INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Participants
Greenleaf Corporation Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Greenleaf Corporation Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Greenleaf Corporation Savings and Retirement Plan
Notes to Financial Statements
December 31, 2021

1. Description of the Plan

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a single employer defined contribution 401(k) plan covering all eligible employees of Greenleaf Corporation (the Plan Sponsor). Employees must be employed twelve months and have completed 1,000 hours of service as of the last day of the year in order to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective March 3, 2021, the Plan was amended to allow participants to take in service distributions from all contribution sources.

Contributions

The Plan allows for participant contributions, made on a tax-deferred basis under Section 401(k) of the Internal Revenue Code, of an amount equal to a dollar amount or percentage of the participant's compensation, not to exceed the limits imposed by Section 401(k) of the Internal Revenue Code. The Plan also allows participants to make Roth after-tax contributions. Participants may also make a rollover contribution from other qualified plans. The Plan Sponsor can make matching contributions as well as discretionary lump-sum contributions, as determined by the Board of Directors. No discretionary contributions were recorded for the years ended December 31, 2021 and 2020. The Plan Sponsor matched 60% of each employee's contributions up to 3% of the employee's compensation for 2021 and 2020.

In 2020, the Plan Sponsor was informed that they failed to allow a participant to continue to participate in the Plan after the participant received a hardship distribution. As a result of this error, the Plan Sponsor used available forfeiture dollars to credit \$826 to the participant's account, representing missed participant deferrals, Plan Sponsor matching contributions and lost earnings on those contributions. This matter was deemed to be "self-corrected" under the Internal Revenue Service (IRS) Self-Correction Program (SCP) during 2020; therefore, the Plan Sponsor believes that no formal corrective notification to the Internal Revenue Service or the DOL was required.

Investment of Participant Contributions

All participant contributions and Plan Sponsor matching and discretionary lump-sum contributions are deposited into the Cash Management Trust Fund until they are transferred to the investment accounts based on each participant's direction. As a result, the Cash Management Trust Fund is considered in these financial statements as a nonparticipant-directed investment. This fund is not an investment option and is used as a holding fund for unallocated Plan Sponsor and participant contributions. At December 31, 2021 and 2020, no contributions were held in the Cash Management Trust Fund. Income, expenses, gains and losses of the Plan are allocated to each participant's account based on the relationship of each participant's account to the total of all participants' accounts. Participant and Plan Sponsor matching contributions are allocated to participant accounts based on fund allocation percentages selected by each participant. Additional discretionary lump-sum contributions made by the Plan Sponsor are allocated to participants' accounts based on participant compensation.

Vesting

Participant and Plan Sponsor matching contributions are immediately 100% vested to the participant. Additional discretionary lump-sum contributions are subject to a vesting schedule of 20% after two years of service, which increases 20% each year thereafter with full vesting after six years of service.

1. Description of the Plan (continued)

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 to a maximum equal to the lesser of (a) \$50,000, minus the highest outstanding loan balance in the last 12 months, or (b) one-half of the vested value of the participant's account. The eligible portion of the participant's account must be invested in mutual funds and may not include Roth deferrals. Participants cannot have no more than 2 loans outstanding at any time. Each loan is secured by the participant's account and bears interest at a rate based on the prime rate on the date of the loan.

Payment of Benefits

Upon termination of service, a participant is entitled to the vested portion of his or her account. Distributions are required to be paid upon the participant's election, in a single payment, no later than sixty days after the end of the plan year in which the benefit becomes payable. Benefits are recorded when paid.

Administrative Expenses

The Plan is responsible for payment of administrative expenses not paid by the Plan Sponsor. These expenses are not material to the Plan's financial position and results from operations. For years ended December 31, 2021 and 2020, the Plan paid advisory, recordkeeping, and certain fund management fees out of a separate account within the Plan, characterizing these fees as administrative fees.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Based on the discretion of the Plan Sponsor, these forfeited amounts can be used to reduce the Plan Sponsor's contributions to the Plan. The forfeiture amount used to reduce employer contributions during the years ended December 31, 2021 and 2020 totaled \$26,398 and \$4,645, respectively. The unallocated forfeiture balance totaled \$18,263 and \$23,286 at December 31, 2021 and 2020, respectively.

