## INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants,  
ARARAT HOME RETIREMENT PLAN:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Ararat Home Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules ("DOL") and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Ararat Home Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ararat Home Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ararat Home Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ararat Home Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedule Required by ERISA*

The supplemental schedule, schedule H, line 4i – schedule of assets (held at end of year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

The 2020 financial statements of Ararat Home Retirement Plan were audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor, Martini Partners, LLP, not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**ARARAT HOME RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2021 and 2020**

---

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of the Ararat Home Retirement plan (“the plan”) provides only general information. Participants should refer to the plan document for a more complete description of the plan’s provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Ararat Home of Los Angeles, Inc. (the “Home”) who are age 21 or older. The eligibility period requires that an employee provide at least 1,000 hours of service in any consecutive twelve-month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Participant Accounts**

Each participant’s account is credited with the participant’s contributions, allocations of the Organization’s contributions, Plan earnings, and administrative expenses paid by the Plan. Allocations are based on the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Plan Administration**

The Employer is the Plan administrator. The plan administrator is responsible for oversight of the Plan and has the authority to appoint person(s) or entities to carry out the operation of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

**Contributions**

The Plan permits employees to make pre-tax (regular and catch-up) contributions up to the maximum dollar amount allowed under the Plan subject to Internal Revenue Code Limitations. Participants may also make rollover contributions from other qualified Plans. The Organization may elect each Plan year to make discretionary matching contributions to the Plan. To be eligible for the discretionary matching contributions, an employee must have completed 1 year of service. Matching contributions are typically paid on each pay date with employee contributions.

**Benefit Payments**

A participant may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability, financial hardship or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account or a portion of the total vested balance at the participant’s discretion. If a participant makes no distribution election upon termination of employment, and the vested account balance does not exceed \$5,000, the participant will receive an automatic single lump-sum payout.

**Vesting**

Participants are immediately 100% vested in their voluntary contributions and rollover contributions plus accumulated earnings thereon. Vesting in the Home matching contributions plus accumulated earnings is based on years of continuous service. A participant is 100% vested after 3-years of service.

**Forfeited Accounts**

Forfeited balances of terminated participants’ non-vested accounts are used to reduce future Company contributions or to pay administrative expenses of the Plan. There were no forfeited non-vested accounts at December 31, 2021 and 2020. During 2021 and 2020, the Company used all of their forfeited non-vested accounts which amounted to \$124 and \$417, respectively, to reduce the Company discretionary matching contributions.

**NOTE 1 – DESCRIPTION OF THE PLAN (continued)**

**Notes Receivable From Participants**

Participants may borrow up to a maximum of \$50,000 or 50% of the vested portion of their account balance, whichever is less. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the loan amount will become a deemed distribution. However, the participant's account will not be reduced until a distributable event occurs under the terms of the Plan. The notes are secured by the balance in the respective participant's account and bear interest at rates that range from 5.25% to 7.25%, which were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

**Investment Options**

Participants direct both employee deferrals and employer contributions to be invested in various investment options as made available and determined by the plan administrator, which are more fully described in the Plan literature.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

**Terminated and Defaulted Notes**

Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. Notes with any scheduled repayment that remain unpaid as of the last business day of the calendar quarter following the calendar quarter in which repayment was due, or with an outstanding principal balance existing after the last scheduled repayment date, are in default.

**Investment Valuation and Income Recognition**

The Plan's investments, excluding the group annuity contract, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net increase in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for participant loans and benefit payments, if any, are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Payment of Benefits**

Benefits to participants are recorded when paid.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Examples of these Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - These inputs into the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liabilities' fair value measurement level within the fair value hierarchy is based on the most observable level of any input that is significant to the fair value measurement. The valuation techniques used by the Plan maximized the use of observable inputs and minimized the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Notes to Financial Statements**  
**December 31, 2021 and 2020**

---

**NOTE 3 – FAIR VALUE MEASUREMENTS (continued)**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at December 31, 2021 and 2020. In accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Update (“ASU”) 2015-07, Fair Value Measurement, the Plan’s investments in guaranteed interest accounts and guaranteed interest contract during 2021 are exempted from categorization within the fair value hierarchy. Accordingly, these investments were not included in the fair value hierarchy table below.

