Independent Auditor's Report

Board of Directors
Laurel Lake Retirement Community, Inc. Section 403(b) Retirement Plan
Hudson, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Laurel Lake Retirement Community, Inc. Section 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Laurel Lake Retirement Community, Inc. Section 403 (b) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Laurel Lake Retirement Community, Inc. Section 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Laurel Lake Retirement Community, Inc. Section 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Laurel Lake Retirement Community, Inc. Section 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental schedules on pages 13 and 14 as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Laurel Lake Retirement Community, Inc. Section 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LAUREL LAKE RETIREMENT COMMUNITY, INC. SECTION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of the Plan:

General:

The following brief description of the Laurel Lake Retirement Community, Inc. Section 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan, established January 1, 2014 is a defined contribution plan covering all employees of Laurel Lake Retirement Community, Inc. ("Laurel Lake"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Laurel Lake Board of Directors is responsible for oversight of the Plan. Laurel Lake's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to Laurel Lake's Board of Directors.

There were law and operational changes impacting plans due to the passing of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). Any of the optional features from the recent law changes that are adopted by the Plan will require written amendments at a later date in accordance with applicable law and IRS guidance. These optional provisions from the recent law changes adopted by the Plan will require written amendment by December 31, 2025 in accordance with applicable law and Internal Revenue Service (IRS) guidelines.

Contributions:

The Plan provides for employee salary deferrals subject to maximum tax-deferred and after tax Roth limitations established by the IRS. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Laurel Lake may elect to make discretionary employer matching contributions to participants' accounts as determined periodically by Laurel Lake's Board of Directors. In 2021 and 2020, Laurel Lake elected to make discretionary employer matching contributions of 100% of eligible contributions up to 4% of eligible wages. Discretionary matching contributions totaled \$120,467 in 2021 and \$73,640 in 2020.

Laurel Lake may elect to make additional employer discretionary contributions to participants' accounts as determined periodically by Laurel Lake's Board of Directors. Laurel Lake did not elect to make an additional employer discretionary contribution in 2021 and 2020.

Participant accounts:

Separate accounts for each participant are maintained by the custodian. Each account is credited with the participant's contributions, discretionary employer matching contributions, additional discretionary employer contributions, and earnings or losses from investments held in the account. Each account is charged with an allocation of administrative expenses based on participant earnings or losses or account balances, as defined.

LAUREL LAKE RETIREMENT COMMUNITY, INC. SECTION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of the Plan (continued):

Vesting:

Participants are immediately vested in their contributions. Participants vest in employer contributions over a five-year period effective January 1, 2018 for all employees hired on or after January 1, 2018. Participants vest after two years of service to 25% which increases by 25% each year until fully vested. Employees hired prior to January 1, 2018 vested in employer contributions immediately.

Forfeitures of nonvested accounts are to be used to pay administrative expenses of the Plan or reduce the employer contributions. Plan expenses were paid from forfeitures in 2021 and 2020. Forfeited amounts not allocated to participant accounts totaled \$6,109 at December 31, 2021 and \$414 at December 31, 2020.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. Repayment of a note must be made over a period not to exceed five years unless the note is used to purchase a principal residence, in which case the note is to be repaid over a reasonable period of time that may exceed five years. The note interest rate is set at the prime rate, as defined by the Plan document. Interest rates on these notes receivable from participants were between 3.25% and 5.50% at December 31, 2021 and 2020. Principal and interest is paid through payroll deductions.

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death.

On termination of service, participants may elect to receive a lump sum distribution equal to the vested value of their account balance, a partial lump sum distribution not to exceed the vested value of their account balance, or installments not to exceed the life of the participant.

Benefits are recorded when paid.

Investment options:

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. Participants may change their investment options daily.

