INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
BEREXCO LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of BEREXCO LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Retirement, a division of Great-West Life & Annuity Insurance Company, the custodian of the Plan as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BEREXCO LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of BEREXCO LLC and an affiliated company, BEREDCO LLC (collectively referred to as the Company), who have attained the age of 21 and have completed one year and 1,000 hours of service during their initial year of employment or any succeeding plan year. Employees become eligible to participate in the Plan on the first day of the month following the date on which eligibility requirements are met. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2020, employees of BEREXCO LLC are eligible to participate in the Plan if they have completed 600 hours of service within the six-month time period following their date of hire and have attained age 21.

Contributions

The Plan provides that active participants may make annual pre-tax and Roth after-tax contributions of not less than 1% up to 75% of their eligible compensation to the Plan. Compensation includes overtime pay and bonuses. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain Internal Revenue Code limitations.

The Plan has an automatic deferral feature whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. The rate increases by 1% each year until it reaches 6%. Deferral will be invested in a designated balanced fund until changed by the participant.

Prior to 2020, the Company made discretionary matching contributions of 50% of the first 8% of participant deferrals limited to a maximum of \$10,000 per year.

Effective January 1, 2020, the Plan became a Qualified Automatic Contribution Arrangement (QACA) Safe Harbor Plan. The Company will make a safe harbor matching contribution in an amount equal to a percentage of employees' elective deferrals. The safe harbor match was \$476,358 and \$458,777 for the year ended December 31, 2021 and 2020. The specified matching percentage for the corresponding level of elective deferrals is shown in the following table.

<u>Elective deferral tier</u>	<u>Matching percentage</u>
not exceeding 1%	100%
exceeding 1%, but not exceeding 3%	75%
exceeding 3%, but not exceeding 6%	50%

BEREXCO LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN (Continued)

Each year, the Company may make a discretionary additional matching contribution up to 4% of participants' compensation or a discretionary nonelective contribution. There was no discretionary additional matching contribution or nonelective contribution for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's deferral and an allocation of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts

Forfeitures of terminated participants' nonvested accounts are used to pay reasonable plan expenses or to reduce future employer contributions. \$0 of forfeitures were used to reduce plan expenses or reduce employer contributions during 2021. Unallocated forfeitures at December 31, 2021 and 2020 were \$5,273 and \$0, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Note terms can range from 1 - 15 years. The notes are secured by the balance in the participant's vested account and shall bear a reasonable rate of interest based on current external market rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants immediately vest in their elective deferrals and rollover contributions plus actual earnings thereon. Participants shall be fully vested with respect to Company contributions upon normal retirement age, disability or death.

For participants terminated employment with the Company before 2020, vesting in the Company's contribution portion of their account is based on years of service as follows:

<u>Years of service</u>	<u>Percent vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

BEREXCO LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN (Continued)

Effective January 1, 2020, vesting in the Company's matching contribution portion of their account is as follows:

<u>Years of service</u>	<u>Percent vested</u>
Less than 2	0%
2	100%

Participants receive credit for one year of service for each plan year, provided 1,000 or more hours of service were completed during the plan year.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reason, participants with vested balances of less than \$5,000 will receive a lump-sum amount equal to the participant's vested account. Participants with vested balances in excess of \$5,000 may elect to receive a lump-sum amount, installments or any combination thereof.

CARES Act

The Plan adopted the applicable provisions of the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") which was signed into law on March 27, 2020. As a result of the CARES Act, qualifying participants may take a distribution of \$100,000 or 100% of their vested balance, whichever is less, until December 31, 2020. Eligible participants who receive a distribution under the CARES Act will not be subject to the standard early withdrawal penalty that generally applies to participants under the age of 59 1/2. Further, the CARES Act temporarily waives the required minimum distribution rules for 2020.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

The financial statements of the Plan have been prepared using the accrual method of accounting and present the net assets available for plan benefits and changes in those net assets based on fair value.

Investments

All investments are stated at fair value, which is based on quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

BEREXCO LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

NOTE C - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant's account shall be fully vested and nonforfeitable.

NOTE D - PLAN EXPENSES

Certain administrative expenses for the Plan are paid directly by the Company.

NOTE E - TAX STATUS

The IRS has determined and informed the prototype's sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE F - INVESTMENTS

During 2021, the Plan's investments in mutual funds (including investments purchased and sold, as well as held during the year) appreciated in fair value by \$3,094,457.

FASB ASC 820-10, Fair Value Measurement, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were used by the Plan.

NOTES TO FINANCIAL STATEMENTS

NOTE G - FAIR VALUE MEASUREMENTS (Continued)

Level 1 Fair Value Measurements

The fair value of the money market funds and mutual funds are based on quoted net asset values of the shares held by the Plan at year end.
