Report of Independent Auditors - 2021

To the Plan Administrator and Those Charged with Governance
MSABC Multiple Employer 401(K) Plan
Pearl, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of MSABC Multiple Employer 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the institution, in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the MSABC Multiple Employer 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the MSABC Multiple Employer 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the MSABC Multiple Employer 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the MSABC Multiple Employer 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4a – schedule of delinquent participant contributions and Schedule H, line 4i – schedule of assets (held at end of year), as of or for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report – 2020

To the Plan Administrator and Those Charged with Governance
MSABC Multiple Employer 401(K) Plan
Pearl, Mississippi

We were engaged to audit the accompanying statement of net assets available for benefits of MSABC Multiple Employer 401(K) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Transamerica Financial Life Insurance Company, the Custodian, except for comparing the information with the related information included in the financial statement. We have been informed by the Plan Administrator that the Custodian held the Plan's assets and executed investment transactions as of December 31, 2020. The Plan Administrator has obtained certification from the Custodian as of December 31, 2020, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MSABC MULTIPLE EMPLOYER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the MSABC Multiple Employer 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a multiple employer defined contribution plan sponsored by Associated Builders & Contractors – Mississippi Chapter (the Association, Sponsor, or Sponsoring Employer) covering the eligible employees of the Association and Adopting Employers (Participating Employer) who are members of the Association. Employees are eligible to participate in the Plan based on elections made by Adopting Employers. Each Adopting Employer may designate the parameters for eligibility requirements and participation in the Plan as well as employer contributions, if any. The Plan qualifies as a multiple employer plan as described in section 413(c) of the Internal Revenue Code (IRC). The Plan was established on October 1, 2013, amended and restated on October 1, 2018 to comply with tax legislation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

An Adopting Employer may elect to have different eligibility requirements provided that the minimum age is not greater than 21 years of age and the length of service is not greater than one year or 1,000 hours of credited services, as defined.

The Plan's Benefits Committee is responsible for oversight of the Plan, determining the appropriateness of investment offerings and monitoring investment performance. The Plan uses Transamerica Financial Life Insurance Company (the Custodian or Transamerica) for custodian services and its affiliate Transamerica Retirement Solutions, for recordkeeping services.

Contributions

Each year, participants in the Plan may contribute an amount of their annual compensation as elected by their Adopting Employer, as defined by the Plan, within the limitations prescribed by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified plans (rollover). For the year ended December 31, 2021, individual participants' contributions were limited to \$19,500. Participants who are age 50 and older may also contribute an additional \$6,500 for the year ended December 31, 2021. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their contribution percentages at any time or may elect to completely suspend contributions at any time. Roth 401(k) deferrals are allowed under the Plan, if elected by Adopting Employers.

Each Adopting Employer may elect the level of safe harbor, matching, and/or profit-sharing contributions. Adopting Employer contributions, if any, are recorded in the year for which the contributions apply. Aggregate Adopting Employer contributions for the year ended December 31, 2021 totaled \$826,647. Adopting Employer contributions are invested in funds in accordance with the participant's direction and the Plan's provisions. Contributions are subject to certain IRS limitations.

Participant accounts

Each participant account is credited with the participant's contribution and their Adopting Employer's matching contributions, as well as allocations of their Adopting Employer's profit-sharing contribution and Plan earnings. Participants are charged with his or her withdrawals and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant contributions are participant-directed and may be invested into various investment options offered by the Plan.

MSABC MULTIPLE EMPLOYER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Vesting

Participants are immediately vested in their contributions, and their Adopting Employer's safe harbor contributions, if any, plus actual earnings or losses, thereon. Vesting in the remainder of their account is based on years of continuous service. Vesting schedules may vary in accordance with the schedule specified in the corresponding Adopting Employer's adoption agreement. Adopting Employers may also elect to make safe harbor contributions with automatic enrollment. Participant accounts become fully vested upon death, disability, reaching normal retirement age (65), or termination of the Plan.

Forfeitures

Forfeited nonvested accounts may be used to offset Plan administrative expenses or reduce Participating Employer contributions. For the year ended December 31, 2021, forfeitures approximating \$4,000 were used to pay Plan administrative expenses. At December 31, 2021 and 2020, available forfeited nonvested accounts totaled \$42,044 and \$20,608, respectively.

Participant notes receivable

Plan participants may borrow from their fund accounts a minimum \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the vested account balance in the participant's account, and bear interest at the prime rate plus 2.0%, determined as of the date of the loan request, ranging from 5.25% - 7.50% at December 31, 2021. Principal and interest are paid ratably through regular payroll deductions. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time, not to exceed fifteen years.