Plan Termination

Although it has not expressed intent to do so, the Plan Sponsor has the right to terminate the Plan, subject to provisions of ERISA. Should such a termination occur, each participant would be fully vested in their interest in the Plan, and the value of each participant's account will be paid as directed by the Plan Sponsor.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Greenleaf Corporation Savings and Retirement Plan

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are held by Ascensus Trust Company, the trustee of the Plan as of and for the years ended December 31, 2021 and 2020. Financial information relating to the assets is included in the accompanying financial statements based on information provided by Ascensus as agent for the Trustee.

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported in the financial statements and related disclosures. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

3. Information Prepared and Certified by Trustee

The investment assets of the Plan were held by Ascensus Trust Company, the trustee of the Plan, as of and for the years ended December 31, 2021 and 2020. The summary of financial data has been certified by Ascensus as agent for the trustee, as of December 31, 2021 and 2020, and for the years then ended, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting Disclosures under ERISA of 1974. The financial information certified by the agent of the trustee has been adjusted to reflect minor timing differences related to GAAP basis financial statement presentation.

4. Fair Value Measurements

Investments are recorded at estimated fair value, in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Fair Value Measurements and Disclosures topic. This topic establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the FASB ASC Fair Value Measurements and Disclosures topic are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Greenleaf Corporation Savings and Retirement Plan
Notes to Financial Statements – continued

4. Fair Value Measurements (continued)

Common/collective trust: The Invesco Stable Value Trust Fund (The Fund) is a collective trust fund that is valued at the NAV of the units of the collective trust fund held by the Plan at the year-end times the respective unit value. The NAV, as provided by the trustee, is used as practical expedient to estimate fair value. The NAV of the collective trust fund is based upon significant observable inputs, although it is not based upon quoted market prices in an active market. The collective trust fund's investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. To achieve its investment objective, the collective trust fund invests in assets (typically contracts issued by insurance companies and banks, synthetic investment contracts and short term investments) and enters into "wrapper" contracts issued by third-parties and invests in cash equivalents represented by shares in a money market fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Equity Securities:

- (a) Certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

4. Fair Value Measurements (continued)

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	December 31, 2021			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Invesco Stable Value Trust Fund	\$ 3,468,272	N/A	Daily	N/A
	December 31, 2020			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Invesco Stable Value Trust Fund	\$ 4,748,020	N/A	Daily	N/A

5. Related Party Transaction

Certain Plan investments are held in a contribution account managed by Ascensus Trust Company. Ascensus Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In December 2019, a novel strain of coronavirus (COVID-19) surfaced and has spread throughout the world resulting in business and social disruption. The coronavirus was declared a Public Health Emergency of International concern by the World Health Organization on January 30, 2020. The effect on the Plan's investments is highly uncertain and cannot be predicted. However, if financial markets and the overall economy are continued to be impacted for an extended period, the Plan's ability to trade and its investment results may be materially affected.

7. Tax Status

The Plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020 stating that the written form of the plan document is qualified under Section 401(a) of the Internal Revenue Code (the Code), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Plan management believes the Plan is operating in compliance with the Internal Revenue Code. Therefore, the related trust is exempt from taxation.

Greenleaf Corporation Savings and Retirement Plan
Notes to Financial Statements – continued

7. Tax Status (continued)

Subsequent to the plan year ended December 31, 2021, it was discovered that a participant was inadvertently withdrawing their required minimum distributions from an individual retirement account rather than the Plan. This occurred for the years ended December 31, 2018, 2019 and 2021 and totaled \$161,122. Upon discovery of this error, the Plan Sponsor initiated corrective actions as defined under the IRS Employee Plans Compliance Resolution System (EPCRS), self-correction program (SPC). Under EPCRS, the Plan is required to distribute to the participant the required minimum distributions as noted above, plus calculated earnings thereon. The Plan's Administrator believes the necessary steps are in place to properly correct the error and maintain the Plan's qualified status to operate in compliance with the Internal Revenue Code (IRC).

During 2020, the Plan Sponsor "self-corrected" errors identified in 2020, and described in Note 1, under the IRC SCP. The corrective amount was credited to the participant's account as soon as administratively possible. The Plan's Administrator believes the Plan is operating in compliance with the IRC and has taken the necessary steps to maintain the Plan's qualified status.

Management has evaluated the Plan's tax positions related to the uncertainty in income taxes and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to income tax examinations for years prior to 2018.

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
