Independent Auditor's Report

To the Administrative Committee of
the See's Candies, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of See's Candies, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of See's Candies, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section, -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of See's Candies, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about See's Candies, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of See's Candies, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about See's Candies, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at End of Year, and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND DECEMBER 31, 2020**

1. SUMMARY DESCRIPTION OF PLAN

The following description of the See's Candies, Inc. (the Company) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a safe harbor 401(k) plan covering active employees of the Company who are not excluded employees and who satisfy the Plan's service requirement. The excluded employees are collective bargaining employees, leased employees, and reclassified employees. An employee must complete one year of service to be eligible to make salary deferrals and receive safe harbor contributions. An employee must complete two years of service, without an intervening break in service to be eligible to receive additional discretionary profit sharing contributions, if any. An employee will have completed a year of Service if, at the end of the 12-consecutive months of employment (beginning with each anniversary of the employee's employment commencement date), the employee will have worked at least 1,000 hours of service.

Contributions and Participant Accounts – Each participant in the Plan may elect to reduce his or her compensation by a specific percentage and have that amount contributed to the Plan on a pre-tax basis as a salary deferral. The total deferrals by each participant may not exceed \$19,500 for the plan year ended 2021. If the participant attains age 50 before the end of a calendar year, he or she may elect to defer additional amounts called catch-up contributions. The maximum catch-up contribution for the year 2021 is \$6,500. The Plan accepts a participant's rollover contribution from other plans, but not from IRAs.

The Company may contribute safe harbor contributions and profit sharing contributions to the Plan. The safe harbor nonelective contribution equals 3% of a participant's quarterly compensation, excluding fringe benefits, overtimes and bonuses, not in excess of \$290,000 for the plan year ended 2021. The amount of the discretionary profit sharing contribution is determined by the Company's Board of Directors each year. For plan year ended 2021, the profit sharing contribution is 5%. The participant must be employed on the last day of the plan year quarter to receive the Company's profit sharing contributions.

The amount of contributions (excluding catch-up contributions) that may be made to each participant's account and any other amounts allocated to any of the participant's account (such as forfeitures) is not to exceed the lesser of \$58,000 or 100% of the participant's annual compensation for the year 2021. The Plan permits participant direction of investment and meets ERISA section 404(c) compliance requirements. To the extent the participant does not direct the investment of his or her account, then the participant's account will be invested in accordance with the default investment alternatives as established under the Plan. The Plan directs the Trustee to maintain a separate account in the name of each participant to reflect the participant's account balance under the Plan. The participant's account balance is comprised of the assets held within the account and the value of the account is the fair market value of such assets. The Plan allocates net income, gain or loss to the participant's accounts in accordance with the daily valuation method.

Vesting – A participant has a 100% vested interest at all times in his or her salary deferral contributions, roll over contributions, 401(k) safe harbor contributions, and profit sharing contributions.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND DECEMBER 31, 2020**

1. SUMMARY DESCRIPTION OF PLAN (continued)

Payment of Benefits – The time distribution commences is based upon the Employee's account balance at termination, or upon death. Payment options include the following:

- A) Lump Sum Distribution
- B) Direct Rollover Distribution
- C) Combination Cash Distribution and Direct Rollover Distribution

If the value of a Participant's vested account balance at the time of termination is \$1,000 or less (excluding the rollover contribution source), the Plan administrator will automatically distribute the balance as a lump-sum to the participant as soon as administratively practicable.

If a terminated Employee's vested balance exceeds \$1,000, but is less than \$5,000, the Plan administrator will automatically distribute the balance as a rollover to the Total IRA Program with the Millennium Trust Company, serving as custodian of the program's assets, as soon as administratively practicable.

Payment will be made as soon as administratively feasible following the date of termination or death.

The Plan also allows for in-service distributions subject to various conditions.

Notes Receivable from Participants – A participant may apply for a loan from the Plan subject to the limitations and conditions under the Plan's loan policy. The total amount of loans outstanding will be limited to the lesser of \$50,000 or 50% of his or her vested account balance. Loans will not be made in a principal amount less than \$1,000. Only one loan may be outstanding to a borrower at any time. The loans are secured by the balance in the participants' account and bear interest rates ranging from 6.25% to 8.25% which commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through weekly or bi-weekly payroll deductions.

Trustee - Principal Financial Group acquired the Wells Fargo Institutional Retirement business and completed the integration of participants and plan sponsor accounts to Principal platform in May 2021. The Plan assets are held by Principal Financial Group (the Trustee) under a trust agreement with the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review – The Plan has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.

Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND DECEMBER 31, 2020**

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. In addition to the last day of Plan Year, the Trustee may value the Trust Fund on the Daily valuation dates (each business day of the Plan Year on which Plan assets for which there is an established market are valued and the Trustee is conducting business). Purchases and sales of mutual funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses – Fees and expenses constitute amounts payable to Principal Financial Group for services provided on behalf of the Plan. Principal and/or its affiliates receive fees from certain mutual funds for investment and administrative services. The investment management fees are applicable to participant holders of each fund and are included in net appreciation in fair value of Investments. All other expenses of maintaining the Plan are paid by the Company.

Payments of Benefits – Benefits are recorded when paid.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of the collective trust funds is net asset value, exclusive of the adjustment to contract value. The use of net asset value as fair value is deemed appropriate as the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

Level 3 Fair Value Measurements

There were no level 3 investments.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual Funds	\$ 13,392,672		-	\$ 13,392,672
Collective Funds	-	55,449,180	-	55,449,180
Total Assets at Fair Value	<u>\$ 13,392,672</u>	<u>\$ 55,449,180</u>	<u>\$ -</u>	<u>\$ 68,841,852</u>

Assets at Fair Value as of December 31, 2020				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual Funds	\$ 9,744,897		-	\$ 9,744,897
Collective Funds	-	54,773,945	-	54,773,945
Total Assets at Fair Value	<u>\$ 9,744,897</u>	<u>\$ 54,773,945</u>	<u>\$ -</u>	<u>\$ 64,518,842</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

5. TAX STATUS

The Prototype Plan Sponsor, without the Employer's consent, may amend the Plan and Trust, from time to time, in order to conform the Plan and Trust to any requirement for qualification of the Plan and Trust under the Internal Revenue Code. The Prototype Plan Sponsor may not amend the Plan in any manner which would modify any election made by the Employer under the Plan without the Employer's written consent. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirement of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, all net assets shall be allocated and distributed to the participants, based on their respective account balances.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

7. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 (continued)

The following is a reconciliation of notes receivable from participants per the financial statements to Schedule H of Form 5500:

Notes receivable from Participant	\$ 1,657,134	\$ 1,825,373
Less: Certain deemed distributions of participant loans		(258,767)
Participant Loans per Schedule H of Form 5500	\$ 1,657,134	\$ 1,566,606

The following is a reconciliation of net income per the financial statements for the year ended December 31, 2021 to Schedule H of Form 5500:

Net Income per Financial Statement	\$ 5,162,673
Add: Certain deemed distributions of participant loans	258,767
Net Income per Schedule H of Form 5500	<u>\$ 5,421,440</u>

Certain notes receivable from participants that are in default are considered deemed distribution under Department of Labor rules and reduce the participant loan balance on the Schedule H of Form 5500. For 2021 financial statement purposes, these participant loans that are in default now reduce the participant loan balance asset of the Plan and are written off in the year they are determined to be deemed distributions.

8. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Financial Group. Principal is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$251,918 and \$230,314 for the year ended December 31, 2021 and 2020 respectively.

9. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
