## Independent Auditor's Report

The Plan Administrator  
Medical Knowledge Group 401(k) Plan  
New York, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Medical Knowledge Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements, and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with

U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following brief description of the Medical Knowledge Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document and summary Plan description for a complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering all employees of Medical Knowledge Group, LLC (the Company or Employer) and any participating affiliates who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, a member of the Principal Financial Group (Principal) is the recordkeeper and trustee of the Plan.

Effective January 1, 2021, the Magnolia Innovation LLC 401(k) Plan was acquired by MKG and the employees were allowed to participate in the Plan.

#### *Contributions*

Each year, participants may contribute up to 100% of eligible compensation, as defined by the Plan, through a salary reduction. Contributions may be made to the Plan on a pre-tax and/or after-tax Roth basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain annual limitations, as imposed by the Internal Revenue Code (the Code).

The Company matches 50% of the participant contributions, up to 4% of Plan compensation, as defined by the Plan document. The Company's matching contribution was \$564,322 for the year ended December 31, 2021. Each year, the Company may decide to make a discretionary qualified nonelective contribution. For the year ended December 31, 2021, the Company did not elect to make a nonelective contribution.

#### *Participant Accounts*

The Plan maintains individual accounts for each Plan participant. Each participant's account is credited with the participant's contributions; Company matching contributions; nonelective contributions, if any; an allocation of the Plan's investment earnings or losses; and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *Investment Options*

Participants direct the investment of participant and Company contributions in any of the investment options offered by the Plan.

### ***Vesting***

Participants are immediately vested in their salary deferral, rollover, and qualified nonelective contributions, plus actual earnings thereon. Vesting in the Company's matching portion of their accounts, plus actual earnings thereon, is as follows:

| Years of Service  | Vesting (%) |
|-------------------|-------------|
| Less than 1       | -           |
| 1 but less than 2 | 25          |
| 2 but less than 3 | 50          |
| 3 but less than 4 | 75          |
| 4 or more         | 100         |

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with current rates charged for similar loans made by local commercial banks, as determined by the Plan administrator. Interest rates on outstanding loans ranged from 3.25% to 7.50%. Principal and interest are paid ratably through payroll deductions.

### ***Payment of Benefits***

Participants are eligible to receive distributions from their accounts at the normal retirement age (age of 65), disability, death, or termination of employment. Participants receive the value of their vested account balance in the form of a single-sum payment. Additionally, participants are entitled to apply for hardship withdrawals and, after attaining age 59½, receive in-service distributions.

### ***Forfeitures***

If a participant leaves employment before becoming fully vested, any non-vested Company matching contributions and related investment earnings thereon are forfeited. These forfeitures are used to reduce any Company matching contributions or pay Plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$285 for both years. During the year ended December 31, 2021, forfeitures in the amount of \$17,273 were used to reduce the Company's matching contributions, and \$8,415 were used to pay Plan expenses.

### ***CARES Act***

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 for 2020.
- Increase the available loan amount, as described above, to the lesser of \$100,000 or 100% of the participant's vested account balance through September 22, 2020.
- Extend the period for loan repayments, if applicable, up to one year for loan payments due from March 27, 2020 through December 31, 2020.
- Suspend required minimum distributions for 2020.

## **2. Summary of Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

### ***Use of Estimates***

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

## Notes to Financial Statements

---

### *Payment of Benefits*

Benefits are recorded when paid.

### *Administrative Expenses*

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

## **3. Certified Investment Information**

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information reflected on the supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year), as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

## **4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets, (2) quoted prices for identical or similar assets or liabilities in inactive markets, (3) inputs other than quoted prices that are observable for the asset or liability, or (4)

# Medical Knowledge Group 401(k) Plan

## Notes to Financial Statements

---

inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

*Mutual Funds* - Mutual funds are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are actively traded.

*Common Collective Trusts* - The common collective trusts (CCT) are stated at fair value using the NAV practical expedient. The NAV of the CCT is determined using the market price of the underlying securities and the contract value of investment contracts held by the CCT, as determined by the trustee of the CCT. There are no restrictions on the redemption of these investments and no unfunded commitments.

*Pooled Separate Accounts* - These assets are valued at NAV as a practical expedient based on the market value of the underlying investments. The NAV is not a publicly quoted price in an active market. The pooled separate accounts invest in mutual funds. The investments may be redeemed daily; there are no unfunded commitments and there are no other restrictions or penalties as of December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets measured at fair value on a recurring basis:

### ***December 31, 2021***

\* Investments measured at fair value using the NAV per share (or its equivalent) practical expedient are not categorized in the fair value hierarchy. The fair value amounts presented in the preceding tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan had no financial assets that were measured at fair value on a nonrecurring basis at December 31, 2021 and 2020. There are no Plan liabilities recorded at fair value at December 31, 2021 and 2020. There were no transfers between levels during 2021 and 2020.

### 5. Tax Status

The Plan has adopted Principal's prototype plan. Accordingly, the Plan is permitted to rely on Principal's opinion letter. The Internal Revenue Service (IRS) has determined and informed Principal by a letter dated March 31, 2014, that the Plan is designed in accordance with the applicable sections of the Code. The Plan has been amended since the date of the letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

### 6. Party-in-Interest Transactions

Certain investments are managed by Principal. The transactions related to these investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules under ERISA. Notes receivable from participants also qualify as party-in-interest transactions.

### 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

# Medical Knowledge Group 401(k) Plan

## Notes to Financial Statements

---

### 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

### 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

| <i>December 31,</i>                                                 | <b>2021</b>          | <b>2020</b>          |

| <b>Net Assets Available for Benefits</b> , per Form 5500 | <b>\$ 5,093,286</b> |

### 10. Subsequent Events

The Plan has performed subsequent events procedures through October 17, 2022, which is the date the financial statements were available to be issued. There were no other subsequent events requiring adjustments to the financial statements or disclosures, except the following:

In 2021, the Company acquired Conisus, LLC (Conisus). Prior to the acquisition, Conisus maintained a separate 401(k) plan for the benefit of Conisus' employees, which was known as Conisus 401(k) Plan (the Conisus Plan). Effective January 1, 2022, the Conisus Plan merged with and into the Plan. The assets of the Conisus Plan held by Reliance Trust Company, trustee, were valued on December 31, 2021, then sold or transferred to Principal, trustee for the Plan. The net assets transferred as a result of the merger after taking into consideration Employer contributions.

Effective January 1, 2022, the Company increased the Plan match from the 50% of 4% (a total match of 2%) to 50% of 6% (a total match of 3%).
