INDEPENDENT AUDITOR'S REPORT

Plan Administrator
MAG Savings Plan

Plan Administrator:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of MAG Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MAG SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The MAG Savings Plan (the "Plan") was established March 1, 1990. The following description of the Plan provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all employees of MAG Aerospace Industries, Inc. (the "Company"), who are not covered by a collective bargaining agreement, compensated solely by commissions, or residents of Puerto Rico.

Eligible employees must have at least one month of service and be age 18 or older. Upon satisfying these requirements, participants are eligible on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

B. Contributions

Each year, participants may contribute up to 60% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (the "Code") limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Newly eligible participants are automatically enrolled into the Plan with an initial contribution rate of 5% of pre-tax annual compensation. Active participants who do not have a deferral election or have a zero deferral election shall be automatically enrolled into the Plan. Participants with deferral rates greater than zero will have their deferral increased annually by 1% until a deferral rate of 10% of pre-tax annual compensation is reached. The Company matches 75% of deferrals of up to 10% of compensation. The Company may also, at its discretion, make additional matching contributions. The Company made no additional discretionary matching contribution for 2021.

All contributions made on a participant's behalf are deposited in the Plan and allocated among investment funds in accordance with the participant's investment elections.

C. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions and allocations of (a) the Company's contributions and (b) Plan earnings, less any allocation of administrative expenses not paid by the Company. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis.

D. Vesting

Participants are immediately vested in their contributions, rollovers, plus actual earnings thereon. Vesting in the Company contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested after five years of service, based upon the following schedule:

MAG SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Vesting (Continued)

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 Year	20%
2 Years	40%
3 Years	60%
4 Years	80%
5 Years	100%

Notwithstanding the foregoing, if a participant is employed by the Company on his/her normal retirement date (age 65), the date he/she becomes disabled, or the date he/she dies, his/her vested interest in Company contributions on such date accelerates to 100%.

E. Forfeiture of Benefits

If a participant terminates prior to vesting 100% in Company contributions, the forfeited balance will be first used to pay administrative expenses and then to reduce Company matching contributions. As of December 31, 2021 and 2020, there was \$82,546 and \$17,365, respectively, of unused forfeitures. During 2021, \$87,524 was used to reduce Company contributions and \$5,298 of forfeitures were used to pay administrative expenses.

F. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, except for the purchase of a primary residence, for which loan terms are ten years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by persons in the business of lending money. Principal and interest are paid over the term of the loan with payments made through payroll deductions.

G. Payments of Benefits

Normal retirement age is 65. A participant's benefits may be distributed at retirement, death, disability or termination of employment. In-service distributions are allowed after age 59½ or in cases of financial hardship.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, (GAAP).

MAG SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Risks and Uncertainties

Plan investments are exposed to risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

D. Expenses

Fund operating expenses are incurred directly by the fund and are therefore factored into each fund's value as a reduction in investment return. Trust and record keeping expenses were paid by the Plan in 2021.

E. Investment Valuation and Recognition of Investment Income

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 16,406,478	\$ -	\$ -	\$ 16,406,478

Investments Measured at Net Asset Value ^A				41,779,323
				<u>\$ 57,512,759</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Mutual funds and money market funds are valued at their quoted market prices. Purchases and sales of investments are recorded on the trade-date basis. Common/collective trusts are measured at net asset value. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual funds' capital gains distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2021 and 2020 and investment income for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 4 - INCOME TAX STATUS

The Plan has adopted the Fidelity Management Trust Company's Prototype Plan document, which is qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation and is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended, however, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and is qualified, and the related trust is tax exempt.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

MAG SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

NOTE 6 - RELATED PARTY TRANSACTIONS

Some plan investments are managed by the trustee or its affiliates. Purchases and sales of these investments represented party-in-interest transactions that are exempt from prohibited transaction rules.

NOTE 7 - FIDELITY MANAGED INCOME PORTFOLIO

The Fidelity Managed Income Portfolio is a common/collective trust that invests primarily in guaranteed insurance contracts issued by insurance companies and banks. The Plan is credited earnings on underlying investments and charged for participant withdrawals and administrative expenses. Because the fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value.

The average yield on the Fidelity Managed Income Portfolio was 0.85% and 1.16% for the years ended December 31, 2021 and 2020, respectively. Certain restrictions may limit the Plan's ability to redeem its investment in the fund at contract value, and market value adjustments and/or redemption charges may apply. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
MAG Savings Plan
1500 Glenn Curtiss Street
Carson, California 90746

Plan Administrator:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of MAG Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MAG SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The MAG Savings Plan (the "Plan") was established March 1, 1990. The following description of the Plan provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all employees of MAG Aerospace Industries, Inc. (the "Company"), who are not covered by a collective bargaining agreement, compensated solely by commissions, or residents of Puerto Rico.