Changes in economic conditions or valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2021, and 2020, there were no transfers in or out of levels 1, 2 or 3

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value at December 31, 2021 and 2020:

| 2021         |              |         |         |              |
|--------------|--------------|---------|---------|--------------|
|              | Level 1      | Level 2 | Level 3 | Total        |
| Mutual Funds | \$ 4,206,075 | \$ -    | \$ -    | \$ 4,206,075 |
| 2020         |              |         |         |              |
|              | Level 1      | Level 2 | Level 3 | Total        |
| Mutual Funds | \$ 3,481,043 | \$ -    | \$ -    | \$ 3,481,043 |

**NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)**

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by Reliance Trust or Variable Annuity Life Insurance Company (VALIC) (the “trustee”), except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2021 and 2020. Accordingly, the trustee of the Plan assets has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021, and 2020 as well as the supplemental schedule of assets (held at end of year) as of December 31, 2021.
- Net appreciation in fair value of investments, dividends, interest income on notes receivable from participants and other (loss) reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.

**ARARAT HOME RETIREMENT PLAN**

**NOTE 5 – RELATED PARTY TRANSACTIONS**

Certain Plan investments are managed by Reliance Trust or VALIC. Reliance Trust and VALIC are the trustees and record keepers as defined in the plan, and therefore, these transactions qualify as exempt party-in-interest transactions. Management fees paid by the plan to Reliance Trust or VALIC for the year ended 2021 is nominal. Additionally, the Plan has notes receivable from participants which are considered party-in-interest transactions.

**NOTE 6 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants will become 100% vested in their employer contributions

**NOTE 7 –INCOME TAX STATUS**

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated March 31, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code of 1983, as amended (“IRC”). The terms of the Plan have been prepared to confirm with the sample language provided by the Internal Revenue Service (“IRS”) in Revenue Procedures 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). The Plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC and, as such, is exempt from Federal income taxes.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or assets) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the accompanying statements of net assets available for benefits.

**NOTE 9 – SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

**NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The Annual Return / Report of Employee Benefit Plan (the “Form 5500”) is prepared on the modified cash basis of accounting. Accordingly, certain balances included on Schedule H (Part I and II) of the Form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follows:

|                                                                | <u><b>2021</b></u>         | <u><b>2020</b></u>         |

**Notes to Financial Statements**  
**December 31, 2021 and 2020**

**NOTE 11 – GUARANTEED INTEREST ACCOUNTS WITH INSURANCE COMPANY**

The Plan has benefit-responsive investment contracts with VALIC, and Empower Retirement related to the Plan's investments in the VALIC Fixed Account Plus, VALIC Short-Term Fixed Account and the Empower Retirement Capital Preservation Fund. These accounts are part of the respective insurance company's general assets. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

These contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully-benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract values, as reported by VALIC and Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events limit the ability of the Plan to transact at contract value with the insurance carrier. Such events include the following: (1) Organization influenced group termination (e.g., layoffs, sale of a division) which will be considered a partial discontinuance and will be subject to the discontinuance provisions of the group annuity contract, (2) the Plan is changed so as to significantly affect the insurance carrier's obligation under the contract, (3) the contract can no longer be treated as a pension plan contract, as determined under the provisions of the Internal Revenue Code, (4) the Plan is terminated, (5) the contract-holder fails to comply with the requirements under the contract, (6) the contract-holder, except by unintentional omission, fails to give the insurance carrier the information needed under the contract, (7) the contract-holder, except by unintentional omission, fails to furnish the insurance carrier with a copy of any amendments to the Plan or annual report records, and (8) the sum of the contract value at any time is less than a certain minimum amount, as defined. The Organization does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed interest account contracts may be terminated by VALIC, or Empower Retirement upon Plan's establishment, activation, or material change to any Plan investment fund that VALIC or Empower Retirement determines will prevent its ability to continue to operate the contract under the current terms. Termination of a guaranteed interest contract by VALIC or Empower Retirement may result in the settlement of the outstanding balance at an amount that differs from contract value.
