INDEPENDENT AUDITORS' REPORT

To Estes Express Lines (Plan Administrator)
of Estes West 401(k) Retirement Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of **Estes West 401(k) Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Estes West 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2021 and for the period October 1, 2021 to December 31, 2021, and Vanguard Fiduciary Trust Company as of December 13, 2021 and for the period January 1, 2021 to September 30, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Estes West 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Estes West 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Estes West 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Estes West 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Estes West 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions. Effective October 1, 2021, the Plan was amended to convert the plan from the Vanguard Fiduciary Trust Company Prototype Non-Standardized Safe Harbor Profit Sharing Plan with CODA to the Fidelity Management Trust Company Non-Standardized Pre-Approved Profit-Sharing Plan with CODA.

a. General

The Plan is a defined contribution plan covering eligible employees of by G.I. Trucking Company dba Estes West (the Company). Eligible employees may elect to enter the Plan and begin making elective deferrals, on the first day of each month of the plan year, after they have completed 60 days of service with the Company and attained the age of 18. Eligible employees may receive matching and profit-sharing contributions, beginning on the first day of the plan year and the first day of the seventh month of the plan year, after they have performed six months of service for the Company and attained the age of 18.

Eligible employees include all common law employees of the Company that are not specifically excluded by the Plan. The Plan excludes employees covered by a collective bargaining agreement that does not provide for participation in the Plan, employees living and working in Puerto Rico, nonresident aliens who receive no earned income from the company within the United States, leased employees, independent contractors, and employees identified in certain other classes as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

The Plan permits the following types of contributions.

Elective Deferrals. Participants may elect to have the Company reduce their compensation by an amount equal to a percentage of the Participant's compensation, not to exceed limits (\$19,500 in 2021) established by Internal Revenue Service (IRS) code and not to exceed 75% of their compensation, which is otherwise payable to the participant during the plan year. The election is made by entering into a salary reduction agreement with the Company authorizing elective deferrals. The Company will then contribute the elective deferrals to the Plan on each participant's behalf.

Catch-up Contributions. Participants, age 50 or older at any time during the calendar year, may make additional elective deferrals, called catch-up contributions (\$6,500 in 2021), in excess of the elective deferral limits as determined by IRS regulations.

Matching Contributions. Employer discretionary matching contributions are determined annually by the Company. For 2021, the Company made discretionary matching contributions equal to 50% of the first 7% of the individual participant's compensation contributed to the plan.

Profit Sharing Contributions. The Plan permits the Company to make additional profit sharing contributions to the Plan. However, these contributions are at the Company's sole discretion and not guaranteed from year to year. No profit sharing contributions were made for the year ended December 31, 2021.

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

b. Contributions (continued)

Rollover and Transfer Contributions. The Plan allows participants to rollover and transfer certain amounts held under other qualified retirement plans or individual retirement accounts to this Plan.

c. Vesting

Participants are always 100% vested in their elective deferrals, rollover contributions, transfer contributions and catch-up contributions.

Company matching and profit sharing contributions will become vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

If a participant reaches normal retirement age (age 65), becomes permanently disabled, or dies while still employed by the Company, he/she will automatically become fully vested in all contributions, regardless of his/her years of service.

d. Forfeited Accounts

The nonvested portion of terminated participant account balances are retained by the Plan. The Plan may use forfeitures for the payment of administration expenses. Any remaining forfeited amounts under the Plan may be used towards profit sharing or matching contributions. Unallocated forfeitures as of December 31, 2021 and 2020 were \$85,774 and \$42,526, respectively. Amounts forfeited, net of reinstatements, in 2021 were \$101,111 and 2021 employer discretionary matching contributions were reduced by \$60,000 from forfeited amounts.

e. Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

f. Investment Options

Each participant is entitled to direct the trustee of the Plan as to how to invest his/her account. The plan administrator has selected a number of different funds in which a participant may invest his/her account. The plan administrator may add to or reduce the number and type of investment funds that will be available for investment. Participants initially complete an election form and return it to the trustee to begin directing the investment of their account.

