Watts Healthcare Corporation Money Purchase Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Watts Healthcare Corporation Money Purchase Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, except for the matter described in the Basis for Qualified Opinion section of our report, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Qualified Opinion on the 2021 Financial Statements

The Plan was not audited and was not able to file audited financial statements with Form 5500 from 2016 through 2020. Moreover, there was a turnover in the Human Resources Department in 2021. Due to these circumstances, certain employee and contribution information are no longer available as audit evidence during our audit. We were unable to determine the accuracy of participant information, evaluate the proper inclusion or exclusion of employees from the Plan, and calculate and reconcile employer contributions for certain participants selected for testing. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the contributions and the contributions receivable reported in the financial statements have been affected by these conditions and evaluate whether there are delinquent contributions that should have been reported in Schedule H Line 4a – Schedule of Delinquent Participant Contributions.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We were unable to apply auditing procedures sufficient to evaluate whether there are delinquent contributions that should have been reported in Schedule H Line 4a – Schedule of Delinquent Participant Contributions as required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, except for the effects of the omission of Schedule H 4a - Schedule of Delinquent Participant Contributions, as described in the Basis for Qualified Opinion section:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

The Plan was not audited and did file audited financial statements with Form 5500 from 2016 through 2020. Moreover, there was a turnover in the Human Resources Department in 2021. Due to these circumstances, certain information including employee files, payroll records, and contribution reports are no longer available as audit evidence during our audit. We were unable to determine the accuracy of participant information, evaluate the proper inclusion or exclusion of employees from the Plan, and calculate and reconcile employer contributions for certain participants selected for testing. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions and evaluate whether there are delinquent contributions that should have been reported in Schedule H Line 4a – Schedule of Delinquent Participant Contributions.

In our report dated October 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Watts Healthcare Corporation Money Purchase Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective April 1, 2003, is a defined contribution pension plan covering all employees of Watts Healthcare Corporation (WHCC) who have completed at least 1,000 hours of service during a consecutive twelve-month period and attained a minimum age of 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The amount of annual contributions to be made with respect to any eligible participant by WHCC shall be equal to 5% of the participant's eligible compensation, as defined in the Plan agreement. WHCC is the sole contributor to the Plan, and all of the Plan's administrative costs are paid by WHCC as the Plan Administrator. Contributions by WHCC are designed to fund the Plan on a current basis.

Annual additions, as defined, to each participant's account may not exceed the lesser of \$58,000 or 25% of the participant's compensation for 2021 and \$57,000 or 25% of the participant's compensation for 2020, respectively.

Participant Accounts

Each participant's account is charged or credited with the contributions, net earnings, gains, losses and expenses as well as any appreciation or depreciation in the fair value of investments. For assets in a participant's account that are accounted for as pooled assets or investments, the allocation of earnings, gains and losses of each participant's account shall be based upon the total amount of funds so invested in a manner proportionate to the participant's share of such pooled asset or investment. For assets in the participant's account that are accounted for as segregated assets, the allocation of earnings, gains and losses from such assets shall be made on a separate and distinct basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A Plan participant shall become vested in his or her participant account under the following schedule:

Watts Healthcare Corporation Money Purchase Plan

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

A participant is 100% vested after five years of service or upon death, disability, or retirement.

Payment of Benefits

Participants are entitled to receive 100% of their account under the Plan upon reaching the normal retirement age of 65. Participants are also entitled to 100% of their account when they become disabled.

On distribution of benefits due to retirement, termination, or any other event, benefits may be distributed to the participant in various methods. The methods depend on the participant's marital status, as well as the election the participant and the participant's spouse make. All methods of distribution have equivalent values.

Investment Options

Participants may direct employer contributions, as desired, in any of several investment options held by the trustee and may change their investment options anytime.

Forfeitures

If a participant's employment with WHCC is terminated under certain conditions, the participant will forfeit the non-vested portion of his or her account. Amounts forfeited by participants will be recorded in the forfeited non-vested accounts which will be used to offset future employer contributions.

The changes in the Plan's forfeiture account balance for the years ended December 31, 2021 and 2020 are as follows:

	<u>2021</u>	<u>2020</u>
Balance, January 1	\$ 89,534	\$ 52,884
Forfeitures during the year	111,599	35,949
Investment gain	906	701
Balance, December 31	\$ <u>202,039</u>	\$ <u>89,534</u>

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of its assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates made.

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts are stated at fair value. Fair value is the price that would be received if an asset is sold or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurement.

The annuity contract and unallocated insurance contract are stated at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts. Contract value represents deposits made to the contract, plus earnings at crediting rates, less withdrawals and fees. See Note 6 for discussion of annuity contract and unallocated insurance contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

Non-investment costs and administrative expenses are paid by the plan sponsor which is a party-in-interest. These expenses, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions under ERISA. Fees paid by the Plan participants to the third-party administrators for administrative expenses amounted to \$2,247 and \$2,905 for the years ended December 31, 2021 and 2020, respectively.

NOTE 3 INCOME TAX STATUS

The Internal Revenue Service has determined and informed WHCC by a letter dated December 27, 2004, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements.

NOTE 4 INFORMATION CERTIFIED BY CUSTODIANS

The Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Mutual of America Life Insurance Company (Mutual of America) and Prudential Retirement Insurance and Annuity Company (PRIAC), the current and former custodians of the Plan, respectively. The Plan Administrator has obtained certifications from the custodians that information provided to the Plan Administrator by the custodians related to the Plan assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020;
- Investment information disclosed in Notes 5 and 6 to the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021.

