Independent Auditor's Report

To the Plan Administrator, Trustees and Participants
Jetro Cash & Carry Enterprises, LLC Retirement Savings Plan
Whitestone, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Jetro Cash & Carry Enterprises, LLC Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held At End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statement, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

JETRO CASH & CARRY ENTERPRISES, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan

The following description of the Jetro Cash & Carry Enterprises, LLC Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, established on February 2, 1985 is a participant-directed defined contribution plan covering JRD Holdings, LLC and Subsidiaries (the "Company" or the "Employer") to provide benefits to eligible employees as designed in the plan document. Employees who have completed one year of service and have attained age 18 are eligible to participate in the Plan. The Recordkeeper of the Plan is JPMorgan Chase N.A., which outsources the Trustee function to Great West Trust Company, LLC (the "Trustee"). The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute to the Plan amounts not less than 1% of compensation, as defined by the Plan, up to a maximum percentage pursuant to the Plan document. Such contributions are excluded from the participant's Federal taxable income until received as a withdrawal or distribution from the Plan. Participants may also contribute amounts representing rollover distributions from other qualified plans. Contributions are subject to certain limitations. A participant may change their contribution percentage daily and may cease contributions at any time.

The Company is not required to make contributions to the Plan. If the Company elects to make contributions, the amount of contributions made by the Company for any given year shall not exceed the maximum amount allowable as a deduction by the Company for Federal income tax purposes. The Company may calculate the discretionary employer contribution based on any or all of the following three methods:

- a. Matching contribution equal to a percentage of a participant's deferred compensation.
- b. Contribution equal to a percentage of a participant's eligible compensation, as defined.
- c. An additional amount determined by the Company.

For the year ended December 31, 2021, the Employer decided to make a matching contribution of 66.6% of each employee's first 6% of deferral contributions to the Plan, up to 4% of compensation. In 2021, the employer matching contributions totaled \$3,210,066. In 2021, the employer was able to utilize \$72,944 of forfeitures to reduce its 2021 contribution made to the Plan in 2022. Additionally, the Company may make discretionary profit sharing contributions and additional qualified non-elective contributions ("QNECs"). For 2021, there were no discretionary profit sharing contributions, QNECs or employer match contributions made to the Plan.

1. Description of the Plan (Continued)

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is charged or credited as applicable with the participant's contribution, the account earnings (losses), an allocation of the Employer's contribution and forfeitures of terminated participants' non-vested accounts and administrative expense. Allocations of employer contributions and forfeitures are based on the participants' eligible compensation or salary deferral. As a participant-directed plan, each participant's investments determine their share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The value of each investment is determined by the Trustee on a daily basis.

Coronavirus Aid, Relief, and Economic Security ("CARES") Act

During 2020, the Plan implemented the distribution and loan relief provisions of the CARES Act which was enacted in March 2020. The provisions enabled participants negatively impacted by COVID-19 to take penalty-free distributions through December 30, 2020, suspend outstanding loan repayments until 2021, increased the maximum loan limits for loans taken as a result of COVID-19 through September 22, 2020 and suspended required minimum distributions for the 2020 calendar year including 2020 payments that would have been required to be made by April 1, 2021 unless otherwise elected.

Vesting

Participants are immediately vested in their contributions, rollovers and QNECs, plus actual earnings thereon. Vesting in employer contributions plus actual earnings thereon is based on years of continuous service. Participants become 100% vested in employer matching contributions after five years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 or more	100%

Upon the participant's attainment of age 65, permanent disability, death, or the termination of the Plan, the participant's account will automatically become 100% vested in employer contributions.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their contributions in 1% increments into various investment options made available by the Employer under the Plan. Participants may change their contribution investment options daily and may transfer part or all of past investments to other funds daily. The Plan offered a self-directed brokerage option through Charles Schwab. This option was for investors who wanted to actively manage a greater choice of investments. Effective August 2, 2021, the Company removed the option to invest in a self-directed account.

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their vested fund account balance a minimum of \$1,000 and up to a maximum equal to the lesser of (a) \$50,000 reduced by the highest outstanding Plan loan balance during the preceding year or (b) one-half of the value of their vested fund account. The maximum payment term allowed for any loan will be five years (unless the loan is for the purchase of a principal residence in which case the term may be longer) with interest fixed at the prime rate (3.25% at December 31, 2021 and 2020) plus 1% at the time of the approval of the loan. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 10.5% and mature at various dates through September 2051. Principal and interest are paid ratably through payroll deductions. Participant loans are valued at their unpaid principal balance plus accrued interest.

Self-Directed Brokerage Accounts

As mentioned above, effective August 2, 2021, the Company removed the option to invest in a self-directed brokerage account. During 2021, substantially all of the self-directed brokerage account assets were transferred to assets maintained by the Trustee. Prior to this, participants could choose to invest a portion of their accounts in investments outside of the Plan's fund lineup. Self-directed brokerage accounts are segregated accounts within the trust fund and are treated for investment purposes as an investment of the account of the participant who has the self-directed brokerage account. Special contribution, loan, distribution, withdrawal and fee allocation rules apply.

Deemed Distributions

Deemed distributions are recorded at the discretion of the Employer when a participant ceases making repayments on a loan from the Plan. These amounts are no longer included in net assets available for benefits. As of December 31, 2021, there was \$141,702 of deemed distributions.