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

f. Investment Options (continued)

Subsequent changes of investment direction may be made daily by calling the trustee or by visiting the trustee's website. Changes will be effective for subsequent payroll periods. If a participant does not direct the investment of their account, the account will automatically be invested by the trustee in the BlackRock LifePath Index Fund available in the plan that has a target retirement date closest to the year the participant might retire and assumes a retirement age of 65.

g. Participant Notes Receivable

Participants may request a loan from the nonforfeitable portion of their individual account. The maximum loan is the lesser of \$50,000 or 50% of the present value of the nonforfeitable individual account held under the Plan for that participant. The maximum term of the loan is five years except for loans used to acquire principal residences, for which participants may select any repayment period up to ten years. Repayment is made by a deduction from the participant's paycheck and will be invested in accordance with current investment elections.

h. Payment of Benefits

A participant's vested account will be paid to them or their beneficiary in a single lump sum payment as soon as administratively possible after the date on which the participant retires, dies, becomes disabled, or otherwise terminates employment, subject to any requirement that they consent to a distribution of their account. Distributions of rollover and transfer contributions can be requested at any time. While still employed, distributions of pre-tax deferrals and matching and profit-sharing contributions are allowed upon request by participants who are over age 59 1/2.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value.

b. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income on notes receivable from participants is recorded when received. Other interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in investment income. Net appreciation or depreciation includes the gains and losses on investments purchased and sold as well as held during the year.

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

b. Investment Valuation and Income Recognition (continued)

The Plan's investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. In addition, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

c. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

d. Expenses

The Plan allows for appropriate administrative expenses for investment advisory, loan processing, and recordkeeping to be paid from the assets of the Plan. Currently, only those expenses of the trustee are being paid by the Plan. Certain legal and accounting fees and other expenses are paid by the Company (see Note 6).

e. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

f. Payment of Benefits

Benefits are recorded when paid.

g. Subsequent Events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

Note 4 – Fair Value Measurements

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Collective investment trusts: Valued at the NAV of units of a collective trust. The NAV is used as a practical expedient to estimated fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

Gains and losses (realized and unrealized), included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

		Fair Value Measurements at Reporting Date Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

<u>Total Investments at Fair Value</u>	\$ <u>114,942,440</u>			

* In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>

Funds held by Wilmington Trust, N.A.	\$31,635,465	n/a	Daily	5 business days for withdrawals which exceed \$1M or 10% of assets
Funds held by BlackRock	\$41,247,042	n/a	Daily	3 business days
<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective Investment Trust Funds				
Vanguard Retirement Savings Fund	\$15,425,305	n/a	Daily	12 months

NOTE 5 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right to terminate the Plan at any time. In the event of Plan termination, participants will become 100% vested in their accounts. Should the Plan terminate at some future time, its net assets will be paid to the participants or their beneficiaries in a lump sum as soon as practicable after the termination.

NOTE 6 - TRANSACTIONS WITH PARTIES IN INTEREST

Certain legal, accounting and administration fees are paid by the Company. Expenses paid by the Company, other than for employee services, amounted to approximately \$38,424 for 2021. The Plan paid Strategic Advisors, Inc. \$6,498 for advisory services and Fidelity Investments Institutional \$3,013 for recordkeeping services during 2021. Other than as described above or pursuant to a certain trust agreement with Vanguard Fiduciary Trust Company, the Plan has had no agreements or transactions with any parties in interest.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - TAX STATUS

The IRS has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Plan management has determined that the Plan does not have any uncertain income tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures.

