Independent Auditor's Report

To the Plan Administrator of
Acella Pharmaceuticals, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Acella Pharmaceuticals, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the 2021 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Acella Pharmaceuticals, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Acella Pharmaceuticals, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of the Plan

The following description of the Acella Pharmaceuticals, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a safe-harbor defined contribution plan covering all employees of Acella Pharmaceuticals, LLC (the Plan Sponsor or the Company), and Avion Pharmaceuticals, LLC, a related employer of the Company. Employees are eligible to participate in the Plan immediately after attainment of the age of 18 and once they have completed two months of service. Employees are automatically enrolled in the Plan at a pre-tax deferral rate of 3% of employee compensation on the first day of the month coinciding with or following satisfaction of the eligibility requirements, unless an affirmative election is made to not participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was originally adopted as of January 1, 2009 (as restated on January 1, 2018).

Effective September 1, 2021 employees of Vertical Trigen Holdings, LLC, a related employer of the Company, were allowed to participate in the Plan.

Contributions

Participants may make pre-tax and Roth contributions to the Plan of up to 100% of their annual compensation, as defined in the Plan Document, subject to limitations under the provisions of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also roll over amounts representing distributions from other qualified plans.

The Plan Sponsor is required to make safe-harbor matching contributions equal to 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation.

In addition to the safe-harbor matching contributions, the Plan Sponsor may also make a discretionary profit sharing contribution, subject to limitations under the IRC. For the year ended December 31, 2021, the Plan Sponsor did not make a discretionary profit sharing contribution.

Administration

The Plan Sponsor serves as the plan administrator. The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions which may affect eligibility for benefits. The plan administrator has engaged FuturePlan to assist in the administration of the Plan.

The Plan Sponsor has engaged Reliance Trust Company and Transamerica Financial Life Insurance Company (collectively, the Custodians) to serve as the Custodians of the Plan. The Custodians receive all contributions made under the Plan, hold plan assets, pay benefits to participants directly by the plan administrator and assist in the administration of the Plan. The Plan Sponsor has also engaged Reliance Trust Company (Trustee) to serve as the Trustee of the Plan.

Administrative Expenses

Administrative expenses of the Plan are liabilities of the Plan, but may be paid by the Company. The expenses include, but are not limited to, legal, accounting, and recordkeeping fees, and investment expenses. For administrative expenses not paid by the Company, a proportionate share of fees and expenses paid by the Plan is charged to each participant's account.

Participant Accounts

Each participant account is credited with pre-tax, Roth, and rollover contributions made by the participant, the participant's portion of Plan Sponsor safe-harbor matching contributions, discretionary profit sharing contributions, an allocation of Plan earnings (losses), and an allocation of administrative expenses. Allocations are based on participant earnings, losses, or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contribution, rollover balances, Plan Sponsor safe-harbor matching contributions, and any allocated earnings thereon. Participants become vested in Plan Sponsor discretionary profit sharing contributions in accordance with Plan provisions based upon years of service and become fully vested after six years of service. The vesting percentages are as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants also become 100% vested upon termination of the Plan or upon reaching normal retirement age of 65 or upon disability or death while still an employee of the Plan Sponsor.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Generally, no more than one loan per participant may be outstanding at a time. Typically, participant notes receivable are to be repaid through payroll deductions in installments not to exceed five years, are secured by the balance in the participant's account, and apply interest at a rate based on prevailing interest rates at the time of the note as determined by the plan administrator. A note used for financing the purchase of the participant's principal residence may be repaid over a longer period of time.

Benefits Paid to Participants

Upon normal retirement age of 65 or termination of service due to death, disability, retirement, or other reasons, a participant or beneficiary will receive an amount equal to the value of the vested interest in the participant's account. In general, if a participant's account balance, as defined in the plan agreement, is greater than \$5,000, the account may not be distributed without the participant's consent. Regardless of participant election as to the payment, the Plan may, upon termination of service of a participant for any reason, pay the benefits owed in a lump sum if the account balance is \$5,000 or less.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Distributions to terminated participants whose accounts are not 100% vested are reduced by forfeiture of the non-vested portion of their accounts. Forfeitures of terminated employees' non-vested accounts are used to either reduce Plan Sponsor contributions or pay plan expenses, as defined in the Plan Document. Forfeitures totaled \$38,215 in 2021. During 2021, the Company utilized \$44,039 in forfeitures to reduce Plan Sponsor contributions. Forfeitures available for future use as of December 31, 2021 and 2020 were \$4,736 and \$10,372, respectively.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP).

