INDEPENDENT AUDITORS' REPORT

The Board of Directors of The Fortune Society, Inc. as Sponsor of
The Fortune Society Tax Sheltered Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of The Fortune Society Tax Sheltered Annuity Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed them not to perform and they did not perform any auditing procedures with respect to the information certified by the qualified institution. In their report dated October 8, 2021, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE FORTUNE SOCIETY TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of The Fortune Society Tax Sheltered Annuity Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Fortune Society, Inc. is the “Plan Sponsor” or “Employer” as well as the “Administrator”.

- A. **General** — The Plan is a defined contribution 403(b) retirement plan covering common-law employees performing services for the Employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments.
- B. **Contributions** — An employee may make voluntary contributions by filing an elective deferral agreement with the Employer. The amount may be changed once a year and the agreement may be terminated at any time. A participant may deposit into the Plan distributions the participant received from other plans and certain individual retirement accounts (“IRAs”), provided such distributions are legally qualified to be rolled over into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment and deferral provision whereby the Plan Sponsor will automatically withhold from all participants’ compensation, unless the participant makes a contrary election. Effective July 1, 2015, as of beginning of the Plan Year, the employer withholds from a participant’s compensation each payroll period the Automatic Deferral percentage below that corresponds to the number of the Plan Year(s) (or partial plan years) to which the Participant has been subject to the Automatic Deferral arrangement including the current Plan Year. Automatic deferral percentages range from 1% to 5%, for one to five Plan years of automatic deferral. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. The Employer will contribute \$125 to the participant’s account on the last day of each month if the employee has completed two years of eligible service and is 21 years of age or older.

Contributions are subject to certain limitations as prescribed by the Internal Revenue Service (“IRS”).

- C. **Participant Accounts** — Each participant’s account is credited with the participant and Employer contributions Plan earnings and is charged with an allocation of Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- D. **Vesting** — Participants are 100% vested immediately in their elective deferrals, rollover contributions and Employer contributions.
- E. **Notes Receivable from Participants** — A participant may borrow from the Plan a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant’s account and bear interest at 4.25% - 6.5%, which is commensurate with rates available for similar loans from commercial lending institutions, and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to ten years). Principal and interest are paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.
- F. **Payment of Benefits** — On termination of service due to disability, retirement or separation, a participant may elect to receive 100% of the value of his or her account either in one lump-sum amount or in annuities over various periods depending on the distribution option that he or she elects. As of January 1, 2018, newly eligible employees are permitted to elect permissible withdrawals of all eligible automatic contribution arrangement (“EACA”) automatic deferrals.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

THE FORTUNE SOCIETY TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- B. **Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.
- D. **Investment Valuation and Income Recognition** – Investments are reported at fair value (except for the fully benefit-responsive investment contract). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and insurance company. See Note 6 for a discussion of fair value measurements.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- E. **Administrative Expenses** – The Employer pays certain expenses related to the Plan. The administrative expenses charged by Massachusetts Mutual Life Insurance Company, the Recordkeeper of the Plan (Mass Mutual) and Custodian of the Plan (Reliance Trust Company) are paid by the Plan and are shown on the accompanying statements of changes in net assets available for benefits.
- F. **Payment of Benefits** – Benefits are recorded when paid.
- G. **New Accounting Standards Adopted** – During the year ended December 31, 2020, the Plan adopted Accountant Standards Update ("ASU") ASU No. 2018-13, *Fair Value Measurement* (Topic 820): *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement* – This ASU (for nonpublic plans) eliminated and modified certain disclosure requirements for fair value as part of its disclosure framework project. This standard was effective for annual periods beginning after December 15, 2019, was adopted as of January 1, 2020 and did not have a material impact on the Plan's financial statements.
- H. **Coronavirus Aid, Relief, and Economic Security ("CARES") Act** – Pursuant to the CARES Act enacted in March 2020, Plan participants could request a delay of note repayments for repayments that were due between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note was amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. In addition, pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 payments and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020. The Plan also permits participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years, in accordance with the CARES Act. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020. The Plan Sponsor has not formally adopted the relief provisions included in the CARES Act.

