Retirement Committee
Hickory Springs Employees 401(k) Plan
Hickory, NC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the 2021 financial statements of the Hickory Springs Employees 401(k) Plan (the "Plan") an employee benefit plan subject to Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of Plan

The following description of the Hickory Springs Employees 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Hickory Springs Manufacturing Company and Subsidiaries (the "Company"). The Plan covers all employees who have completed 1 month of employment and attained 18 years of age. The Retirement Committee of the Company controls and manages the operations and administration of the Plan. Fidelity Management Trust Company serves as the trustee of the Plan (the "trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective April 30, 2021, assets of \$13,923,139 were transferred into the Plan from Atlanta Attachment Company 401(k) Profit Sharing Plan.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and approved changes to the Plan in 2020 to temporarily (i) add COVID-19-related distributions of up to \$100,000 for eligible participants, (ii) suspend required minimum distributions for 2020, and (iii) the suspension of loan payments for up to one year. These temporary CARES Act provisions expired at the end of 2020. The Plan will be amended to reflect these changes prior to the December 31, 2025 deadline.

Contributions

Participants are eligible to contribute between 1% and 75% of their pre-tax or after-tax annual compensation, as defined by the Plan, subject to Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 and are contributing the maximum allowable contributions before the end of the Plan year are eligible to make catch-up contributions. Participants also make Roth after-tax contributions and may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company makes safe harbor matching contributions equal to 100% of the first 3% of base compensation that a participant contributed to the Plan and 50% of a participant's contributions in excess of 3%, but not greater than 5% of a participant's compensation. The Company may also make discretionary matching contributions each Plan year. The Company elected not to make any discretionary matching contributions for the year ended December 31, 2021. Contributions are subject to certain limitations.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers a variety of mutual funds, a money market fund, and common collective trust funds as investment options for participants.

Hickory Springs Employees 401(k) Plan

Notes to Financial Statements

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings (losses), and charged with benefit payments, transaction fees related to loans and distributions, and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, the Company's matching contributions, and actual earnings thereon. Prior profit-sharing contributions for participants transferring in from the Atlanta Attachment Company 401(k) Profit Sharing Plan vest based on the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5 or more	100%

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to the prime rate as of the date of the loan plus 1%. At December 31, 2021, outstanding loans bore interest rates between 4.25% and 7.50%, with various maturities through April 2029. Principal and interest is paid ratably through payroll deductions.

Benefit payments

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, in installments under a systematic withdrawal plan, or as a partial withdrawal. Participants are also entitled to withdraw all or a portion of their vested account balance upon attaining age 59½. A participant with a balance equal to or greater than \$1,000, who terminates prior to retirement, may elect to hold their benefit in the Plan until age 72. In certain hardship situations, as described in the plan document, participants may withdraw part of their vested account balance.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$319 and \$16,287, respectively. These accounts will be used to pay administrative expenses or to reduce future Company contributions. During 2021, forfeitures of \$22,297 were used pay administrative expenses.

2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income, including interest income on notes receivable from participants, is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

Benefits are recorded upon distribution.

Administrative expenses

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (such as distributions and loans) are charged directly to the participant's account.

Subsequent events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

3. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

Level 1: Observable inputs such as quoted prices in active markets.

Level 2: Inputs other than quoted prices in active markets that is either directly or indirectly observable.

Level 3: Unobservable inputs about which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities, and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds and money market fund

Mutual funds and money market funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Common collective trust funds

These funds are valued at the net asset value ("NAV") of units of the collective funds as determined by the trustee. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investments for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The common collective trust funds are not required to be classified within a level on the fair value hierarchy.

Hickory Springs Employees 401(k) Plan
Notes to Financial Statements

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds and money market fund	<u>\$ 56,191,123</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 56,191,123</u>
Total assets in the fair value hierarchy	<u>\$ 56,191,123</u>	<u>\$ -</u>	<u>\$ -</u>	<u>56,191,123</u>
Investments measured at net asset value (a)				<u>23,244,113</u>
Investments at fair value				<u>\$ 79,435,236</u>

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 40,231,508</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 40,231,508</u>
Total assets in the fair value hierarchy	<u>\$ 40,231,508</u>	<u>\$ -</u>	<u>\$ -</u>	<u>40,231,508</u>
Investments measured at net asset value (a)				<u>21,292,846</u>
Investments at fair value				<u>\$ 61,524,354</u>

(a) *In accordance with Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.*

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value at December 31, 2021	Fair Value at December 31, 2020	Unfunded Commitments	Other Redemption Restrictions	Redemption Notice Period
Managed Income Portfolio Class II	\$ 13,676,854	\$ 12,877,239	None	Daily	N/A
ACQI ex-US Index	23,772	4,434	None	Daily	N/A
Aggregate Bond Index Fund	283,709	448,003	None	Daily	N/A
Extended Equity Market Index Fund	296,924	142,345	None	Daily	N/A
S&P 500 Index	8,962,854	7,820,825	None	Daily	N/A

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Unaudited Investment Information Certified by Trustee

The accompanying financial statements include the following unaudited information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that was obtained from data prepared and certified to be complete and accurate by the Plan's trustee.

	<u>2021</u>	<u>2020</u>
Investments	<u>\$ 79,435,236</u>	<u>\$ 61,524,354</u>
Notes receivable from participants	<u>\$ 1,058,079</u>	<u>\$ 1,225,449</u>
Net appreciation in fair value of investments	<u>\$ 4,006,076</u>	
Interest and dividend income	<u>\$ 4,100,879</u>	
Interest income on notes receivable from participants	<u>\$ 61,448</u>	

The certification mentioned above includes all investment information discussed in Note 3.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. Exempt Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity Management Trust Company, the trustee as defined by the Plan, and therefore these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment management services and recordkeeping services amounted to \$178,983 for the year ended December 31, 2021.

7. Tax Status

The Plan has not obtained a determination letter from the Internal Revenue Service ("IRS") stating that the Plan was in compliance with the applicable requirements of the IRC. The Plan is relying on the IRS approval of the Volume Submitter Profit Sharing Plan with CODA that it is utilizing. The IRS has determined and informed the volume submitter plan sponsor by a letter dated June 30, 2020, that the volume submitter plan document was designed in accordance with applicable provisions of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Hickory Springs Employees 401(k) Plan

Notes to Financial Statements

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Return of Excess Contributions

Contributions received from participants for 2020 are net of payments of \$220,963 made to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.

10. Reconciliation of Financial Statements to Form 5500

The Form 5500 has been prepared using the fair value of the underlying investments held by collective trust investments managed by the trustee, instead of using NAV as the practical expedient to estimate fair value (see Note 3). The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Schedule H of Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 80,530,257	\$ 62,528,840
Excess contributions payable	-	220,963
Adjustment from NAV to fair value for common collective trust investments	121,717	451,016
Deemed defaulted loans	<u>(110,212)</u>	<u>(63,200)</u>
Net assets available for benefits per Form 5500	<u>\$ 80,541,762</u>	<u>\$ 63,137,619</u>

Hickory Springs Employees 401(k) Plan
Notes to Financial Statements

The following is a reconciliation of the change in the net assets available for benefits per the accompanying 2021 financial statements to net income per Schedule H of Form 5500:

Net change in net assets per the financial statements	\$ 4,078,278
Prior year excess contributions payable	(220,963)
Change in deemed defaulted loans	(47,012)
Change in adjustment from NAV to fair value of common collective trust investments	<u>(329,299)</u>
Net income per Form 5500	<u>\$ 3,481,004</u>