Eligible employees must have at least one month of service and be age 18 or older. Upon satisfying these requirements, participants are eligible on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

B. Contributions

Each year, participants may contribute up to 60% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (the "Code") limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Newly eligible participants are automatically enrolled into the Plan with an initial contribution rate of 5% of pre-tax annual compensation. Active participants who do not have a deferral election or have a zero deferral election shall be automatically enrolled into the Plan. Participants with deferral rates greater than zero will have their deferral increased annually by 1% until a deferral rate of 10% of pre-tax annual compensation is reached. The Company matches 75% of deferrals of up to 10% of compensation. The Company may also, at its discretion, make additional matching contributions. The Company made no additional discretionary matching contribution for 2021.

All contributions made on a participant's behalf are deposited in the Plan and allocated among investment funds in accordance with the participant's investment elections.

C. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions and allocations of (a) the Company's contributions and (b) Plan earnings, less any allocation of administrative expenses not paid by the Company. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis.

D. Vesting

Participants are immediately vested in their contributions, rollovers, plus actual earnings thereon. Vesting in the Company contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested after five years of service, based upon the following schedule:

MAG SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Vesting (Continued)

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 Year	20%
2 Years	40%
3 Years	60%
4 Years	80%
5 Years	100%

Notwithstanding the foregoing, if a participant is employed by the Company on his/her normal retirement date (age 65), the date he/she becomes disabled, or the date he/she dies, his/her vested interest in Company contributions on such date accelerates to 100%.

E. Forfeiture of Benefits

If a participant terminates prior to vesting 100% in Company contributions, the forfeited balance will be first used to pay administrative expenses and then to reduce Company matching contributions. As of December 31, 2021 and 2020, there was \$82,546 and \$17,365, respectively, of unused forfeitures. During 2021, \$87,524 was used to reduce Company contributions and \$5,298 of forfeitures were used to pay administrative expenses.

F. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, except for the purchase of a primary residence, for which loan terms are ten years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by persons in the business of lending money. Principal and interest are paid over the term of the loan with payments made through payroll deductions.

G. Payments of Benefits

Normal retirement age is 65. A participant's benefits may be distributed at retirement, death, disability or termination of employment. In-service distributions are allowed after age 59½ or in cases of financial hardship.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, (GAAP).

MAG SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Risks and Uncertainties

Plan investments are exposed to risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

D. Expenses

Fund operating expenses are incurred directly by the fund and are therefore factored into each fund's value as a reduction in investment return. Trust and record keeping expenses were paid by the Plan in 2021.

E. Investment Valuation and Recognition of Investment Income

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 16,406,478	\$ -	\$ -	\$ 16,406,478

E. Investment Valuation and Recognition of Investment Income (Continued)

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 13,855,941	\$ -	\$ -	\$ 13,855,941
Money Market Funds	1,877,495	-	-	1,877,495
Total Assets in the Fair Value Hierarchy	<u>\$ 15,733,436</u>	<u>\$ -</u>	<u>\$ -</u>	15,733,436
Investments Measured at Net Asset Value ^A				41,779,323
				<u>\$ 57,512,759</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Mutual funds and money market funds are valued at their quoted market prices. Purchases and sales of investments are recorded on the trade-date basis. Common/collective trusts are measured at net asset value. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual funds' capital gains distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2021 and 2020 and investment income for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 4 - INCOME TAX STATUS

The Plan has adopted the Fidelity Management Trust Company's Prototype Plan document, which is qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation and is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended, however, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and is qualified, and the related trust is tax exempt.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

NOTE 6 - RELATED PARTY TRANSACTIONS

Some plan investments are managed by the trustee or its affiliates. Purchases and sales of these investments represented party-in-interest transactions that are exempt from prohibited transaction rules.

NOTE 7 - FIDELITY MANAGED INCOME PORTFOLIO

The Fidelity Managed Income Portfolio is a common/collective trust that invests primarily in guaranteed insurance contracts issued by insurance companies and banks. The Plan is credited earnings on underlying investments and charged for participant withdrawals and administrative expenses. Because the fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value.

The average yield on the Fidelity Managed Income Portfolio was 0.85% and 1.16% for the years ended December 31, 2021 and 2020, respectively. Certain restrictions may limit the Plan's ability to redeem its investment in the fund at contract value, and market value adjustments and/or redemption charges may apply. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500