Benefit Payments

Upon termination of service due to death, disability or retirement, as defined in the Plan, participants are generally entitled to a fully vested lump-sum payment of their account balance. For termination of service due to other reasons, participants are entitled to the value of the vested interest in their account as a lump-sum distribution. As of December 31, 2021 and 2020, all employees who elected to withdraw from the Plan had been paid.

Expenses of the Plan

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Certain Plan expenses are deducted from participant accounts, and the remainder of the Plan expenses are generally paid by the Employer.

FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan (Continued)

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. However, if the participant is re-employed and fulfills certain requirements, as defined in the Plan, the participant's account will be reinstated. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$258,431 and \$212,600, respectively. Unused forfeitures may be used to reduce administrative costs of the Plan. Any remaining amounts may then be used to reduce future employer matching contributions.

Hardship and In-Service Withdrawals

Hardship withdrawals by the Plan participants may be made upon written request and approval of the Trustee. If approved, the distribution is limited to the amount necessary to meet the financial need created by the hardship. Participants may not make elective deferrals for six (6) months after receiving a hardship distribution.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for the fully benefit responsive investment in the JPMorgan Stable Asset fund which is stated at contract value (see Note 5). Shares of mutual funds and common stocks are valued at quoted market prices which represent the net asset value ("NAV") of shares/units held by the Plan at year-end. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

2. Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid.

Participant and Employer Contributions

Employer matching contributions are recorded in the period to which they relate. Participant contributions are recorded in the period in which the employer withholds the funds from the participant.

Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were issued, October 14, 2022.

3. Information Certified by the Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust, the Trustee of the Plan, has certified to the completeness and accuracy of:

- Investments, cash and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net appreciation in the fair value of the investments, interest and dividends and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021;
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF DECEMBER 31, 2021 AND 2020 AND

4. Fair Value Measurements

The FASB established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: These accounts may include mutual funds, common stock and exchange-traded funds, all of which are valued at the closing price reported in the active market in which the securities are traded. The short-term investments are mutual funds valued as noted above.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

4. Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

As of December 31, 2021:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 138,520,249	\$ 138,520,249
Self-directed brokerage accounts	<u>2</u>	<u>2</u>
Investments at fair value	<u>\$ 138,520,251</u>	<u>\$ 138,520,251</u>

As of December 31, 2020:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 118,334,944	\$ 118,334,944
Self-directed brokerage accounts	<u>5,832,388</u>	<u>5,832,388</u>
Investments at fair value	<u>\$ 124,167,332</u>	<u>\$ 124,167,332</u>

5. JP Morgan Stable Asset Fund

The JP Morgan Stable Asset Fund (the "Fund") is a collective trust fund with underlying investments in investment contracts that are valued at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Fund seeks to maintain principal value, protect against market price volatility, obtain consistent income return and provide liquidity for benefit payments and withdrawals. The Fund invests primarily in investment contracts issued by insurance companies, banks and other financial institutions, and other instruments authorized by the JPMorgan Chase Stable Value Fund Declaration of Trust. Some alternative investment contracts are managed on an evergreen, or contract duration, basis. An evergreen contract has no predetermined maturity and the asset portfolio is managed to a target duration.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Funds, plus earnings, less participant withdrawals and administrative expenses.

The Fund imposes certain restrictions on the Plan, and the Fund may be subject to circumstances that impact its ability to transact at contract value, as described in the following paragraphs. Fair value of the Fund was \$10,406,853 and \$9,098,215 at December 31, 2021 and 2020, respectively.

5. JP Morgan Stable Asset Fund (Continued)

Limitations on the Ability of the Fund to Transact at Contract Value

Circumstances that impact the Fund - The Fund invests primarily in "wrap" contracts (also known as synthetic Guaranteed Investment Contracts ("GICs")) issued by third parties. The Fund purchases a wrap contract from a high-quality insurance company or bank. The wrap contract amortizes the realized and unrealized gains and losses on the underlying bonds, typically over the duration of the bonds, through adjustments to the future interest crediting rate. The issuer of the wrap contract provides assurance that the adjustments to the interest crediting rate do not result in a future interest rate that is less than zero. An interest crediting rate less than zero would result in a loss of principal or accrued interest.

Participant-directed withdrawals in accordance with the Plan are payable at contract value even if the withdrawal is precipitated by an employer-initiated event, so long as the employee experiences a bona fide job loss. In the event of a spin-off or sale of a division where the employee does not experience a bona fide job loss, the issuer will make a clone contract available to the successor employer's plan.

In the event that the Plan is terminated, there is a material adverse change to the provisions of the Plan, or the employer elects to withdraw from a contract in order to switch to a different investment provider, the amount withdrawn from the contract would be payable at fair value rather than contract value.

6. Exempt Party-In-Interest Transactions

At December 31, 2021, certain plan investments were managed by Reliance Trust and therefore these transactions qualify as party-in-interest transactions. In addition, the Plan provides loans to Plan participants that qualify as exempt party-in-interest transactions. JPMorgan Chase Bank N.A., the Recordkeeper, sponsors funds that the Plan invests in. Administrative expenses paid by the Plan to the Trustee and Recordkeeper during 2021 amounted to \$6,916.

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

8. Tax Status

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a Cash or Deferred Arrangement ("CODA") sponsored by Laiken Associates Inc. which received an opinion letter from the Internal Revenue Service, dated November 30, 2020, as to the Plan's qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and accordingly no provision for income taxes has been included in the Plan's financial statements.

8. Tax Status (Continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan's management does not believe there are any uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to tax examinations for years prior to 2017.