THE FORTUNE SOCIETY TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, all accounts shall then be disposed of, to or for the benefit of each participant or beneficiary, as if the termination date was his or her settlement date.

NOTE 4 – TAX STATUS

On March 31, 2017, the IRS stated that the volume submitter adopted by the Plan, as then designed, qualified under the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – INVESTMENTS PREPARED AND CERTIFIED BY THE CUSTODIANS AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by Reliance Trust Company as of December 31, 2021 and 2020, and for the years then ended and was not subjected to any auditing procedures performed by the independent auditor except for comparing such information to information included in the Plan's financial statements.

Reliance Trust Company has certified to the completeness and accuracy of the investments, notes receivable from participants and investment activity included in the financial statements as of and for the years ended December 31, 2021 and 2020.

The Plan's assets included investments as follows as of December 31:

	<u>2021</u>	<u>2020</u>
Investments (mutual funds) – at fair value	\$ 8,161,867	\$ 6,783,405
Fully benefit-responsive investment contracts – at contract value	<u>1,041,919</u>	<u>1,101,443</u>
Total Investments	<u>\$ 9,203,786</u>	<u>\$ 7,884,848</u>

Dividend income was \$532,436 and \$215,611 during the years ended December 31, 2021 and 2020, respectively. For the years ended December 31, 2021 and 2020, the Plan's investments, including gains and losses on investments bought and sold, as well as held during the year, appreciated in value by \$481,542 and \$794,561, respectively.

Notes receivable from participants of \$110,720 and \$132,359 as of December 31, 2021 and 2020, respectively, and interest income on notes receivable from participants of \$5,721 and \$8,183 during the years ended December 31, 2021 and 2020, respectively, have also been certified by the custodians.

NOTE 6 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's investments carried at fair value at December 31 are classified by level within the fair value hierarchy as follows:

	<u>Level 1</u>	<u>Total 2021</u>
Investments at fair value:		
Mutual funds	\$ 8,181,867	\$ 8,181,867
Total	\$ 8,181,867	8,181,867
Total Investments at Fair Value		<u>\$ 8,181,867</u>
	<u>Level 1</u>	<u>Total 2020</u>
Investments at fair value:		
Mutual funds	\$ 6,783,405	\$ 6,783,405
Total	\$ 6,783,405	6,783,405
Total Investments at Fair Value		<u>\$ 6,783,405</u>

THE FORTUNE SOCIETY TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7 – FULLY BENEFIT- RESPONSIVE INVESTMENT CONTRACTS WITH INSURANCE COMPANY

There was one fully benefit-responsive investment contract with Mass Mutual which amounted to \$1,041,919 and \$1,101,443 as of December 31, 2021 and 2020, respectively. The contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the ability of the Plan to transact at contract value with the issuer and may result in a deferral of the payment at contract value for up to 12 months. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary that cause a significant withdrawal from the Plan), or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at the contract value with participants are probable of occurring.

The actual crediting rate amounted to 1.36% and 1.89% for the years ended December 31, 2021 and 2020.

NOTE 8 – RELATED-PARTY TRANSACTIONS (PARTY-IN-INTEREST)

Certain Plan investments are shares of mutual funds and a guaranteed interest account managed by Mass Mutual, the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Dividend income received by the Plan is net of fees charged to the mutual funds by the recordkeeper and custodians. Mass Mutual and Reliance Trust Company were paid \$115,182 and \$84,532 of administrative fees for the years ended December 31, 2021 and 2020, respectively.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of COVID-19 as a global pandemic. The full impact of COVID-19 continues to evolve as of the date of this report. The pandemic has affected economic activity and greatly contributed to instability in the financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that may be recognized, if any, in a subsequent period is not determinable at this time.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 17, 2022, the date the financial statements were available to be issued.
