To the Administrative Committee of the
American Truettzschler, Inc.
Profit Sharing and Retirement Savings Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the
2021 Financial Statements**

We have performed an audit of the accompanying financial statements of American Truettzschler, Inc. Profit Sharing and Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Truetzschler, Inc. Profit Sharing and Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Truetzschler, Inc. Profit Sharing and Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument; including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Company Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at the End of the Year and Delinquent Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by

the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion--

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C).

To the Administrative Committee of the
American Truettzschler, Inc.
Profit Sharing and Retirement Savings Plan:

We were engaged to audit the accompanying statement of net assets available for benefits of American Truettzschler, Inc. Profit Sharing and Retirement Savings Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note X, which was certified by ABC Bank, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement.

Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 20X1 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

AMERICAN TRUETZSCHLER, INC.
PROFIT SHARING AND RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN:

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. General - The Plan is commonly known as an Internal Revenue Code Section 401(k) profit sharing plan intended to conform to and qualify under Section 401 and Section 501 of the Internal Revenue Code, as amended. The Plan covers all employees who have completed the length of service requirement, as defined. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Investment Committee determines the appropriateness of the Plan's investments offerings, monitors investment performance, and reports to the Board of Trustees.
- B. Sponsor Contributions - Each year, the Plan sponsor's Board of Directors determines the amount, if any, of the profit-sharing contribution to the Plan. The contribution cannot be greater than 15% of the total compensation of all the Plan participants, as defined. In addition, the Plan sponsor has elected to contribute 50% of base compensation that a participant contributes to the Plan.
- C. Employee Pre-Tax Contributions - All participants may make tax deferred cost contributions of up to 100% of total compensation, as defined, subject to statutory limitations. Participants over age 50 may defer an additional amount each year to the Plan as defined which are deemed "catch-up contributions."
- D. Forfeited Accounts - Forfeited, non-vested participant accounts are reallocated to remaining participants for the Plan year immediately following the Plan year in which the forfeiture occurs.
- E. Participant Accounts - Each participant's account is credited with the participants' contributions and allocation of the Sponsor's contributions and Plan earnings. Profit sharing allocations are based on a ratio of the participants' compensation to the total of all participants' compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.
- F. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsor's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

AMERICAN TRUETZSCHLER, INC.
PROFIT SHARING AND RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN: (CONTINUED)

- G. Payment of Benefits - On termination of service, due to death, disability, retirement, or termination, participants generally receive the value of their benefits in one lump sum payment. Hardship distributions are permitted in the Plan subject to certain conditions as defined by the Plan.
- H. Operating Expenses - The sponsor generally pays most of the costs of Plan administration including legal, audit and record keeping expenses. However, trustee expenses are paid by the Plan directly.
- I. Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expense when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.
- J. Eligibility - Eligibility within the plan begins immediately upon employment.

2. SUMMARY OF ACCOUNTING POLICIES:

- A. Basis of Presentation - The financial statements have been prepared in compliance with Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- B. Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting under principles generally accepted in the United States of America.
- C. Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

PROFIT SHARING AND RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF ACCOUNTING POLICIES: (CONTINUED)

Participant notes receivable are valued at their outstanding balances, including accrued interest, which approximates fair value.

- D. Payment of Benefits - Benefits are recorded when paid.
- E. Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- F. Fair Value Measurements - The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of quoted market prices in active markets for identical assets or liabilities. An active market for the asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.
- Level 2 input consist of observable market-based inputs or unobservable inputs that are corroborated by market data, such as quoted prices for similar assets or liabilities or model-derived valuations.
- Level 3 inputs consist of unobservable inputs that are not corroborated by market data. These inputs reflect a company's own assumptions a market participant would use in pricing the asset or liability.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at the end of the year, a level 1 input. The fair value of common and collective trusts is based on significant other observable inputs, a level 2 input. The Plan did not rely on level 3 inputs.

3. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit as follows:

		Fair Value Measurements Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
	<u>Fair Value</u>		
<u>December 31, 2021</u>

Total assets at fair value	<u>\$14,213,176</u>	<u>\$4,880,535</u>	<u>\$9,332,641</u>
<u>December 31, 2020</u>			
Mutual funds	\$5,074,312	\$5,074,312	\$ -
Common and collective trusts	<u>7,344,373</u>	<u>-</u>	<u>7,344,373</u>
Total assets at fair value	<u>\$12,418,685</u>	<u>\$5,074,312</u>	<u>\$7,344,373</u>

4. INVESTMENTS:

Principal Life Insurance Company is the Plan trustee, and as such, executes the Plan's transactions and holds the Plan's assets. The information presented in the accompanying financial statements and supplemental schedule was prepared by Principal and presented to the Plan's administrator together with a certification that such information is complete and accurate. Consequently, the Plan administrator has elected to limit the scope of the accountants' examination and opinion as permitted by Section 2520.103.8 of the Department of Labor's Rules and Regulations Income Security Act of 1974 (ERISA).

AMERICAN TRUETZSCHLER, INC.
PROFIT SHARING AND RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

5. RELATED PARTY TRANSACTIONS:

The Plan's participant loans are managed by Principal Life Insurance Company. Principal Life Insurance Company is the trustee as defined by the Plan and therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the transactions with participant loans amounted to \$1,733 for the year ended December 31, 2021.

This party-in-interest transaction is exempt from the prohibited transaction rules of ERISA.

6. PLAN TERMINATION POLICY:

Although it has not expressed any intent to do so, the Plan sponsor has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

7. INCOME TAX STATUS:

The Plan has adopted the Wells Fargo Bank Institutional Retirement and Trust (IRT), Prototype Defined Contribution Master Plan and Trust Agreement. The Wells Fargo IRT was acquired by Principal Life Insurance Company. The Plan has placed reliance on the Wells Fargo IRT Prototype Plan and Trust's IRS determination letter most recently obtained on March 31, 2014. Although the Plan has been amended since, and was restated effective January 1, 2016, since receiving the determination letter, the Plan administrator and the Plan's tax council believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Subsequent to the year ended December 31, 2021, the Plan has adopted the Principal Life Insurance Company prototype plan.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. PROHIBITED TRANSACTIONS:

During 2021, the Plan Sponsor remitted participant contributions, including participant loan payments, for employees paid weekly at the end of each month, rather than at the earliest date that the funds could have been reasonably segregated from the Plan Sponsor's general assets, due to a misunderstanding of the Department of Labor's rules and regulations. The Plan Sponsor began remitting contributions and loan payments in compliance beginning in September of 2021. The deemed delinquent contributions which were paid at the end of each month amounted were approximately \$501,451 in 2021 and all deemed late contributions for 2021 were remitted in 2021. This issue will be included in the Plan Sponsor's forthcoming Voluntary Fiduciary Correction Program submission.

10. SUBSEQUENT EVENTS:

Subsequent events were evaluated through October 17, 2022, which is the date the financial statements were available to be issued.
