 financial statements now presented. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021 we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Energy Harbor 401(k) & Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Description and Eligibility

The Plan, established effective February 27, 2020, is a defined contribution plan available to all employees of Energy Harbor Corporation (the “Company”) except for employees covered by a collective bargaining agreement, leased, temporary, co-op, and summer or holiday help employees. There is no age requirement to participate in the Plan. Employees’ participation in the Plan is voluntary. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Employees who are eligible to participate in the Plan may elect to have up to 75% of their compensation deducted from payroll and contributed to the Plan on a pre-tax basis subject to limitations as defined by the Internal Revenue Code (“IRC”). The Company matches 50% of participants’ elective deferrals, up to a maximum of 6% of participants’ eligible earnings. Additionally, the Company makes non-elective employer contributions on behalf of eligible participants, based on a fixed percentage of a participant’s eligible compensation. Fixed percentages are applied based on eligible participants’ age. Non-elective employer contributions amounted to \$20,177,723 and \$13,021,285 for the year ended December 31, 2021 and the period from February 27, 2020 (date of inception) through December 31, 2020, respectively.

Vesting

Participant contributions and employer matching contributions, with all earnings and appreciation thereon, are fully vested at all times. Non-elective employer contributions are 100% vested after three years of eligible service.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

The allocation of a participant’s contributions to the investment funds is selected by the participant and may be changed daily using an automated customer service system. Participants may also elect to have all, or a portion of their prior contributions transferred between any of the available investment funds. Employer contributions are allocated to the same investment funds as elected for participant contributions.

Separate accounts are maintained for each participant representing his or her interest in the Plan. Each participant’s account is re-valued daily. Plan earnings and other increases and decreases in value are allocated in direct proportion to the size of the participant’s balance in a particular fund in relation to the balances of all participants in that fund.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Notes Receivable from Participants

The Plan allows participants to borrow from their fund accounts. Participants may borrow the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the participant's highest outstanding note balance in the previous 12 months even if the amounts have been repaid. There is no minimum amount of any note.

The repayments of principal and interest are credited to the participant's account balances within the respective funds. Principal and interest payments are made through payroll deductions according to each note's term per the promissory note, ranging from 6 months to 30 years. Notes bear interest at rates ranging from 4.25% to 9.50% as of December 31, 2021 and 2020.

Payment of Benefits

Participants whose employment terminates will be eligible for a distribution equal to the full amount of the separate accounts attributable to his or her participant contributions, plus any vested Company contributions. If the participant's account balance is less than \$1,000, it will be distributed to the participant in a lump sum. If the balance is between \$1,000 and \$5,000, it will be rolled over to an Individual Retirement Account.

Participants are entitled to receive a distribution of all or any portion of their deferral contributions account upon attainment of age 59½. In the event of financial hardship, participants may apply to receive a distribution from their deferral contribution accounts, subject to Internal Revenue Service ("IRS") mandated rules for hardship withdrawals.

The liability of the Plan for benefits to participants is limited to the value of the participants' vested interest in their accounts.

Forfeited Accounts

Forfeited amounts are first applied to the expenses of administering the Plan, and any excess forfeiture is used to offset future Company contributions. Forfeitures utilized during the year ended December 31, 2021 and the period from February 27, 2020 (date of inception) through December 31, 2020 were \$244,577 and \$1,147, respectively. The balance of unallocated forfeitures was \$92,604 and \$265,514 at December 31, 2021 and 2020, respectively.

Plan Termination

Although the Plan is intended to be permanent, the Company reserves the right to terminate the Plan at any time. Upon termination of the Plan, all contributions become fully vested and non-forfeitable. If the Plan is terminated, all amounts credited to a participant's account will be paid to such participant.

Plan Transfers

During March 2020, \$574,060,306 in assets were transferred into the Plan from the FirstEnergy Corp. Savings Plan.

December 31, 2021 and 2020

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America. The accounting records of the Plan are accrual basis.

Investment Valuation and Income Recognition

Investments are stated at fair value. See Note 4 for discussion of fair value measurements. The Plan's investment in a fully benefit-responsive investment contract is stated at contract value at December 31, 2021 and 2020.

Investment income consists of interest and dividend income. The net appreciation in the fair value of investments consists of realized gains or losses and the unrealized appreciation on those investments. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

The Plan is in a benefit-responsive group annuity contract with T. Rowe Price. T. Rowe Price maintains the Plan's investment in their general accounts and is contractually required to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the group annuity contract held by the Plan is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. Contract value, as reported to the Plan by the manager of the Fund, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at the unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

ENERGY HARBOR 401(K) & RETIREMENT CONTRIBUTION PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Plan Expenses

Certain general and administrative expenses incurred in the administration of the Plan are paid by the Company. Expenses paid from Plan assets are reflected in the Statement of Changes in Net Assets Available for Benefits.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of the financial statements and footnote disclosures requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and reported amount of additions and deductions to net assets available for benefits during the period. Although management believes such estimates and assumptions are reasonable, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and as instructed by the Plan administrator, no audit procedures have been performed on certain information certified by Fidelity Management Trust Company, the Trustee of the Plan as of and for the year ended December 31, 2021 and from February 27, 2020 (date of inception) to December 31, 2020, except to compare such information to the information included in the accompanying financial statements and schedule. Information certified by the Trustee includes investments and notes receivable from participants included in the Statements of Net Assets Available for Benefits at December 31, 2021 and 2020, and investment income items and interest on notes receivable from participants included in the Statements of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 and period from February 27, 2020 (date of inception) to December 31, 2020.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Company uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- The fair value of mutual funds and common stock is based on prices in public exchanges of the securities held by the Plan at year-end.
- The fair value of the common collective trust investments is based on Net Asset Value ("NAV"), which represents fair value because NAV is the value at which the Plan transacts in this actively traded investment. NAV is used as a practical expedient to estimate fair value.
- The self-directed brokerage accounts are valued at the closing price reported on the open market of the individual securities.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Totals

Total investments at fair value	<u>\$ 581,798,683</u>

The Plan's investment in the collective investment trusts may be redeemed on a daily basis and has a daily redemption notice period. There are no unfunded commitments related to this collective investment trust.

NOTE 5 - TAX STATUS

The Plan has adopted a volume submitter plan document sponsored by Fidelity. The volume submitter plan document received a favorable opinion letter on the Plan's qualified status from the IRS dated March 31, 2014. The Plan Sponsor can rely on the qualified status to the extent the Plan Document does not deviate from the IRS pre-approved provisions. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 6 - PARTY-IN-INTEREST

Certain Plan investments are shares of registered investment companies managed by the Trustee as defined by the Plan and, therefore, these transactions are party-in-interest transactions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

December 31, 2021 and 2020

NOTE 8 – PROHIBITED TRANSACTIONS

During the period February 27, 2020 (date of inception) through December 31, 2020, the Company inadvertently failed to segregate and remit in a timely manner certain participant contributions from its assets within the required time period as specified by the DOL Reg. 2510.3-102. Failure to segregate and remit contributions within the specified time period is a prohibited transaction according to the provision of ERISA and the IRC. Lost earnings associated with the late remittance were paid by the Plan sponsor to the participant accounts in 2021.

NOTE 9 – PRIOR PERIOD ADJUSTMENT

During 2021 the Plan received the annual non-elective employer contribution paid by the Company to eligible participants of the Plan based on a fixed formula. The 2021 non-elective employer contribution received was calculated using the participants years of service and date of birth as of December 31, 2020. As a result, the Company restated its financial statements to reflect the contribution as a receivable at December 31, 2020 as follows:
