Independent Auditor's Report

The Plan Administrator
The Hain Celestial Group 401(k) Plan
Lake Success, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Hain Celestial Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Hain Celestial Group 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of The Hain Celestial Group 401(k) Plan (the Plan) provides general information about the Plan's provisions. The Hain Celestial Group, Inc. (the Company) is the Plan sponsor. Participants should refer to the Plan document and summary Plan description for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was established as of July 1, 1990.

The Plan was amended and restated effective January 1, 2021 to incorporate certain legislative and regulatory requirements.

The 401(k) Investment Committee (the Committee), comprised of members of management of the Company, is responsible for the general administration of the Plan. State Street Bank and Trust Company (State Street) is the Trustee of the Plan. Transamerica Retirement Solutions LLC (Transamerica) is the recordkeeper for the Plan.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 through December 31, 2020.
- Increase the available loan amount, as described in Note 1, to the lesser of \$100,000 or 100% of the participant's vested account balance up to September 22, 2020.
- Extend the period for loan repayments, if applicable, up to one year through December 31, 2020.
- Suspend required minimum distributions for 2020.

Participation

The Plan covers all employees who are at least 21 years of age, have completed one month of defined service, and elected to participate in the Plan. Effective June 1, 2018, the Plan implemented auto-enrollment for new employees who are hired June 1, 2018 or later with a 3% pre-tax deferral into the appropriate target date fund, which the employee can opt out of within 30 days. Effective September 1, 2020, the Plan was amended such that employees may participate in the Plan with no age restriction and no service requirement. Effective January 1, 2021, the Plan was amended to implement an annual 1% auto-escalation on employee deferrals, up to a maximum of a 10% deferral.

The Hain Celestial Group 401(k) Plan

Notes to Financial Statements

Contributions

The Plan allows participants to contribute up to the maximum annual dollar limit for 401(k) salary deferrals pursuant to Internal Revenue Service (IRS) guidelines. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions of amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make discretionary matching contributions, which are solely determined by management of the Company, and are allocated in accordance with the provisions of the Plan. The Company made discretionary matching contributions to the Plan of \$2,090,565, net of forfeitures of \$11,809, for 2021.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. For the year ended December 31, 2021, expenses paid out of the Plan totaled \$286,275, which is comprised of recordkeeping and custodial fees, as well as participant distribution and loan fees. See Note 8 for further discussion regarding revenue sharing.

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads, or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus, not separately identifiable as an expense.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's discretionary matching contributions, and (b) Plan earnings (losses) and is charged with an allocation of administrative expenses. Plan earnings (losses) are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participants' account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested immediately in their contributions and the Company's discretionary matching contributions.

Forfeitures

All contributions into the Plan vest immediately. Forfeitures of Company discretionary matching contributions arise from the refunding of excess contributions to participants. Unallocated forfeited balances as of December 31, 2021 and 2020 were \$11,808 and \$49,006, respectively. Forfeitures of \$11,808 was used to reduce Company contributions for 2021, which was paid in the 2022 Plan year.

The Hain Celestial Group 401(k) Plan

Notes to Financial Statements

Payment of Benefits

The value of a participant's account is payable in full to the participant upon retirement, termination, disability, or to the participant's beneficiary if death occurs during employment. Additionally, the Plan provides that minimum required distributions commence upon a participant's attainment of age 72, unless the participant is still employed by the Company. The participant's account is payable upon termination. Payment may be made as a lump sum or partial payments.

Hardship Withdrawal

In cases of serious financial hardship, as defined by the Plan, participants may be eligible to receive a withdrawal distribution of a certain portion of their current account balance.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Generally, participants may borrow from their account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms may range up to five years or may extend beyond five years if the loan proceeds are used to purchase the principal residence of the participant. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, which is set at the time of the loan issuance. Interest rates on outstanding loan balances range from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. There were no deemed distributions during 2021. No allowance for credit losses has been recorded as of December 31, 2021.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

The Hain Celestial Group 401(k) Plan

Notes to Financial Statements

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to distributions. The Plan distributed the excess contributions for 2021 to the applicable participants prior to March 15, 2022.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought, sold, and held during the year.

3. Information Certified by State Street

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments, at fair value, cash held, and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments reflected on the supplemental Schedule H, (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

4. Fair Value Measurements

U.S. GAAP establishes a three-level hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that inputs that are most observable be used when available. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable, as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The Hain Celestial Group 401(k) Plan

Notes to Financial Statements

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the overall fair value measurement.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021.

Mutual Funds - These assets are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are actively traded.

Stable-Value Collective Trust Fund - This asset is a stable-value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the NAV of units of the bank's collective trust less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. There were no unfunded commitments as of December 31, 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value:

December 31, 2021

	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$79,107,544	\$ -	\$ -	\$79,107,544
Stable-value collective trust fund*				6,196,878
Total Investments, at fair value				\$85,304,422

The Hain Celestial Group 401(k) Plan

Notes to Financial Statements

December 31, 2020

	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$69,428,158	\$ -	\$ -	\$69,428,158
Stable-value collective trust fund*				7,039,031
Total Investments, at fair value				\$76,467,189

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have been categorized in the fair value hierarchy. The fair value amounts inserted in these tables are intended to present reconciliation of the fair value hierarchy tables to the amounts presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic condition or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers into or out of Levels 1, 2, or 3 during the year ended December 31, 2021.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, all participants' accounts shall be distributed in accordance with the provisions of the Plan.

6. Tax Status

The Plan has adopted a prototype non-standardized plan sponsored by Transamerica. On March 31, 2014, the IRS stated in an opinion letter that the prototype adopted by the Plan, as then-designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC) and, therefore, the Plan is exempt from taxation. Effective January 1, 2021, the Plan adopted Transamerica's pre-approved profit-sharing Plan. Accordingly, the Plan is permitted to rely on the opinion letter dated June 30, 2020 from the IRS which stated the pre-approved profit-sharing plan was designed in accordance with the applicable sections of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified, and the Plan is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain

The Hain Celestial Group 401(k) Plan

Notes to Financial Statements

investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by State Street, the Trustee of the Plan's assets. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Transamerica provides certain administrative services to the Plan, pursuant to a Pension Services Agreement (PSA) between the Company and Transamerica. Transamerica receives revenue from mutual fund service providers for services Transamerica provides to the funds. This revenue is used to offset certain amounts owed to Transamerica for its administrative services to the Plan.

If the revenue received by Transamerica from such mutual fund service providers exceeds the amount owed under the PSA, Transamerica remits the excess to the Plan's trust on a quarterly basis. Such amounts may be allocated to the accounts of the participants on a pro-rata basis or credits to an expense budget account. If there is a revenue shortfall, the Company may direct Transamerica to either deduct the shortfall from participant accounts on a pro-rata basis, deduct the shortfall from an expense budget account, or bill the shortfall to the Company. During 2021, \$115,398 was remitted to the Plan's trust and \$115,398 was used to offset administrative expenses of the Plan.

Notes receivable from participants also qualify as party-in-interest transactions.

9. Subsequent Events

The Plan's management has evaluated subsequent events through October 14, 2022, the date on which the financial statements were available to be issued. There were no subsequent events requiring adjustment to the financial statements or disclosures, except as follows:

The Company acquired Proven Brands, KTB Foods and That's How We Roll (THWR), which were added as participating employers to the Plan effective January 10, 2022.
