Independent Auditor's Report

To the Administrative & Finance Committee of the
Hale Makua Health Services 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Hale Makua Health Services 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Hale Makua Health Services 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of the Plan

The Hale Makua Health Services 401(k) Plan (Plan) was established in January 2012 to enable employees of Hale Makua Health Services (Company) to save for retirement. The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

a. General

The Plan is a defined contribution plan covering all eligible employees of the Company, who are eligible to participate in the Plan at the date of hire with no minimum age requirement. Participants are eligible for employer contributions starting on the first day of January or July following the day on which the participant completes one year of qualifying service. The Plan's Administrative & Finance Committee (Committee) is responsible for the general administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan documents were restated effective January 1, 2016.

b. Administration of Plan Assets

The Plan's assets are held by the trustees of the Plan, Voya Retirement Insurance and Annuity Company (Voya) and Great-West Trust Company, LLC (Great-West), as of December 31, 2021 and 2020. Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan document. Third party administrator expenses are paid by the Company. All other administrative expenses are the responsibility of the Plan. However, the Company may pay such expenses at its discretion.

Hale Makua Health Services 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of the Plan (continued)

c. Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of 100% of their eligible compensation or the Internal Revenue Code (IRC) limitations. The Company's Board of Directors determines the designated percentage of employee salary deferral contributions that the Company will contribute as matching employer contributions for the plan year. For the years ended December 31, 2021 and 2020, the Company determined the matching employer contribution to be 50% of the participant's elective deferral, up to a maximum of 50% of the first 6% of the participant's eligible compensation.

d. Participant Accounts

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. The Company's contributions are invested in the same manner as that of the participant's elective contributions. Each participant's account is credited with the participant's contribution and the Company's matching contribution; plus, an allocation based on participant earnings or account balances of the Plan's net earnings (losses); less an allocation of Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

e. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution is based on years of continuous service. A participant is 20% vested in the Company's matching contribution after two years of credited service, and an additional 20% per year for each year thereafter until 100% vested after six years of credited service.

Hale Makua Health Services 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of the Plan (continued)

f. Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of the vested portion of their account balance. Notes receivable from participants have terms no longer than five years unless the note is used to acquire a principal residence. They are secured by the balance in the participant's account. Interest rates on the notes are set at the prevailing interest rate charged by area institutional lenders for similar loans and bear interest at rates which ranged from 3.25% to 5.75% at December 31, 2021. All notes receivable from participants as of December 31, 2021 and 2020 were for general purposes and not for the purchase of a principal residence. Principal and interest is paid ratably through monthly payroll deductions. The notes mature on various dates through November 2026.

g. Payment of Benefits

On termination of service due to death, disability, retirement, or other termination of employment, a participant may receive the value of the vested interest in his or her account. Participants may elect to receive the entire value of their accounts in a lump sum or a direct rollover to an eligible retirement plan. Mandatory lump sum distributions will be paid to participants whose vested balance is less than \$1,000. In-service withdrawals are available to all participants on his or her portion of the balance of rollover contribution accounts, at any time, or the entire value of the vested interest in his or her account if the participant has attained age 59 ½.

h. Hardship Withdrawals

Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

i. Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Plan forfeitures are to be used to reduce administrative expenses incurred by the Plan or future employer matching contributions. At December 31, 2021 and 2020, forfeited nonvested accounts amounted to \$12,761 and \$4,971, respectively. For the year ended December 31, 2021, nonvested accounts credited to forfeitures amounted to \$12,761. Forfeitures used for administrative expenses amounted to \$4,971 for the year ended December 31, 2021.

Hale Makua Health Services 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of the Plan (continued)

j. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. In the event of termination of the Plan, all participants become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

a. Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

b. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the trustees and investment advisors. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

c. Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized when earned. Delinquent participant loans are reclassified as distributions when a distributable event has occurred such as termination of employment, death or disability. Related fees are recorded as administrative expenses and are recognized as expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Hale Makua Health Services 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (continued)

d. Contributions Receivable

Contributions receivable are recognized for amounts due from the employer remitted to Great-West after year-end.

e. Payments of Benefits

Benefits are recorded when paid.

f. Expenses

Expenses are recognized when the related liability is incurred. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments, as the fees are paid through revenue sharing rather than a direct payment.

g. Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

h. Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued and it was determined that all subsequent events had been properly accounted for or disclosed.