NOTE 5 FAIR VALUE MEASUREMENT

The Plan measures its investments in accordance with Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*. ASC Topic 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Basis of Fair Value Measurement:

- Level 1:* Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market for the asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.
- Level 2:* Observable inputs other than Level 1 measurement such as quoted price for similar assets or liabilities; quoted market prices in markets that are active; or model-derived valuations of other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.
- Level 3:* Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Pooled separate accounts: Valued on a net unit value basis as determined by the custodian on the last business day of the Plan year. Net asset value is quoted by the funds as derived from the fair value of the funds' underlying investments. The investments underlying the Plan's pooled separate accounts primarily include domestic and international equities and domestic fixed income securities. The trustee may make adjustments to achieve a price believed to be more reflective of fair value.

The method described above may produce a fair value calculation that may not be indicative of a net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements
Years ended December 31, 2021 and 2020

NOTE 5 FAIR VALUE MEASUREMENT (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

		December 31, 2021			
		Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$	-	\$ 8,179,104	\$ -	\$ 8,179,104

		December 31, 2020			
		Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$	-	\$ 2,009,741	\$ -	\$ 2,009,741

NOTE 6 INVESTMENTS AT CONTRACT VALUE

Annuity Contract - The Plan has an annuity contract with Mutual of America. The funds held in the Interest Accumulation Account of Mutual of America's General Account are credited with Current Rate of Interest as determined by Mutual of America. Mutual of America reserved the right to change the interest rates applicable to the amounts held in the annuity contract at its discretion. The annuity contract meets the definition of a fully benefit-responsive investment contract and accordingly, is reported at contract value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contract, less any withdrawals.

The investment contracts are presented on the face of the Statements of Net Assets Available for Benefits at contract value. As of December 31, 2021, the Plan's investment in annuity contract amounted to \$797,147.

Unallocated insurance contract - In 2003, the Plan entered into an investment agreement with Connecticut General Life Insurance Company, a CIGNA subsidiary. The agreement is a group annuity contract that funds benefits for qualified plans. On April 1, 2004, CIGNA sold its retirement benefits business to Prudential Financial. CIGNA Life Insurance agreed to assume the contract's obligation and Prudential Financial purchased CIGNA Life Insurance. CIGNA Life Insurance changed its name to Prudential Retirement Insurance and Annuity Company (PRIAC). PRIAC is a wholly-owned subsidiary of Prudential Financial, much like Prudential Bank & Trust, F.S.B., the trustee of the Plan. PRIAC maintains each participant's account separately. The accounts are credited with earnings on the underlying investments and charged for withdrawals and administrative expenses. The repayment of principal and interest credited to participants is a financial obligation of the issuer.

Because the unallocated insurance contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The contract is in effect between the plan sponsor (or the trustee) and the issuer. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value within reasonable timeframes.

NOTE 6 INVESTMENTS AT CONTRACT VALUE (CONTINUED)

The contract is included in the financial statements at contract value. The concept of a value other than contract value does not apply to the unallocated insurance contract. The unallocated insurance contract is not considered a guaranteed investment contract. This fund is considered an evergreen (no maturity date) group annuity contract. PRIAC declares interest crediting rates in advance of each contract's specified guarantee period and guarantees that crediting rate for the guarantee period.

Interest is credited on contract balances using a single "portfolio rate" approach. Under this methodology, a single interest crediting rate is applied to all contributions made to the product regardless of the timing of those contributions. Interest crediting rates are reviewed on a semi-annual basis for resetting. When establishing interest crediting rates for this contract, PRIAC considers many factors, including current economic and market conditions, the general interest rate environment and both the expected and actual experience or a reference portfolio within the issuer's general account. These rates are established without the use of a specific formula. The minimum crediting rate under the contract is 1.50%.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and which require the plan sponsor to settle at an amount different than the contract value paid either within 90 days or over time.

As of December 31, 2020, the Plan's investment in unallocated insurance contract with PRIAC amounted to \$6,499,255.

NOTE 7 CHANGE IN PLAN CUSTODIAN

Effective on December 1, 2021, the Plan changed its custodian and third-party administrator from PRIAC to Mutual of America Life Insurance Company. Consequently, the Plan assets amounting to \$8,669,866 were transferred from PRIAC to Mutual of America Life Insurance Company on December 1, 2021.

NOTE 8 RELATED PARTY TRANSACTIONS

The Plan's investments consist of pooled separate accounts, unallocated insurance contract and annuity contract issued and managed by Mutual of America and PRIAC. Mutual of America and PRIAC are the custodians and third-party administrators of the Plan and, therefore, the transactions in these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provision of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

WHCC provides to the Plan certain accounting and administrative services for which no fees are charged.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan provides for various investment options in pooled separate accounts and an annuity contract. Investments are exposed to various risks such as interest rate, market, and credit. Because of the level of uncertainty related to changes in the fair value of investment securities, it is at least reasonably possible that changes in the various risk factors, in the near term, could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 10 PLAN TERMINATION

Although it has not expressed any intent to do so, the plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent (100%) vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 11 IMPACT OF COVID-19 ON THE PLAN'S OPERATIONS

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economic and financial markets of many countries, including the United States. It is unknown how long these conditions and orders will remain in effect, or what the financial effect will be on the Plan. However, the Plan Administrator believes that the financial impact, if any, did not materially affect the Plan's December 31, 2021 financial statements.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was enacted and signed into law. The CARES Act temporarily waived the required minimum distributions for terminated participants in the calendar year 2020. The Plan automatically allowed for the new provisions after CARES Act was signed into law on March 27, 2020.

NOTE 12 SUBSEQUENT EVENTS

The Plan Administrator has evaluated subsequent events or transactions that occurred subsequent to December 31, 2021 through October 14, 2022, the date on which the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined that no subsequent events that required disclosure or adjustment to the accompanying financial statements.