YEARS ENDED DECEMBER 31, 2021 AND 2020

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Investment valuation and income recognition:

The Plan's mutual funds and money market funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Laurel Lake's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment contract with insurance company:

The Plan's contract with Great-West Life & Annuity Insurance Company ("Great-West"), as of December 31, 2021 and 2020 is recorded at the estimated contract value, as provided by Great-West.

Expenses:

Certain expenses of maintaining the Plan are paid directly by Laurel Lake and are excluded from these financial statements (Note 6). Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments.

3. Investments:

The following table presents the current value of investments at December 31, 2021 and 2020. All investments of the Plan were participant-directed at December 31, 2021 and 2020.

3. Investments (continued):

	2021	2020
Investments at fair value:		
Mutual funds	\$ 4,935,839	\$ 4,891,269
Money market funds	9,854	92,947
Investment at contract value:		
Guaranteed investment contract	86,280	105,228
	<u>\$ 5,031,973</u>	<u>\$ 5,089,444</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at net asset value or fair value on a recurring basis at December 31, 2021 and 2020, were as follows:

	2021 (Level 1)	2020 (Level 1)
Mutual funds	\$ 4,935,839	\$ 4,891,269
Money market funds	<u>9,854</u>	<u>92,947</u>
	<u>\$ 4,945,693</u>	<u>\$ 4,984,216</u>

4. Fair value (continued):

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The money market funds are valued at its face value which approximates its estimated fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Guaranteed investment contract with insurance company:

The Plan participates in a fully benefit-responsive guaranteed investment contract with Great-West at December 31, 2021 and 2020, and Massachusetts Mutual Life Insurance Company (MassMutual) (January 1, 2020 through December 30, 2020). Great-West and MassMutual maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is a fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Contract value, as reported to the Plan by Great-West and MassMutual represents contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average guaranteed minimum interest rate was 1.46% at December 31, 2021 and 1.73% at December 31, 2020.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuers. Such interest rates are reviewed on a quarterly basis for resetting.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

5. Guaranteed investment contract with insurance company (continued):

Certain events limit the Plan's ability to transact at contract value with Great-West and MassMutual at December 31, 2021 and 2020. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

6. Administrative expenses:

Certain administrative expenses of the Plan were paid by Laurel Lake. Certain administrative functions of the Plan are performed by employees of Laurel Lake. No such employee, nor Laurel Lake, receives compensation from the Plan for these functions.

7. Information certified by custodian:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West at December 31, 2021 and 2020 and MassMutual (January 1, 2020 through December 30, 2020), (custodians of the Plan).

8. Income tax status:

The Plan has been designated to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program and the Plan has been pre-approved by the IRS in 2017. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

YEARS ENDED DECEMBER 31, 2021 AND 2020

9. Plan termination:

Although it has not expressed any intent to do so, Laurel Lake has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the individual accounts of the affected participants become nonforfeitable and fully vested.

10. Party-in-interest transactions:

Plan investments are managed by Great-West at December 31, 2021 and 2020 and MassMutual (January 1, 2020 through December 30, 2020), the custodians, as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Additionally, the Plan issues notes to participants, which are secured by the vested balance in the participant's account and certain administrative fees related to the administration of the plan were paid by the Plan or by Laurel Lake. These transactions qualify as party-in-interest transactions.

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments have been made to these financial statements as a result of this uncertainty.

12. Delinquent contributions:

Laurel Lake failed to remit employee contributions totaling \$20,597 in 2021 and \$378 in 2020 within the time permitted in accordance with DOL Regulations 2510-3-102(b). In 2022, Laurel Lake calculated an estimate of the lost earnings and remitted these amounts into the Plan outside the guidelines of the Voluntary Fiduciary Correction Program (VFCP) for 2021. The amounts related to 2020 delinquent contributions were remitted to the Plan in 2021 outside the guidelines of the VFCP. Additionally, Laurel Lake paid the related excise tax on the lost earnings to the IRS.

13. Subsequent events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 17, 2022, the date the Plan's financial statements were available to be issued.
