Healix Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Healix Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i—Schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Healix Savings Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Healix Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering eligible employees of Healix Infusion Therapy, LLC (the Company and employer), and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was adopted by the Company on May 1, 1994. The Company serves as the Plan Administrator. The Plan is overseen by the Plan Administrative Committee (the Committee). The Committee determines the diversification and appropriateness of the Plan's investment offerings and monitors investment performance. The Plan's trustee changed from Alerus Financial, N.A. (Alerus) to Fidelity Management Trust Company (Fidelity) effective January 1, 2021.

Eligibility: The Plan is provided for all eligible employees, with the exception of non-resident aliens, those employees covered by a collective bargaining agreement, and employees who are residents of Puerto Rico. Participation is available for all eligible employees who have completed one month of service and are at least 21 years of age. The Plan includes a savings feature designed to permit the employee and the Company to contribute to the Plan, as allowable under Section 401(k) of the Internal Revenue Code (IRC).

Contributions: Upon meeting the eligibility requirements, employee contributions are automatically withheld at 1% of the employee's compensation, as defined, unless the employee elects a different percentage which can range from 0% to 100%. Eligible participants who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions subject to the limitations of the IRC. In 2021 and 2020, the Plan was required to return excess contributions of \$39,047 and \$79,240, respectively, to certain participants to satisfy the relevant non-discrimination provisions of the Plan.

The Company may make discretionary matching contributions. The Company currently makes a discretionary matching contribution equal to 25% of each participant's elective contributions up to 6% of the participant's eligible compensation calculated each pay period. For the year ended December 31, 2021, the Company made discretionary matching contributions of \$309,608. The Company may also contribute an amount on a discretionary profit sharing basis, which is allocated based on the total compensation of each participant, plus an additional amount based on each participant's compensation in excess of the stated social security taxable wage base. The Company made no profit sharing contributions in 2021.

Vesting: Participants are always fully vested with respect to their salary deferrals and related earnings. For all Company discretionary matching and profit sharing contributions and related earnings, participants are 100% vested over a period of three years of service. The vesting schedule is 25% after 1 year of service, 50% after two years of service, and 100% after three years of service. A participant shall be immediately vested upon death, retirement or termination of employment due to becoming disabled.

Forfeitures: Forfeitures attributable to employer contributions are used to offset future employer matching contributions. During 2021, no forfeitures were used to offset employer matching contributions. At December 31, 2021 and 2020, unused forfeited nonvested employer contributions amounted to approximately \$39,000 and \$20,000 respectively.

Participant accounts: Upon enrollment in the Plan, a participant may direct the Plan Administrator with regard to the investment of his or her account balances into various investment options offered by the Plan. Participants may change their investment options at any time.

Under the Plan, earnings and losses are allocated to the participants' accounts daily accordingly to an allocation formula provided in the Plan document.

Healix Savings Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Interest rates are based on the prime rate plus 1% as of the first business day of the month issuance. The loans are repaid through payroll deductions. A participant may not have more than one note outstanding at any time. Loan terms are limited to five years unless for the purchase of a principal residence, which could be extended to fifteen years. The notes receivable outstanding as of December 31, 2021 mature through January 2032 with interest rates ranging from 4.25% to 6.50%.

Benefit payments: Distributions may be made to participants or their beneficiaries, as applicable, upon termination of employment, retirement, disability or death. In-service distributions are allowed for participants who have reached the age of 59½. Additionally, hardship withdrawals may be made by active participants. Upon termination, participants with an account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan. Terminating participants with an account balance between \$1,000 and \$5,000 shall receive an automatic rollover distribution to an individual retirement account (IRA) unless otherwise directed by the participant. Withdrawals from the Plan may be subject to federal income tax on contributions and income earned.

Administrative expenses: Administrative costs are paid by the Plan, unless paid by the Company at its discretion. Expenses that are paid by the Company are excluded from these financial statements. Certain transactional fees are paid by the participant.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held at the end of the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. In general, notes receivable from participants are considered in default in the calendar quarter following the quarter in which no payment is made. Defaulted loans are treated as distributions based upon the terms of the Plan document. Notes from participants have been classified as an investment asset for Form 5500, Annual Return/Report of Employee Benefit Plan, reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, Line 4i—Schedule of assets (held at end of year).

Healix Savings Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Excess contributions refundable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Benefit payments: Benefit payments are recorded when paid.

Risks and uncertainties: The Plan provides for investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with the Plan's investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the financial statements.

Subsequent events: The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by Fidelity Management Trust Company and Alerus Financial, N.A.

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information provided by Fidelity as of and for the year ending December 31, 2021, and Alerus Financial, N.A. as of December 31, 2020. The Plan Administrator has obtained certifications from Fidelity and Alerus that information provided to the Plan Administrator related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2021	2020
Investments, at fair value:		
Mutual funds	\$ 23,333,655	\$ 3,666,628
Collective trust fund	2,114,571	2,563,807
Total investments at fair value	<u>\$ 25,448,226</u>	<u>\$ 6,230,435</u>
Notes receivable from participants	<u>\$ 85,736</u>	<u>\$ 33,312</u>

Fidelity also certified the completeness and accuracy of \$2,347,808 of net appreciation in fair value of investments, \$1,055,215 of interest and dividends related to the aforementioned investments, and \$1,615 of interest income on notes receivables from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosure, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted, quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: These funds are valued daily, based on their quoted market prices.

Collective trust fund: This fund is valued at its net asset value (NAV) as determined by the issuer, based on the value of each of the underlying investments, less applicable fees charged by the issuer. The NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 23,333,655	\$ -	\$ -	\$ 23,333,655
Collective trust fund measured at NAV (a)				2,114,571
Total investments				<u>\$ 25,448,226</u>

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,666,628	\$ -	\$ -	\$ 3,666,628
Collective trust fund measured at NAV (a)				2,563,807
Total investments				<u>\$ 6,230,435</u>

(a) In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

The following table provides additional information for the collective trust fund which is measured using NAV as a practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for this investment. The redemption notice period is applicable only to the Plan.

Investment Class	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2021	2020			
Fixed income fund	<u>\$ 2,114,571</u>	<u>\$ 2,563,807</u>	None	Daily	Up to 12 months

Note 5. Income Tax Status

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan, which received a favorable notification letter from the Internal Revenue Service dated June 30, 2020, in which the Internal Revenue Service stated that the Non-Standardized Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The favorable notification letter has been relied upon by this Plan. The Plan has been amended subsequent to the version covered by the Non-Standardized Plan receiving the favorable notification letter; however, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Healix Savings Plan

Notes to Financial Statements

Note 5. Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no tax audits for any tax periods in progress.

Note 6. Plan Termination

While it has expressed no intention to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon any full or partial termination, all amounts credited to the affected participants become fully vested and not subject to forfeiture. Any unallocated assets of the Plan shall be allocated to participants' accounts and distributed in a manner as the Company may determine.
