Independent Auditors' Report

To the Plan Administrators and Trustees of
FORT MYER CONSTRUCTION CORPORATION 401(K) PLAN
Washington, D.C.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the December 31, 2021 Financial Statements

We have performed an audit of the financial statements of Fort Myer Construction Corporation 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the three-month period ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the three month period ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the December 31, 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section,

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material aspects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying December 31, 2021 financial statements related to assets held by and certified to by qualified institutions agree to, or are derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the December 31, 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Fort Myer Construction Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fort Myer Construction Corporation 401(k) Plan's ability to continue as a going concern within one year of the date of issue of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the December 31, 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fort Myer Construction Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fort Myer Construction Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the December 31, 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting Principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at December 31, 2021 and Delinquent Participant Contributions for the three-month period ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' report on the September 30, 2021 Year Ended Financial Statements

We were engaged to audit the September 30, 2021 year ended financial statements of Fort Myer Construction Corporation 401(K) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the September 30, 2021 year ended financial statements, and (b) the form and content of the information included in the September 30, 2021 year ended financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FORT MYER CONSTRUCTION CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Three months ended December 31, 2021 and year ended September 30, 2021

NOTE 1. DESCRIPTION OF PLAN

The following brief description of the FORT MYER CONSTRUCTION CORPORATION 401(K) PLAN provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The plan is a defined contribution plan covering all full-time employees of the Company who have completed one year of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors oversees governance of the Plan. The Plan's Investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors. The participant accounts are self-directed and participants may invest in any of the designated investment funds. Normal retirement is age 65.

Plan Amended and Restated: The plan was amended and restated effective October 1, 2021. The amendment included changes to allow for an annual true up of matching contributions.

Contributions: Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other plans as rollover contributions. The Plan currently offers various mutual funds, common stocks, bonds, government securities, and an insurance investment contract as investment options for participants. Contributions are automatically invested in a designated balanced fund until changed by the participant. Contributions are subject to certain statutory limitations. Participants may also contribute after-tax earnings as a Roth contribution beginning February 1, 2020. The employer sponsor will match an amount up to 100% of a participant's contributions not to exceed a maximum of 2% of the participant's compensation, as defined in the plan. The plan allocates earnings daily to all contribution types. The employer sponsor also makes prevailing wage contributions to the plan. The amount of these contributions varies by job, hours worked on a job and the participant depending upon the contract terms.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Company's matching and prevailing wage contributions and allocations of the Plan earnings (losses). Participant accounts are charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings, investment selections or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FORT MYER CONSTRUCTION CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Three months ended December 31, 2021 and year ended September 30, 2021

NOTE 1. DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their contributions made through elective deferrals, in prevailing wage contributions and the related actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over several years. For termination of service due to other reasons, a participant may receive the value of their vested account balance as a lump-sum distribution.

Forfeited Accounts: At December 31, 2021 and September 30, 2021, forfeited non-vested accounts totaled \$17,809 and \$10,385, respectively. These amounts will be used to reduce future employer contributions or plan fees. Employer contributions were reduced by \$36,989 from forfeited nonvested accounts in the year ended September 30, 2021. No forfeitures were used toward employer contributions in the three months ended December 31, 2021.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting policies which affect significant aspects of the Plan's financial statements are summarized herein. These policies have been consistently applied.

Basis of Accounting

The financial statements of the plan are on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of the financial statements, in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires plan administrator management to make certain estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)Plan Administration and Certification

In early 2021 Wells Fargo Institutional Retirement and Trust, was sold to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust. Effective April 16, 2021 the plan's accounting was transferred. The plan sponsor has engaged Principal Trust to administer, manage, report, as well as execute all of the transactions of the plan. The Trust Company provides certification of investment assets, transactions, income and the schedules of investments and reportable transactions for all of the plan period ended December 31, 2021 and the year ended September 30, 2021. The plan sponsor hires an independent consultant to assist in management of the plan.

Plan year end change

Effective October 1, 2022 the plan's sponsor elected to change the plan year end to be December 31 creating the short three month reporting period ended December 31, 2021.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Increases or decreases in the market value of investments are recognized in the year of the change as appreciation (depreciation) of investments.

Investments in common collective trusts, have been unitized by the Principal Funds Inc, Wilmington Trust. They are valued daily for participant account reporting based upon the unitized amount of each fund.

Three months ended December 31, 2021 and year ended September 30, 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 September 30, 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

There were no excess contributions for the period ended December 31, 2021 and year ended September 30, 2021.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account. The plan's cost of the annual audit is being paid from plan assets.

