Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of ME Devco NC Limited 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of ME Devco NC Limited 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ME Devco NC Limited 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ME Devco NC Limited 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ME Devco NC Limited 401(k) Profit

Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of ME Devco NC Limited 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan is a defined contribution plan covering all employees of ME Devco NC Limited (the “Company” or “Employer”) and the participating related companies ME Oak Hollow Square, Inc., ME Lawndale Crossing, Inc., ME Providence Plaza, Inc., ME Gastonia, Inc., ME Parktowne, Inc., ME Monkey Junctions, Inc., ME Mayfaire, Inc., LAB CLT1, Inc. and LAB CLT2, Inc. Employees eligible for the Plan do not include employees under a bargaining unit or non-resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Administration

The Company is the Plan Sponsor and an employee of the Plan Sponsor was elected to be the Plan Administrator. Assets of the Plan are held and invested by Charles Schwab Bank, the custodian. Certain administrative functions are performed by employees of the Company. These employees do not receive compensation from the Plan.

Eligibility

Employees of the Company who have attained 18 years of age become eligible to participate after one year of service. Upon meeting this eligibility requirement, an employee is eligible to enroll in the Plan on the first day of the month following the month eligibility is achieved.

Contributions

Each year, participants who have met eligibility requirements may elect to contribute up to 90% of their pretax annual compensation, as defined in the Plan, not to exceed the maximum allowable under the Internal Revenue Code (IRC) for any Plan year (\$19,500 for 2021). Participants who have attained age 50 by the end of the Plan year are eligible to make “catch-up” contributions (\$6,500 for 2021). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover”). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company is required to make matching contributions of 50% of the employee’s contribution up to 4% of total compensation of the employee. The Company may also make profit-sharing contributions at the discretion of the Company which will be allocated to participants’ accounts based on an age-weighted formula. Additionally, the Company may make qualified nonelective contributions to the Plan which will be allocated to participants’ accounts on a pro rata basis. For the year ended December 31, 2021, the Company made matching contributions of \$30,551. The Company did not make any discretionary profit-sharing contributions or qualified nonelective contributions for the year ended December 31, 2021.

Note 1 Plan Description (continued)

Participant Accounts

Each participant account is credited with the participant's contribution, the Company's discretionary profit-sharing and qualified nonelective contributions and an allocation of Plan earnings or losses. Each participant's account is also charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocation of Investment Earnings

Investment earnings or losses are allocated to participant accounts based on the weighted average of the participant account balance as a percentage of the total of all account balances for the investment option selected.

Benefit Payments

Upon termination of service or request for retirement benefits a participant is entitled to receive the vested share of their account as a lump-sum distribution. Hardship withdrawals are available to participants under certain prescribed circumstances.

Normal Retirement Benefits

Participants are entitled to retirement benefits upon reaching the age of 65.

Disability Benefits

If a participant becomes disabled, as defined by the Plan, they are entitled to receive 100% of their account balance, as if they had retired.

Death Benefits

Upon the death of a participant prior to normal retirement age, the participant's spouse or beneficiary is entitled to 100% of the benefits provided by their account balance. Payments to the beneficiary are made on a lump sum basis upon the participant's death. Distributions of the participant's entire account must be completed by December 31st of the calendar year containing the 5th anniversary of death.

Hardship Benefits

Participants may withdraw up to 100% of the deferred compensation portion of their account and earnings attributable thereto if the Plan Administrator determines that a participant has incurred an immediate and heavy financial hardship. Withdrawals under these hardship provisions may be made only for the following: (1) payment of medical expenses, (2) purchase of a principal residence, (3) tuition payments for post-secondary education, (4) payment necessary to prevent eviction from one's principal residence, (5) payment of burial or funeral expenses for a participant's deceased parent, spouse or dependent, (6) certain expenses relating to the repair of damage to a participant's personal residence and (7) any other distribution deemed by the Commissioner of the Internal Revenue Service to be made on account of an immediate and heavy financial need as provided by Treasury Regulations.

Note 1 Plan Description (continued)

Vesting

Participants are immediately vested in their contributions, rollover contributions and qualified nonelective contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing, if any, plus actual earnings thereon is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions and their allocation of Company matching, discretionary profit-sharing and qualified nonelective contributions, if any, into various investment options offered by the Plan. As of December 31, 2021 and 2020, the Plan offered pooled mutual funds and a savings account as investment options for participants.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the vested balance in the participant's account and bear interest at an interest rate of 5.25 percent, which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Upon the passing of the CARES Act, principal and interest payments were placed in deferment. The Plan allowed participants to borrow up to \$100,000 for loans made from March 27, 2020 through September 22, 2020 under the CARES Act.

Note 1 Plan Description (continued)

Forfeited Accounts

Forfeitures will be determined at least once during each Plan Year. Forfeitures may be used to pay administrative expenses or to reduce employer contributions. Forfeitures of matching contributions that relate to excess amounts as defined in the Plan that have not been used to pay administrative expenses, will be applied to reduce employer contributions made after the forfeitures are determined. Any other forfeitures that have not been used to pay administrative expenses or used to reduce employer contributions will be allocated to participant accounts in the manner described in the Plan as of the last day of the Plan Year in which such forfeitures are determined. Administrative expenses were not reduced by forfeitures for the year ended December 31, 2021.

CARES Act

During March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which included several relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan Document and includes provisions allowing eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic and provisions related to increased participant loan limits and the deferral of certain participant loan repayments.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 to the financial statements for a discussion of fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2 Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Document.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

All administrative costs of the Plan, except for certain loan, investment advisor fees, and investment fees, are paid by the Plan. The administrative costs are allocated among the accounts of all participants in the Plan. Expenses that are paid by the Company are excluded from the Plan's financial statements.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants on May 12, 2022.

Note 3 Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note 3 Fair Value Measurement (continued)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,270,098	\$ -	\$ -	\$ 1,270,098
Total assets in the fair value hierarchy	1,270,098	-	-	1,270,098
Investments at fair value	<u>\$ 1,270,098</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,270,098</u>

Investments at fair value	<u>\$ 1,135,582</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,135,582</u>

Note 4 Party-In-Interest Transactions

Certain Plan investments are in a savings account which is managed by Charles Schwab Bank, the custodian of the Plan and, therefore these transactions qualify as party-in-interest transactions. Participant loans are also party-in-interest transactions.

Note 5 Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

Note 6 Tax Status

The Plan obtained its latest determination letter dated June 30, 2020 in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other state and local tax authorities.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 Subsequent Events

The Plan's management has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Due to the impact of various global factors, the investments of the Plan subsequent to December 31, 2021 and through the date the financial statements were available to be issued, have decreased significantly. At this time, we are unable to predict if and when the investments will recover their value.
