INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
IVI America, LLC 401(k)
Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of IVI America, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to

auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of IVI America, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2022, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following description of IVI America, LLC 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan provisions.

General

The Plan is a defined contribution plan established January 1, 2000 under the provisions of the Internal Revenue Code. It is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). In general, the Plan covers employees of IVI America, LLC, and certain affiliated entities, who have completed 60 days of service, as well as certain self-employed members of one or more of the affiliated entities which participate in the Plan.

The following is a list of employers whose employees are covered under the Plan, hereinafter referred to as the "Company" or "Group":

IVI America, LLC
RMA of New Jersey, LLC
Reproductive Medicine Associates of Lehigh Valley, P.C.
RMANJ Management, LLC
Reproductive Medicine Associates of Florida, LLC

Reproductive Medicine Associates of Northern California, P.C.
RMA Northern California Management, LLC

During the year ended December 31, 2019, the assets of both the Reproductive Medicine Associates of Philadelphia, P.C. 401(k) Plan and Trust ("RMAPHL Plan"), and the Reproductive Medicine Associates of Lehigh Valley, P.C. 401(k) Plan ("RMALHV Plan") were merged with and into the Plan, with all participants of those plans becoming eligible for participation in the Plan, effective January 1, 2019. Total assets transferred to the Plan in conjunction with the merger amounted to \$8,705,375, including investment assets of \$8,601,511, participant loans of \$87,718, and employer contributions receivable in the amount of \$16,146. The companies sponsoring the merged plans became affiliated with IVI America during 2017 (Reproductive Medicine Associates Philadelphia, LLC and RMAPHL Management, P.C.) and 2018 (Reproductive Medicine Associates of Lehigh Valley, P.C.) and adopted the provisions of the Plan effective January 1, 2019.

NOTE 1 - Description of Plan (continued)

During the year ended December 31, 2021 the Plan initiated a change to the trustee/custodian from Great-West Life & Annuity Insurance Company to Fidelity Investments, which became effective during January 2022. In conjunction with the change in trustee/custodian, certain plan investments were liquidated shortly before year end in contemplation of the transfer to the new custodian, resulting in the temporary accumulation of cash investments of \$43,344,961. This cash was transferred to Fidelity Investments (new trustee/custodian) on January 3, 2022.

Contributions

Participant Contributions

Participants may elect to contribute a portion of their compensation to the Plan, up to the maximum percentages and amounts allowable under Internal Revenue Service ("IRS") guidelines (\$19,500 in 2021 and 2020). Participants aged fifty or older are permitted to make annual "catch-up" contributions to the Plan, up to a maximum of \$6,500 for each of the years ended December 31, 2021 and 2020. The catch-up contributions are made in addition to standard elective deferrals. Participants may also contribute amounts distributed from other retirement plans or certain IRA's (rollover contributions).

The Plan provides for automatic deferrals of six (6%) percent of compensation for new participants, when no other election is made. Contributions related to automatic deferrals are allocated to certain default investment elections provided by the Plan administrator, based on the age of the participant (certain target date retirement funds which are managed based on an expected future payout date).

Company Contributions

The Company may choose, at its discretion, to make annual profit sharing contributions and/or employer matching contributions to the Plan. Employer matching contributions are allocated among all participants having met the 60-day eligibility requirements, while employer profit sharing contributions are allocated among all employees who have completed one year of service and are actively employed on the last day of the plan year.

During the years ending December 31, 2021 and 2020, the Company elected to make matching contributions equal to twenty-five (25%) percent of the initial six (6%) percent of elective compensation deferrals. No discretionary contributions were declared by the Company for either 2021 or 2020.

NOTE 1 - Description of Plan (continued)

Participant Accounts

Each participant's account is credited with (a) the participant's contributions, (b) the participant's share of the employer contributions, if any, (c) an allocation of earnings and, where applicable, (d) an allocation of forfeitures of terminated participants' non-vested accounts. Allocations are based on participant account balances, eligible compensation, or the level of participant contributions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon, plus any rollover contributions made to the Plan. Vesting in the employer contribution portion of a participant's account, plus earnings thereon, is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Investment Options

Participants may direct salary deferral and related employer contributions made on their behalf, plus actual earnings thereon, among various investment options offered by the Plan. Participants may change their investment options at their discretion.

Payment of Benefits

On termination of service, a participant may elect to receive the participant's vested interest in his or her account in a lump-sum amount. The Plan also provides for hardship withdrawals and for in-service distributions for Participants aged 59 1/2 or older. Benefit payments are recorded when paid.

Forfeited Accounts

In the event a Plan participant's employment with the Company is terminated prior to their becoming fully vested in their employer contribution accounts, the non-vested portion of their account is forfeited and placed in a separate investment account held by the Plan. Forfeitures occur at such time as the terminated participant incurs a five-year break in service, or the date that the terminated participant's vested account balance is distributed, if earlier. Forfeitures can be used to fund plan expenses or to reduce employer matching contribution obligations.

NOTE 1 - Description of Plan (continued)

Forfeited Accounts (continued)

During the years ended December 31, 2021 and 2020, forfeitures in the amount of \$36,508 and \$25,050 respectively, were reallocated to participants in lieu of matching contributions due to the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or fifty (50%) percent of their vested account balance, subject to certain provisions outlined in the Plan document. Loan terms range from 1 to 5 years, or up to 30 years for the purchase of a primary residence. Participants may not have more than one loan outstanding at a time. Loans are secured by the balance in the participant's account and bear interest at a rate of prime plus one percent as determined by the Wall Street Journal during the month the loan originates. Principal and interest are paid in equal installments through payroll deductions.

NOTE 2 - Summary of Accounting Policies

The significant accounting policies followed in preparation of the financial statements of the Plan are summarized below.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, in accordance with accounting principles generally accepted in the United States ("GAAP"). The Plan also prepares and files Form 5500 under the accrual method of accounting, and therefore, there are no material reconciling items between financial information reported on Schedule H of the Plan's 5500 versus these financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

IVI AMERICA, LLC
401(k) PROFIT SHARING PLAN

NOTE 2 - Summary of Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Notes receivable from participants are valued at cost, which approximates fair value.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

NOTE 2 - Summary of Accounting Policies (continued)

Fair Value Measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value (“NAV”) of shares held by the plan at year end.

Fixed annuities: Reported at contract value, which is equal to fair value. Valued using a discounted cash flow valuation methodology, based on current yields of similar financial instruments with comparable duration, considering the credit-worthiness of the issuer, whereby the interest rate is reset at least as frequently as annually.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

IVI AMERICA, LLC
401(k) PROFIT SHARING PLAN

NOTE 2 - Summary of Accounting Policies (continued)

Fair Value Measurements (continued)

There were no significant transfers between Levels 1, 2 and 3 for the years ended December 31, 2021 and December 31, 2020.

Mutual Fund Fees

Some investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads and/or 12b-1 fees (recurring fees charged for a funds marketing and distribution costs). Some of these fees are deducted directly by the funds prior to the determination of each fund's net asset value, and thus are not separately identifiable as an expense on these financial statements.

NOTE 3 - Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

If a participant ceases to make loan repayments and the plan administrator deems the default to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Deemed distributions from defaulted loans amounted to \$33,364 and \$15,699 for the years ended December 31, 2021 and 2020, respectively.

NOTE 4 - Delinquent Participant Contributions

During 2021 and 2020, the Company failed to transmit certain participant salary deferral contributions to the Plan within the time period prescribed by ERISA, in amounts aggregating \$221,850 and \$1,091,513, respectively. Late transmissions of participant contributions constitute a prohibited transaction under ERISA section 406, regardless of materiality. The Company had been contributing the delinquent funds to the Plan during the year, based on pay-date withholdings, but occasionally failed to do so in a timely manner.

The administrator reimbursed the Plan for lost earnings on delinquent funding of employee 2020 salary deferral contributions on October 6, 2021, in the aggregate amount of \$2,098. The administrator is in the process of computing lost earnings on delinquent contributions occurring in 2021. Related excise taxes have been and will be paid by the Company.

NOTE 5 – Information Prepared and Certified by Great-West Life & Annuity Insurance Company

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to be complete and accurate by Great-West Life & Annuity Insurance Company, the trustee, as of, and for the years ended, December 31, 2021 and 2020.

	<u>December 31,</u>	
	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$1,738,040	\$38,001,676
Interest and dividends	1,630,740	851,035
Net appreciation in fair value of investments	4,542,263	4,743,844

NOTE 6 - Investment Contract with Insurance Company

As of December 31, 2021 and 2020, the Plan held a group annuity contract with Great West Life and Annuity Insurance Company: Key Guaranteed Portfolio Fund (the "Fund"). The Fund guarantees principal and a rate of interest that will be credited to participant accounts at rates that are reset on a quarterly basis. Interest is credited daily to the group contract holder on a portfolio basis, based on the asset-weighted average of the guaranteed interest rates for these balances (which will never be less than 0% as stated in the contract).

The contract is included in the statements of net assets available for benefits at contract value, which was equal to its fair value as reported to the Plan by Great West. The fair value of the group annuity contract at December 31, 2021 and 2020 was \$1,738,040 and \$1,582,203, respectively. As described in Note 2, contract value is the relevant measurement attribute for this investment. Contract value, as reported to the Plan by Great West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events could limit the Plan's ability to transact at contract value with Great West. The Plan administrator believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

NOTE 7 - Tax Status

The Plan has on file an opinion letter from the Internal Revenue Service stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form

IVI AMERICA, LLC
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 7 - Tax Status (continued)

of the Plan will be considered to have a plan qualified under Section 401(a) of the Code.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan has been amended since the effective date of the determination letter. However, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, the Plan is qualified and the related trust is tax exempt.

The Plan's federal tax/informational returns are subject to possible examination by the applicable taxing authorities until the expiration of the related statutes of limitations on those tax returns. In general, federal tax/informational returns have a three year statute of limitations.

NOTE 8 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Administrator may determine is appropriate.

NOTE 9 - Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company. Participants are charged fees, as provided under the Plan, for certain procedures directly allocable to the maintenance of their account balances, including processing fees related to loan applications, hardship distributions, termination distributions, and/or preparation of Qualified Domestic Relations Orders.

NOTE 10 - Related Party Transactions

Certain plan investments held during 2021 and 2020 were shares in mutual funds and fixed annuities managed by Great-West Trust Company, LLC. Great-West Trust Company, LLC acts as the Plan's custodian and, accordingly, these transactions qualify as party-in-interest transactions.

IVI AMERICA, LLC
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 11 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 12 - Impact of Coronavirus (COVID-19)

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Action taken around the world to help mitigate the spread of the coronavirus included restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, which could adversely affect investment returns and valuations.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participant account balances and amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have on the Plan's operations.

NOTE 13 - Subsequent Events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 14, 2022, the date the financial statements were available to be issued.
