Board of Directors of White River Area Agency on Aging, Inc.
Don Gregory, Plan Administrator
WRAAA Retirement Savings Plan
Batesville, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **WRAAA Retirement Savings Plan (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (*Continued*)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (*Continued*)

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure

Other Matters (Continued)

2021 Supplemental Schedule Required by ERISA (Continued)

under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WRAAA Retirement Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of the WRAAA Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

General

The Plan, which was established January 1, 2001 and restated April 1, 2021, is a defined contribution plan maintained for the benefit of employees of White River Area Agency on Aging, Inc. (the Employer and Plan Sponsor) who have met eligibility requirements as defined in the Plan. Generally, an employee is eligible to participate in the Plan at the next entry date following the date of hire or attaining age twenty-one. Prior to April 1, 2021, entry dates were January 1 and July 1. Effective April 1, 2021, entry dates are the first day of the Plan year quarter.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Prior to April 1, 2021, the Employer utilized the services of Transamerica, a third-party administrator, to process investment transactions and maintain participant account balances. Transamerica was also the Plan's asset custodian and investment manager. In addition, an employee of the Plan Sponsor and Citizens Bank of Batesville, AR were Trustees of the Plan. Effective April 1, 2021, the Employer began utilizing the services of Mutual of America Financial Group to process participant transactions and maintain participant account balances. In addition, Mid Atlantic Trust Company became custodian and trustee of the Plan's assets. Fees for performing investment management, recordkeeping, compliance and other administrative services related to the Plan were approximately \$40,000 for the year ended December 31, 2021, and are reported as administrative expenses on the statement of changes in net assets available for benefits.

Certain duties related to the administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services. Other expenses paid by the Plan Sponsor on behalf of the Plan totaled approximately \$11,000 for the year ended December 31, 2021.

Contributions

Participants may contribute up to 100% of annual compensation, as defined in the Plan agreement, not to exceed limitations imposed by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Employer may make a discretionary matching contribution on behalf of eligible participants equal to a percentage of each participant's salary deferral. Employer matching contributions are also subject to limitations imposed by the IRS. The amount of the matching contribution, if any, is determined annually by the Employer and may only be received by eligible participants who have at least one year of service, as defined in the Plan agreement, and who are employed on the last day of the Plan year.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, matching contributions and Plan earnings, net of certain administrative expenses. Allocations are generally based on participant account balances or participant earnings as specified in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested at all times in their own contributions and earnings thereon. A participant is fully vested in contributions made by the Employer, plus earnings thereon, when the participant attains retirement age, becomes disabled or dies. If a participant terminates employment for any other reason, he or she will vest in contributions made by the Employer, plus earnings thereon, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 or less	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options

Contributions to the Plan are invested as directed by the participants. Participants may invest in various mutual funds offered by the Plan. Participants may change their investment options at any time.

Forfeitures

The non-vested portion of a participant's account balance to which the participant is not entitled upon termination is deemed a forfeiture. As allowed under the Plan agreement, forfeitures are used to pay administrative expenses or reduce employer contributions. During the year ended December 31, 2021, forfeitures totaling approximately \$8,300 were used to pay administrative expenses and reduce employer contributions. There were approximately \$25,000 and \$9,800 in forfeitures available for future allocation at December 31, 2021 and 2020, respectively.

Payment of Benefits

Upon termination of service, a participant whose vested account balance does not exceed \$5,000 may receive the value of the vested interest in his or her account as a lump-sum amount. A participant whose vested account balance exceeds \$5,000 upon termination of service, may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, a partial payment or in installments over a period of not more than the participant's (or designated beneficiary's) assumed life expectancy.

WRAAA Retirement Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

In case of immediate and heavy financial hardship, a participant may withdraw all or a portion of the value of his or her account. A withdrawal shall be deemed for purposes of an immediate and heavy financial hardship if the withdrawal is necessary for certain eligible expenses, such as medical care, cost related to the purchase of a principal residence for the participant, payment of tuition and related education fees for the next twelve months of post-secondary education, payments necessary to prevent eviction of the participant from his or her principal residence or to avoid foreclosure on said residence, payments for funeral or burial expenses, expenses to repair damage to the participant's principal residence or expenses for disasters arising from federally declared disasters.

Termination of the Plan

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes realized and unrealized gains and losses on investments bought and sold, as well as those held during the year.

Investment Contract with Insurance Company

Prior to April 21, 2021, the Plan was party to a group annuity contract with Transamerica Life Insurance and Annuity Company which consisted of pooled separate accounts and a stable value fund. Effective April 21, 2021, the group annuity contract was terminated, and the Plan's investment assets were liquidated and transferred to the Mid Atlantic Trust Company for investment in the various mutual fund offerings of the Plan.

