INDEPENDENT AUDITORS' REPORT

To the Investment Committee of
Auberge Resorts 401(K) Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT OF THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of Auberge Resorts 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by Empower and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Auberge Resorts 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Auberge Resorts 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Auberge Resorts 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Auberge Resorts 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

The supplemental schedules Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Investment Committee of
Auberge Resorts 401(K) Plan

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTHER MATTER - AUDITOR'S REPORT ON THE 2020 FINANCIAL STATEMENTS

Lindquist LLP, who joined WithumSmith+Brown, PC effective January 1, 2022, was engaged to audit the financial statements of Auberge Resorts 401(K) Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed Lindquist LLP not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. In their report dated October 5, 2021, Lindquist LLP indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AUBERGE RESORTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition -

General - Investments are carried at fair value (except for the fully benefit-responsive guaranteed investment contract with insurance company, which is carried at contract value), which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods - In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for the Plan's investment classes are presented below.

Mutual funds: Generally, the fair value of the mutual funds is stated at net asset value, based upon quoted market prices (Level 1).

Guaranteed investment contract: The Plan invests in a fully benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company. The investment contract is based on contract value calculated by the insurance company, which is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive insurance contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The contract does not have any liquidity or redemption restrictions (see Note 5).

Valuation Methods, Consistency - The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consist of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Notes Receivable from Participants - Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan Document.

Administrative Expenses - Certain administrative services are provided to the Plan by Auberge Resorts, LLC (the Company) without charge. Participants are charged a minimal administrative fee by the Plan.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results may differ from those estimates.

Risks and Uncertainties - The Plan invests in mutual funds and a guaranteed investment contract with an insurance company. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The 2019 novel coronavirus (COVID-19) has adversely affected and may continue to adversely affect economic activity globally, nationally and locally. Following the COVID-19 outbreak in March 2020, the values of investment securities have experienced significant volatility. These economic and market conditions and other effects of the COVID-19 outbreak may continue to cause volatility. The extent of the adverse impact of the COVID-19 outbreak on the Plan participants' account balances cannot be predicted at this time.

NOTE 2. DESCRIPTION OF THE PLAN

The following description of the Auberge Resorts 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan provisions.

During 2020, the Plan's sponsor commenced management of Commodore Perry Estate; MFINN2013, LLC; Vanderbilt Hotel, LLC; US Hotels New England, LLC; and Bishop's Lodge Employment, LLC, as hotels managed under the Auberge Resorts Collection. These hotels became participating employers in the Plan during 2020. There was not a transfer of assets into the Plan from these 2020 acquisitions because the hotels did not have a plan prior to the merger.

During 2021, the Plan's sponsor commenced management of SPRGA Resort LP; and Railway Jonata, LLC, as hotels managed under the Auberge Resorts Collection. These hotels became participating employers in the Plan during 2021. There was not a transfer of assets into the Plan from these 2021 acquisitions because the hotels did not have a plan prior to the merger.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

General - The Plan is a 401(k) salary deferral and profit-sharing plan covering substantially all employees of the participating companies and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is financed by contributions from the participants, employer matching contributions, discretionary non-elective contributions from the participating companies, and the net earnings of the investments of the Plan. The Plan also accepts rollover contributions from other qualified plans.

Plan Administrator and Record Keeper - On December 31, 2020, Empower acquired the retirement business of Massachusetts Mutual Life Insurance Company ("MassMutual"). Following an initial transition period, Empower became the sole administrator of this business in 2021. Empower Retirement is the record keeper and Reliance Trust Company is the trustee of the Plan. The Plan's sponsor has appointed various individuals in management positions to oversee and manage the operation and administration of the Plan.

Eligibility - Employees of the participating companies are eligible to participate in the Plan upon reaching age 21 and after completing 90 days of service. Participants are eligible for safe-harbor or discretionary profit-sharing contributions after completing a 12-month period of service.

Contributions - Participants may contribute on a pre-tax and after-tax Roth basis between 1% and 88% of eligible compensation to the Plan each year, not to exceed the dollar limit set by law, which, for the years ended December 31, 2021 and 2020, was \$19,500. If the participant attains age 50 or older by the end of the Plan year, he or she can elect to defer additional amounts, referred to as "catch-up contributions," to the Plan. The catch-up contribution limit for the years ended December 31, 2021 and 2020, was \$6,500.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The participating companies make safe-harbor contributions on a payroll-by-payroll basis equal to 100% of employee deferrals, up to 4% of eligible compensation deferred to the Plan.