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan Document.

Use of Estimates in Financial Statements

The preparation of the financial statements in conformity with U.S GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payments of Benefits

Benefit payments are recorded when paid by the Plan.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value (Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments represents the change in fair value during the year, including realized and unrealized gains and losses.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 3: Fair Value Measurement

The accounting standard for fair value measurements provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in non-active markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and maximize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Mutual funds are valued at quoted market prices as provided by the Trustee. Net appreciation in the fair value of the mutual funds represents the change in fair value during the year, including realized and unrealized gains and losses. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,831,294	\$ -	\$ -	\$ 12,831,294
Total investments at fair value	<u>\$ 12,831,294</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,831,294</u>

Investments at Fair Value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,024,866	\$ -	\$ -	\$ 9,024,866
Total investments at fair value	<u>\$ 9,024,866</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,024,866</u>

Note 4: Fully Benefit-Responsive Investment Contract

The Plan has entered into a traditional investment contract through a group annuity contract with the Custodians. The traditional investment contract held by the Plan is a guaranteed investment contract which meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus interest, less participant withdrawals and administrative expenses. The Custodians maintain the contributions in a general account secured by the general assets of the Custodians. Guaranteed interest rates and maturity dates are revised semi-annually by the Custodians subject to contractual limitation in the contract. Certain events such as plan termination or a plan merger initiated by the Plan Sponsor may limit the ability of the Plan to transact at contract value. The Plan Sponsor does not believe that any events that may limit the ability of the Plan to transact at contract value are probable of occurring. The contract value of guaranteed investment contracts totaled \$901,775 and \$592,338 as of December 31, 2021 and 2020 respectively, and is reported as investment at contract value on the statements of net assets available for benefits.

Note 5: Information Certified by the Plan's Custodians (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Custodians, except for comparing such information to information included in the Plan's financial statements and supplemental information:

	2021	2020
Statements of net assets available for benefits:		
Investments, at fair value	\$ 12,831,294	\$ 9,024,866
Investment, at contract value	901,775	592,338
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	\$ 1,277,351	
Interest and dividends	341,669	

Note 6: Tax Status

The Plan Sponsor has entered into a non-standardized adoption agreement (the Prototype Plan). The Prototype Plan received a favorable opinion letter from the IRS dated February 1, 2018, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC.

The Plan has not received an individual determination letter. However, the plan administrator believes the Plan is designed and currently operating in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax exempt as of December 31, 2021.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the rights of all participants to amounts credited to each participant's account will be 100% vested and nonforfeitable.

Note 8: Party-in-Interest Transactions

Reliance Trust Company and its affiliates, Transamerica, and FuturePlan perform services for, sell products to, and manages and maintains certain investments of the Plan for which fees are charged to the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 9: Subsequent Events

The Plan Sponsor has evaluated for subsequent events between December 31, 2021 and the report date, the date the financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.

Filing Signer/Transmittal Authority for IRS Form 5500

As an authorized signer, designated by the Plan Administrator for the above-named plan, I authorize FuturePlan to electronically sign and electronically file the above-named plan's Form 5500 through EFAST2 as a non-fiduciary administrative convenience to us.

I understand that in granting this authority:

- I/we must manually sign and date the Form 5500 and provide a scanned copy of Form 5500 to FuturePlan **BEFORE** the electronic filing can be initiated.
- By signing the IRS Form 5500, I/we attest that Form 5500, and applicable schedules, have been reviewed and is true and accurate.
- FuturePlan will retain a copy of this written authorization in its records.
- FuturePlan will notify the individual(s) signing below as plan administrator/employer about any inquiries and information it receives from EFAST2, DOL, IRS, or PBGC regarding this annual return/report.
- A copy of the Form 5500 I/we manually signed will be posted with the filed Form 5500 on the Department of Labor's internet website and will be available for public viewing. This posted Form will include a facsimile of my/our signature(s). I/we understand that having my/our signature(s) on the DOL website may pose a risk of identity theft and hereby indemnify FuturePlan for any loss resulting from identity theft.
- FuturePlan shall not be deemed the Plan Administrator or a fiduciary of our plan by performing the transmittal services requested pursuant to this authorization.
- This authorization is applicable only to the filing for the above-named Plan and applies only for the Plan year end stated above.
- **I/we must send back to FuturePlan this Authorization Form and the manually signed and dated Form 5500 to FuturePlan by [October 14, 2022](#). If I do not send back this form by that date, an invitation to electronically file the Forms will be sent to the Plan Sponsor.**