Notes to Financial Statements December 31, 2021 and 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Contract with Insurance Company (Continued)

Pooled Separate Accounts

Pooled separate accounts are investment options offered by Transamerica that are similar to mutual funds, except that the investments in pooled separate accounts may only be made by Transamerica contract holders. The underlying assets that comprise the various pooled separate account options may include mutual funds, cash and cash equivalents, U.S. and foreign debt and equity securities, real estate and mortgages. The pooled separate accounts are not obligations of Transamerica, and the return on these accounts is not guaranteed.

Stable Value Fund

The stable value fund is composed of a fully benefit-responsive investment contract. The repayment of principal and interest accumulated in the stable value fund is a financial obligation of Transamerica. Although participants may make withdrawals at contract value without condition, limitation or restriction, certain events may limit the Plan's ability to transact at contract value with Transamerica. Such events include certain amendments to the Plan, such as a complete or partial termination or merger with another plan; bankruptcy of the Plan Sponsor or other events attributable to the Plan Sponsor that cause a significant withdrawal from the Plan; or failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. In addition, realization of the full contract value may no longer be probable in certain situations, such as a significant decline in the creditworthiness of Transamerica.

The stable value fund seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment choices have a portfolio investment rate design in which all deposits in the particular investment choice are credited with the same interest rate on a daily basis, and with no set maturity. The effective credited interest rate is set semi-annually and effective on the first day of the semi-annual period. Contract charges may reduce this return. The stable value fund is not a separate account investment choice, but rather it is an investment in Transamerica's general account.

Payment of Benefits

Benefits are recorded when paid. There are no amounts allocated to withdrawing participants that have not been paid at December 31, 2021 and 2020.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY PLAN CUSTODIAN AND TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all information pertaining to the Plan's investments and related investment activity reflected in the financial statements and supplemental schedule was certified by the Plan's custodian, Transamerica, as of December 31, 2020, and for the period January 1, 2021 through April 21, 2021, and the Plan's trustee, Mid Atlantic Trust Company, as December 31, 2021, and for the period April 21, 2021 to December 31, 2021. This information was not subject to audit procedures except for comparing it to the related information included in the financial statements and supplemental schedule.

The following information included in the accompanying financial statements, related notes and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Plan's custodian and trustee.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Money market mutual funds and mutual funds:

The fair value is based on the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts and Stable Value Fund

The pooled separate accounts and stable value fund are valued at the NAV of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2021				
Money market mutual funds	\$ 611,684	\$ 611,684	\$ -	\$ -
Mutual funds	<u>6,209,262</u>	<u>6,209,262</u>	<u>-</u>	<u>-</u>
	<u>\$ 6,820,946</u>	<u>\$ 6,820,946</u>	<u>\$ -</u>	<u>\$ -</u>
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2020				
Investments measured at net asset value ^(a)				
	<u>\$ 6,520,952</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
	<u>\$ 6,520,952</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

Guaranteed Interest Account	<u>1,680,036</u>	<u>\$ -</u>	<u>Daily</u>	<u>Daily</u>
	<u>\$ 6,520,952</u>			

NOTE 5: TAX STATUS

Effective April 1, 2021, the Plan executed an adoption agreement for the Mutual of America Life Insurance Company Non-Standardized Defined Contribution Pre-Approved Plan (the Prototype). As an adopter of the Prototype, the Plan is not subject to tax under present income tax law.

WRAAA Retirement Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

NOTE 5: TAX STATUS (Continued)

The Prototype obtained its latest opinion letter on March 31, 2014, in which the IRS informed Mutual of America that the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Prototype has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however, there are currently no audits for any tax periods in progress.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market and credit risks. In addition, certain of the investment options available to Plan participants may invest in foreign securities. There are certain additional risks involved when investing in funds with underlying foreign securities that are not present with investments in domestic securities. These risks may involve foreign currency exchange rate fluctuations, adverse political and economic developments and the possible prevention of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Plan's financial statements.

In addition, the COVID-19 pandemic remains a rapidly evolving situation. The extent of the impact of the COVID-19 pandemic on the Plan, if any, will depend on future developments, including the duration of the outbreak and the related impact on consumer confidence and spending, all of which are highly uncertain.

NOTE 7: SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 29, 2022, the date that the financial statements were available to be issued.

Market disruptions associated with the current geopolitical events have had a global impact, and uncertainty exists as to their implications. Such disruptions can adversely affect assets and thus performance of investments; however, at this time, an aggregate effect on assets and performance cannot be reasonably estimated. Management of the Plan is continuing to monitor these developments and evaluate other impacts they may have on the Plan's investments.