The participating companies may elect to make discretionary profit-sharing contributions to the Plan. Participants must be employed by the participating companies as of the last day of the Plan year to be eligible to receive any profit-sharing contributions, unless employment is terminated prior to year-end due to death, disability or retirement. Profit-sharing contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. There were no profit-sharing contributions for the years ended December 31, 2021 and 2020.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

Participant Accounts - Each participant's account is credited with the participant's deferral and allocations of (a) the participating companies' contribution, (b) the Plan earnings, and (c) allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are fully vested in their contributions and the participating companies' safe-harbor contributions to the Plan plus actual earnings thereon. Participants are vested in the participating companies' discretionary profit-sharing contributions based on their years of service, as follows: 50% vested after two years of service, 75% vested after three years of service, and fully vested after four years of service.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested account balance or annual installments. Participants may also withdraw all or a portion of their elective contribution account balance for in-service distributions at age 59½ or for specific hardship reasons, subject to Internal Revenue Service rules.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500, up to 50% of the participant's vested account, but not in excess of \$50,000. Notes are secured by the balance of the participant's account and bear interest at an interest rate equal to the prime rate plus 2%, as determined by the Plan Administrator. The maximum note term is five years, unless the note qualifies as a home loan, in which case the term of the note is not to exceed 30 years. Principal and interest are paid ratably through payroll deductions. As of December 31, 2021 and 2020, the interest rate on loans ranged from 4.50% to 7.50%.

Forfeitures - Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are used to pay Plan expenses or reduce the participating companies' contribution for the Plan year in which the forfeiture occurred. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$12,614 and \$45,091, respectively. In 2021 and 2020, employer matching contributions were reduced by \$34,835 and \$43,761, respectively, from forfeited non-vested accounts.

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

CARES Act - During the year ended December 31, 2020, in response to the COVID-19 pandemic, the Plan agreed to certain changes under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Specifically, the Plan has adopted temporary emergency distribution provisions to allow Plan participants to access the money in their individual accounts up to \$100,000 for qualifying participants. Participants must meet certain requirements to qualify for these emergency distribution provisions. Participants have been notified of these temporary relief provisions and should review the notifications for further information. The Coronavirus Aid, Relief, and Economic Security (CARES) Act was extended through December 31, 2021.

NOTE 3. PRIORITIES UPON TERMINATION

Although they have not expressed any intent to do so, the participating companies have the right to terminate the Plan subject to the provisions of ERISA. Upon termination, no further contributions will be made to the Plan and all amounts credited to participant accounts will become 100% vested. The employer will direct the distribution of participant accounts in a manner permitted by the Plan as soon as practicable.

NOTE 4. TAX STATUS

The participating companies have adopted a Massachusetts Mutual Life Insurance Company Volume Submitter Plan Document, which received an opinion letter from the Internal Revenue Service (IRS), dated March 31, 2014, indicating that the Volume Submitter plan and trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended, the Company and the Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate the tax positions taken and to recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. CONTRACT WITH INSURANCE COMPANY

Effective December 1, 2015, the Plan entered into a guaranteed investment contract with MassMutual in which participant deferrals are invested into MassMutual's general assets. The contract is fully benefit responsive. Accordingly, the contract value is the relevant measurement attribute for the portion of the net assets available for the benefits attributable to the contract. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value, regardless of market conditions. Contract value is guaranteed by the full faith and credit of MassMutual. Contract value of the group annuity contract totaled \$2,854,385 and \$2,817,005 as of December 31, 2021 and 2020, respectively.

Certain events may potentially limit the ability of the Plan to transact at contract value with the issuer. MassMutual may terminate the contract with a 90-day advance written notice to the contract owner for reasonable cause. MassMutual will fully or partially terminate the contract under the following circumstances: The Plan's sponsor provides a 30-day written notice; the IRS determines that the Plan no longer meets the requirements of applicable code sections; termination or partial termination of the Plan; or the Plan's sponsor breaches a provision of the contract. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 6. FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES AND CUSTODIANS

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Reliance Trust Company, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC for 2021 and MassMutual for 2020, the trustees and custodians of the Plan, respectively, except for comparing such information certified by the trustees and custodians to information included in the Plan's financial statements, as follows:

Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