Payment of benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or in monthly installments. For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed \$5,000 or elect a lump-sum distribution. Participants with vested amounts less than \$5,000 must elect a lump-sum distribution. Participants may take in-service withdrawals upon reaching age 59½ or immediate and heavy financial hardship needs, as defined in the Plan document.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Certain administrative expenses of maintaining the Plan are paid directly by the Adopting Employers and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

CARES Act

In March 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants including; special CARES Act in-service withdrawals, temporary waiver of required minimum distributions, and suspension of loan repayment for up to twelve months.

MSABC MULTIPLE EMPLOYER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts which are valued at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and the Custodian. See note 4 for a discussion of fair value measurements.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Participant notes receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment recorded.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences could be material.

Risks and uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, liquidity risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the financial statements.

Payment of benefits

The Plan records benefits when paid.

Plan administration

The Sponsor is the Plan Administrator, and as such, controls and manages the operations of the Plan. The Plan's assets are maintained by Transamerica Financial Life Insurance Company (Transamerica or Custodian). The Custodian invests cash received, interest and dividend income and makes distributions to participants (as directed).

MSABC MULTIPLE EMPLOYER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Plan administration, continued

Nova 401(K) Associates is the Plan's third-party administrator and servicing agent to perform certain reporting and administrative functions, as well as accounting for participant information.

The Sponsoring Employer may, at its discretion, pay the Plan's administrative expenses. Substantially all Plan expenses were paid by the Plan for the year ended December 31, 2021.

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, Plan management has determined it does not have any positions at December 31, 2021 that it would be unable to substantiate.

Note 3 – Investments Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company, the Custodian, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
---------	---

MSABC MULTIPLE EMPLOYER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodology used at December 31, 2021 and 2020.

Following is a description of the valuation methodology used for assets measured at fair value:

Pooled separate accounts - Valued at its NAV based upon the units of such pooled separate accounts held by the Plan at year-end multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon significant observable inputs but are not based upon quoted market prices in an active market and are therefore considered Level 2 investments within the fair value hierarchy.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2021 and 2020:

Fair Value Measurements as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 19,746,052	\$ -	\$ 19,746,052

Fair Value Measurements as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 15,624,675	\$ -	\$ 15,624,675

Note 5 – Group Annuity Contract with Insurance Company

The Plan invests in a fully benefit-responsive traditional investment group annuity contract held in the Transamerica Stable Value Core Account (Stable Value Core Account) which is guaranteed by Transamerica Life Insurance Company (the issuer). The contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

MSABC MULTIPLE EMPLOYER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 5 – Group Annuity Contract with Insurance Company, Continued

Transamerica is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The effective rate of interest is set semi-annually and effective as of the first day of the semi-annual period. There is no stated minimum or maximum interest rate. The guaranteed fund does not permit Transamerica to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include amendments to the Plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Sponsor or other Sponsoring Employer events that cause a significant withdrawal from the Plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract. The Plan Administrator does not believe any events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of a material obligation under the contract, a material misrepresentation or a material amendment to the agreement without consent of the issuer.

Note 6 – Party-In-Interest Transactions

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Sponsoring Employer, Adopting Employers and certain others. The Plan's investments are held by Transamerica Financial Life Insurance Company (Transamerica or the Custodian), the Plan's Custodian. Therefore, transactions with the Custodian qualify as party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Sponsoring Employer. No officer or employee receives compensation from the Plan for these services.

Transamerica receives revenue from service providers for services Transamerica provides to the funds. This revenue is used to offset certain amounts owed to Transamerica for its administrative services. Fees incurred for the Plan for investment management services are included in net appreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

Note 7 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

MSABC MULTIPLE EMPLOYER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Sponsoring Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Adopting Employer's contributions.

Note 9 – Plan Transfers

In the normal course of business, the Sponsoring Employer adds Adopting Employers, and assets from the individual qualified plans that the added Adopting Employers previously sponsored are transferred into the Plan, when administratively feasible to do so. Likewise, as Adopting Employers leave the Sponsoring Employer and adopt different qualified plans, assets attributable to these outgoing Adopting Employers are transferred out of the Plan.

Note 10 – Tax Status

On March 31, 2014, the IRS stated that the volume submitter profit sharing plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC) and therefore, the Plan and the related trust are tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since adoption, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 11 – Delinquent Participant Contributions

Amounts withheld for employee contributions and loan repayments are required to be remitted to the Custodian as soon as they can be reasonably segregated. For the years ended December 31, 2021, 2020, 2019, and 2018, certain Adopting Employers failed to remit to the Plan's Custodian participant contributions within the time frame required under ERISA section 406 totaling \$28,988, \$2,083, \$17,267, and \$68,338, respectively. As of the date of this report, the 2019 and 2018 delinquent participant contributions are pending correction in the Voluntary Fiduciary Correction Program (VFCP). The 2020 delinquent participant contributions have been corrected and the lost earnings have been reimbursed to the Plan. The 2021 delinquent participant contributions are pending correction.

Note 12 – Subsequent Events

The Plan evaluated events occurring subsequent to December 31, 2021 through October 14, 2022, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