NOTE 8 - FORM 5500 REPORTING

The Plan's Form 5500 reports as an expense, participant loans that have been deemed distributed during the year under the provisions of Code section 72(p) and Treasury Regulation section 1.72(p)-1. Once participant loans have been deemed distributed, they are no longer included as an asset on the Plan's Form 5500. Deemed distributions of participant loans are not considered for financial statement reporting purposes.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 135,606,845	\$ 120,231,470
Deemed distributions of participant loans	<u>(597,115)</u>	<u>(580,566)</u>

INDEPENDENT AUDITORS' REPORT

To Estes Express Lines (Plan Administrator)
of Estes West 401(k) Retirement Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of **Estes West 401(k) Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Estes West 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2021 and for the period October 1, 2021 to December 31, 2021, and Vanguard Fiduciary Trust Company as of December 13, 2021 and for the period January 1, 2021 to September 30, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Estes West 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Estes West 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Estes West 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Estes West 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Estes West 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions. Effective October 1, 2021, the Plan was amended to convert the plan from the Vanguard Fiduciary Trust Company Prototype Non-Standardized Safe Harbor Profit Sharing Plan with CODA to the Fidelity Management Trust Company Non-Standardized Pre-Approved Profit-Sharing Plan with CODA.

a. General

The Plan is a defined contribution plan covering eligible employees of by G.I. Trucking Company dba Estes West (the Company). Eligible employees may elect to enter the Plan and begin making elective deferrals, on the first day of each month of the plan year, after they have completed 60 days of service with the Company and attained the age of 18. Eligible employees may receive matching and profit-sharing contributions, beginning on the first day of the plan year and the first day of the seventh month of the plan year, after they have performed six months of service for the Company and attained the age of 18.

Eligible employees include all common law employees of the Company that are not specifically excluded by the Plan. The Plan excludes employees covered by a collective bargaining agreement that does not provide for participation in the Plan, employees living and working in Puerto Rico, nonresident aliens who receive no earned income from the company within the United States, leased employees, independent contractors, and employees identified in certain other classes as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

The Plan permits the following types of contributions.

Elective Deferrals. Participants may elect to have the Company reduce their compensation by an amount equal to a percentage of the Participant's compensation, not to exceed limits (\$19,500 in 2021) established by Internal Revenue Service (IRS) code and not to exceed 75% of their compensation, which is otherwise payable to the participant during the plan year. The election is made by entering into a salary reduction agreement with the Company authorizing elective deferrals. The Company will then contribute the elective deferrals to the Plan on each participant's behalf.

Catch-up Contributions. Participants, age 50 or older at any time during the calendar year, may make additional elective deferrals, called catch-up contributions (\$6,500 in 2021), in excess of the elective deferral limits as determined by IRS regulations.

Matching Contributions. Employer discretionary matching contributions are determined annually by the Company. For 2021, the Company made discretionary matching contributions equal to 50% of the first 7% of the individual participant's compensation contributed to the plan.

Profit Sharing Contributions. The Plan permits the Company to make additional profit sharing contributions to the Plan. However, these contributions are at the Company's sole discretion and not guaranteed from year to year. No profit sharing contributions were made for the year ended December 31, 2021.

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

b. Contributions (continued)

Rollover and Transfer Contributions. The Plan allows participants to rollover and transfer certain amounts held under other qualified retirement plans or individual retirement accounts to this Plan.

c. Vesting

Participants are always 100% vested in their elective deferrals, rollover contributions, transfer contributions and catch-up contributions.

Company matching and profit sharing contributions will become vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

If a participant reaches normal retirement age (age 65), becomes permanently disabled, or dies while still employed by the Company, he/she will automatically become fully vested in all contributions, regardless of his/her years of service.

d. Forfeited Accounts

The nonvested portion of terminated participant account balances are retained by the Plan. The Plan may use forfeitures for the payment of administration expenses. Any remaining forfeited amounts under the Plan may be used towards profit sharing or matching contributions. Unallocated forfeitures as of December 31, 2021 and 2020 were \$85,774 and \$42,526, respectively. Amounts forfeited, net of reinstatements, in 2021 were \$101,111 and 2021 employer discretionary matching contributions were reduced by \$60,000 from forfeited amounts.

e. Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

f. Investment Options

Each participant is entitled to direct the trustee of the Plan as to how to invest his/her account. The plan administrator has selected a number of different funds in which a participant may invest his/her account. The plan administrator may add to or reduce the number and type of investment funds that will be available for investment. Participants initially complete an election form and return it to the trustee to begin directing the investment of their account.