Hale Makua Health Services 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

3. Information Certified by Trustees

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustees and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustees as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that information provided to the Plan Administrator by the trustees related to the following assets are complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2021	2020
Mutual funds	\$ 12,000,139	\$ 10,319,640
Common collective trust	1,959,906	1,385,250
Guaranteed investment account	819,083	1,380,719
Notes receivable from participants	213,042	295,044
	<u>\$ 14,992,170</u>	<u>\$ 13,380,653</u>

The trustees also certified to the completeness and accuracy of the Plan's net investment income and interest on notes receivable from participants of \$1,299,666 and \$12,486, respectively, related to the aforementioned assets for the year ended December 31, 2021.

4. Common Collective Trust

The common collective trust (CCT) consists of the MetLife Stable Value Fund Series 25157 Class 0 (MetLife Fund). Reliance Trust Company is the trustee and investment manager of the MetLife Fund. The objective of the MetLife Fund is to preserve principal while generating earnings at rates competitive over time with short-term high-quality fixed income investments. The MetLife Fund invests primarily in group annuity contracts issued by the Metropolitan Life Insurance Company.

Hale Makua Health Services 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

4. Common Collective Trust (continued)

The CCT has no significant unfunded commitments, redemption restrictions, or redemption notice periods and is redeemable daily. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the CCT, the trustee of the CCT reserves the right to temporarily delay withdrawal from the CCT in order to ensure the liquidation of the CCT's investments will be carried out in an orderly business manner.

5. Guaranteed Investment Account

The Plan entered into a non-fully benefit-responsive investment contract, the Voya Fixed Plus Account III Fund, which holds a fixed annuity contract with Voya. Voya maintains the balance within its respective guaranteed fixed accounts for participants which are supported by the general assets of Voya and do not have specified underlying assets assigned to them. Voya is contractually obligated to pay the principal and a specified interest rate that is guaranteed to the participant as stipulated by the contract. The guarantee is based on the ability of Voya to meet its financial obligation from its general assets. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value; however, there are certain restrictions associated with transferring amounts out of certain investments offered by the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The Voya Fixed Plus Account III Fund has a minimum guaranteed interest rate of 1.00%. Rates are reviewed on an annual basis for resetting.

6. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures* (ASC 820), establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs consist of unadjusted quoted prices in active markets such as stock exchanges for identical assets or liabilities that the Plan has the ability to access.
- Level 2: Inputs consist of significant other observable inputs such as quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the assets and liabilities, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3: Inputs consist of significant unobservable inputs and include situations where there is little, if any, market activity for the investment. The inputs require significant judgment or estimates.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – based on quoted market prices of each fund, which represents the net asset value (NAV) of shares held by the Plan at year-end.

Guaranteed investment account – fair value approximates contract value as there is no fixed maturity associated with the contract and interest rates adjust periodically based on current market conditions. Contract value represents contributions plus earnings, less participant withdrawals and administrative expenses.

Hale Makua Health Services 401(k) Plan

Notes to Financial Statements
December 31, 2021 and 2020

6. Fair Value Measurements (continued)

Common collective trust – is valued using the NAV provided by the common collective trust managers as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020.

	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 12,000,139	\$ -	\$ -	\$ 12,000,139

6. Fair Value Measurements (continued)

The following is a summary of changes in fair value of Level 3 investments for the year ended December 31, 2021:

Balance, beginning of year	\$ 1,380,719
Interest income	12,345
Sales	<u>(573,981)</u>
Balance, end of year	<u><u>\$ 819,083</u></u>

7. Exempt Party-in-Interest Transactions

Certain Plan investments are managed by Great-West and Voya, and therefore, these transactions qualify as exempt party-in-interest transactions. Notes receivable from participants are also considered exempt party-in-interest transactions.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

In March 2020, there was an outbreak of the novel coronavirus (COVID-19) which impacted the financial markets and the global economy. The outbreak of COVID-19 is still on-going and the magnitude of impact in the financial markets is highly uncertain and cannot be predicted. The related financial impact and duration cannot be reasonably estimated at this time.

9. Tax Status

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan (Pre-Approved Plan). The Pre-Approved Plan has received an opinion letter dated June 30, 2020 from the IRS as to the Pre-Approved Plan's qualified status. The Plan has been amended since receiving the opinion letter. The Pre-Approved Plan's opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC and that the Plan continues to be tax-exempt. Hawaii income tax law conforms to the IRC. Therefore, no provision for federal and state income taxes has been included in the Plan's financial statements. Administration errors, if any, which are insignificant or operational in nature are handled by the Plan Administrator in accordance with applicable IRS correction policies.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has evaluated the Plan's tax positions as of December 31, 2021 and 2020, and determined that the Plan had no uncertain tax positions required to be reported in accordance with U.S. GAAP. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods in progress.
