INDEPENDENT AUDITOR'S REPORT

Board of Trustees
International Association of Heat and Frost Insulators and Asbestos
Workers Union Local No. 75 Indiana Retirement Fund
South Bend, Indiana

Opinion

We have audited the accompanying financial statements of International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 Indiana Retirement Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 Indiana Retirement Fund as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 Indiana Retirement Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 Indiana Retirement Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chi International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 Indiana Retirement Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 Indiana Retirement Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In our opinion, the information in the accompany schedule is fairly stated, in all material respect, in relation to the financial statements as a whole, and the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Our audits were made for the purpose of forming an opinion on the basic financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of reportable transactions referred to as "supplemental information", is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 Money Purchase Plan was established June 1, 2001. Effective January 1, 2017, the Plan was frozen and concurrently merged into the new International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 Indiana Retirement Fund (Plan). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multiemployer defined contribution plan covering substantially all members of the International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75 that have agreed to participate in the Plan and have satisfied eligibility requirements, as defined in the Plan agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan agreement provides that employer companies make contributions to the Plan for each employee participant in accordance with the collective bargaining agreement with the local union, for each hour paid. Participants are not permitted to make contributions to the Plan.

Individual Accounts

An individual account is established for each participant. The individual account is credited with employer contributions made on the participant's behalf, and is adjusted for any earnings, contingency allocations and administrative and related expenses, if any. The Plan allows for participant directed investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are 100% vested after the Plan has received contributions for one hundred and twenty hours worked. Contributions for those initial hours are allocated to the contingency account for the purpose of paying expenses approved by the Trustees, as defined in the Plan document.

Payment of Benefits

On termination of service, a participant may elect to receive the value of the participant's individual account, as defined, in the form of a qualified annuity or in a lump-sum as provided in the Plan document. Hardship withdrawals are permitted under certain circumstances. On April 28, 2020 the Plan was amended to allow Coronavirus-related distributions as disclosed in Note 10.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Note 2 – Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Trustees to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions Receivable

Employer contributions due and paid prior to the end of the month following the Plan year-end are recorded as contributions receivable.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review

Subsequent events were evaluated through October 15, 2022, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

INTERNATIONAL ASSOCIATION OF HEAT AND FROST INSULATORS AND ASBESTOS WORKERS
UNION LOCAL NO. 75 INDIANA RETIREMENT FUND

NOTES TO FINANCIAL STATEMENTS

Note 3 – Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Short-term Investments – Based upon quoted market prices of the shares held by the Plan at year-end, or when no quoted market prices are available, fair value is estimated to approximate the cost basis of the deposit account balance, based upon the liquidity of the account and the credit quality of the issuer.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents the fair value of investments at December 31, 2021 and 2020.

		Fair Value Measurements At Reporting Date Using:

NOTES TO FINANCIAL STATEMENTS

Note 4 – Contingency Account

The first 120 hours of contributions received for each new participant and a portion of hourly contributions thereafter are contributed to the Plan's contingency account. The contingency account was established for the purpose of paying Trustee approved administrative expenses. The balance in the contingency account at December 31, 2021 and 2020 was \$513,849 and \$456,954, respectively. No amounts from the contingency account were used to pay administrative expenses in 2021 or 2020.

Note 5 – Plan Termination

The Trustees have the right to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, each participant remains 100 percent vested in his or her Individual Account, as defined by the Plan agreement.

Note 6 – Major Participating Employers

The Plan had three major participating employers which accounted for approximately 83% and 60% of the employers' contributions to the Plan for the years ended December 31, 2021 and 2020, respectively.

Note 7 – Related Party Transactions

During 2021 and 2020, certain administrative expenses for payroll, related payroll expenses, postage, insurance, and office supplies of the Plan were paid by the International Association of Heat and Frost Insulators and Asbestos Workers Union Local No. 75. Total reimbursements made by the Plan for these expenses were \$8,229 and \$11,900 for the years ended December 31, 2021 and 2020, respectively.

Note 8 – Tax Status

The Plan has obtained a favorable tax determination letter on December 19, 2016 from the Internal Revenue Service (IRS) of its tax exempt status and the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax years in progress.

Note 9 – Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On January 30, 2020, the World Health Organization (WHO) declared the novel coronavirus outbreak (COVID-19) a public health emergency. In March 2020, the WHO classified the outbreak as a pandemic based on the rapid increase in exposure globally. The full impact of the outbreak on the Plan continues to evolve, as is the duration and severity that the Plan Sponsor may experience. The financial impact and duration cannot be reasonably estimated by Plan management at this time.

Note 10 – Plan Amendments

Participants should refer to the plan document for a more complete description of plan amendments.

Effective January 1, 2020, the Plan was amended to add the following forms of benefit:

- Required Beginning Date means as follows:
 - a) In the case of a Participant who attains age 70-1/2 prior to January 1, 2020, the April 1st of the calendar year following the calendar year in which the Participant reaches age seventy and one-half (70-1/2); or,
 - b) In the case of a Participant who attains age 70-1/2 on or after January 1, 2020, the date that the Participant attains age 72.
- A Participant who has left covered employment for a period of six (6) consecutive months shall be entitled to have the value of his Participant's Account paid out in the form of a lump sum or as an annuity.
- A Participant who is a parent can elect to receive an early withdrawal of an amount of up to Five Thousand Dollars (\$5,000) from his Account, as elected by him, as a result of the birth or adoption of his or her child.

Effective April 28, 2020, the Plan was amended to add the following forms of benefit payments as allowed by The Coronavirus Aid, Relief, and Economic Security (CARES) Act:

- A Participant can request a distribution from his Account Balance at any time prior to December 31, 2020, provided that such distribution qualifies as a Coronavirus-Related Distribution.
- The maximum amount available for a Coronavirus-Related Distribution cannot exceed Twenty Thousand Dollars (\$20,000).
- Any such distribution made pursuant to this section will not be subject to the ten percent (10%) early distribution penalty tax under Code Section 72(t).
- Without regard to the regular Contribution limits set forth this Plan, the plan will accept a repayment of a Coronavirus-Related Distribution and will treat such repayment as a Rollover Contribution, provided that such repayment is made by such Participant within three (3) years after the date of such distribution.