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

f. Investment Options (continued)

Subsequent changes of investment direction may be made daily by calling the trustee or by visiting the trustee's website. Changes will be effective for subsequent payroll periods. If a participant does not direct the investment of their account, the account will automatically be invested by the trustee in the BlackRock LifePath Index Fund available in the plan that has a target retirement date closest to the year the participant might retire and assumes a retirement age of 65.

g. Participant Notes Receivable

Participants may request a loan from the nonforfeitable portion of their individual account. The maximum loan is the lesser of \$50,000 or 50% of the present value of the nonforfeitable individual account held under the Plan for that participant. The maximum term of the loan is five years except for loans used to acquire principal residences, for which participants may select any repayment period up to ten years. Repayment is made by a deduction from the participant's paycheck and will be invested in accordance with current investment elections.

h. Payment of Benefits

A participant's vested account will be paid to them or their beneficiary in a single lump sum payment as soon as administratively possible after the date on which the participant retires, dies, becomes disabled, or otherwise terminates employment, subject to any requirement that they consent to a distribution of their account. Distributions of rollover and transfer contributions can be requested at any time. While still employed, distributions of pre-tax deferrals and matching and profit-sharing contributions are allowed upon request by participants who are over age 59 1/2.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value.

b. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income on notes receivable from participants is recorded when received. Other interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in investment income. Net appreciation or depreciation includes the gains and losses on investments purchased and sold as well as held during the year.

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

b. Investment Valuation and Income Recognition (continued)

The Plan's investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. In addition, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

c. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

d. Expenses

The Plan allows for appropriate administrative expenses for investment advisory, loan processing, and recordkeeping to be paid from the assets of the Plan. Currently, only those expenses of the trustee are being paid by the Plan. Certain legal and accounting fees and other expenses are paid by the Company (see Note 6).

e. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

f. Payment of Benefits

Benefits are recorded when paid.

g. Subsequent Events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

Note 4 – Fair Value Measurements

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Collective investment trusts: Valued at the NAV of units of a collective trust. The NAV is used as a practical expedient to estimated fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

Gains and losses (realized and unrealized), included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

ESTES WEST 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

		Fair Value Measurements at Reporting Date Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

* In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right to terminate the Plan at any time. In the event of Plan termination, participants will become 100% vested in their accounts. Should the Plan terminate at some future time, its net assets will be paid to the participants or their beneficiaries in a lump sum as soon as practicable after the termination.

NOTE 6 - TRANSACTIONS WITH PARTIES IN INTEREST

Certain legal, accounting and administration fees are paid by the Company. Expenses paid by the Company, other than for employee services, amounted to approximately \$38,424 for 2021. The Plan paid Strategic Advisors, Inc. \$6,498 for advisory services and Fidelity Investments Institutional \$3,013 for recordkeeping services during 2021. Other than as described above or pursuant to a certain trust agreement with Vanguard Fiduciary Trust Company, the Plan has had no agreements or transactions with any parties in interest.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - TAX STATUS

The IRS has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Plan management has determined that the Plan does not have any uncertain income tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures.

NOTE 8 - FORM 5500 REPORTING

The Plan's Form 5500 reports as an expense, participant loans that have been deemed distributed during the year under the provisions of Code section 72(p) and Treasury Regulation section 1.72(p)-1. Once participant loans have been deemed distributed, they are no longer included as an asset on the Plan's Form 5500. Deemed distributions of participant loans are not considered for financial statement reporting purposes.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 135,606,845	\$ 120,231,470