Reclassification

Certain reclassifications have been made to the September 30, 2021 financial statements to conform to the classifications used in the December 31, 2021 financial statements.

Subsequent Events

Subsequent events were evaluated through October 14, 2022, which is the date the financial statements were available to be issued. Nothing came to the plan administrator's attention that would require additional disclosure beyond what is disclosed in footnote 14.

NOTE 3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- | | |
|---------|--|
| Level 1 | Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. |
| Level 2 | Inputs consist of observable inputs other than quoted prices for identical assets (Level 1). |
| Level 3 | Inputs are unobservable and have the lowest priority. |

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

All of the investments in common/collective trusts have been valued based on the underlying asset values less the applicable fees. Those investments are valued daily based upon a formula applied to the closing fair market value of unitized shares. Accordingly, investments in common/collective trusts are valued using Level 2 inputs.

Gains and losses included in changes in net assets available for benefits for the three month period ended December 31, 2021 and year ended September 30, 2021, are reported in net appreciation in fair value of investments. The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the period ended December 31, 2021 and year ended September 30, 2021, there were no transfers of investments into or out of Level 3.

FORT MYER CONSTRUCTION CORPORATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Three months ended December 31, 2021 and year ended September 30, 2021

NOTE 5. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2021, the Plan entered into a traditional fully benefit-responsive guaranteed interest contract with the Principal Trust Company. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal Group, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and September 30, 2021 is \$5,173,140 and \$4,945,098, respectively.

Certain events may limit the Plan's ability to transact at contract value with Principal however, the Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6. NOTES RECEIVABLE FROM PARTICIPANTS

The plan provides for participant loans up to 50% of the vested account balance, not to exceed \$50,000, reduced by the excess over the current balance of the highest balance in the last 12 months. The loans are secured by the participant's vested account balance and bear interest at the Wells Fargo Bank, N.A. prime lending rate plus 1%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions. The term of a loan may not exceed five years, except when used to purchase a participant's personal residence. There were no loans in default or uncollectible as of December 31, 2021 and September 30, 2021.

NOTES TO FINANCIAL STATEMENTS

Three months ended December 31, 2021 and year ended September 30, 2021

NOTE 7. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Group and Wells Fargo Bank, N.A. in the prior year. Principal Group and Wells Fargo Bank, N.A. are the trustees as designated by the Plan and, therefore, these transactions qualify as related party and party-in-interest transactions. Fees paid by the Plan for the investment and management services amounted to \$12,627 and \$57,795 for the period ended December 31, 2021 and year ended September 30, 2021, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9. TAX STATUS

The plan name is FORT MYER CONSTRUCTION CORPORATION 401(K) PLAN. The sponsor's Federal Identification Number is 54-0956585. The trust's Federal Identification Number is 54-1000964. The sponsor's original retirement plan was adopted from its predecessor and was established effective October 1, 1972. The plan number is 002. The trustee and custodial bank at period ended December 31, 2021 and September 30, 2021 was Principal Group.

The sponsor adopted the prototype plan of the trustee bank, which received a favorable determination from the Internal Revenue Service on March 31, 2014. Although the plan has been amended since then, the plan administrator and tax counsel believe the plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe the Plan is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

Three months ended December 31, 2021 and year ended September 30, 2021

NOTE 9. TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Company has three prior years' tax returns which remain open to tax examination by federal and state taxing jurisdictions. They are for the return years ended September 30, 2021, 2020 and 2019.

NOTE 10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11. BENEFITS

During the period ended December 31, 2021 and year ended September 30, the Plan made benefit payments as follows:

	December 31, 2021	September 30, 2021
payments	\$ 251,534	\$ 1,656,183
Deemed distributions	-	6,572
	<u>\$ 251,534</u>	<u>\$ 1,662,755</u>

Required minimum distributions were not made in 2020 due to the Coronavirus Aid, Relief and Security Act (CARES) which temporarily removed the requirements due to the pandemic.

NOTE 13. COMMITMENTS AND CONTINGENCIESCOVID-19

The Covid-19 pandemic in 2021 has had an extensive impact on the economy with many governments issuing stay-at-home orders. This may have a negative impact on the Plan, the magnitude of which is uncertain.

NOTE 14. SUBSEQUENT EVENTSVoluntary Fiduciary Correction Program

The plan sponsor is entering into a voluntary fiduciary correction program (VFCP) due to recently discovered late deposits of employee contributions to the plan for the three month period ended December 31, 2021 and the year ended September 30, 2021.
