Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Frank & Grossman 401(k) Profit Sharing Plan (Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule(s) Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year as of year December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

RGP LLP
CERTIFIED PUBLIC ACCOUNTANTS & CONSULTANTS

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FRANK & GROSSMAN 401(k) PROFIT SHARING PLAN
Notes to Financial Statements
December 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Frank & Grossman Landscape Contractors, Inc. (Company) 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Company adopted the Plan on July 1, 1996, and was restated effective January 1, 2015 and again on July 1, 2018. The Plan is defined as a contribution retirement plan of the profit-sharing type containing a cash or deferred arrangement described in Internal Revenue Code (IRC) Section 401(k). All employees of the Company, excluding those who are classified or treated as independent contractors and non-resident aliens with no U.S. source income, are eligible to participate in the Plan. There is no minimum age requirement or minimum service requirement to make salary reduction contributions to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and certain provisions of the IRC.

Plan Administration – The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation administration of the Plan. In August 2018, the Company appointed Mutual of America Life Insurance Company as the custodian and third-party administrator.

Contributions – Employees who elect to participate in the Plan may contribute a portion of their salary up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make discretionary matching contributions based on employee elective deferrals, including catch-up contributions. In 2021, the Company did not make any matching contributions. Additionally, the Plan allows non-elective contributions at the discretion of the plan sponsor. No non-elective contributions were made in 2021. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant accounts – Each participant's account is credited with (a) individual contributions, (b) employer discretionary contributions, (c) rollovers from other qualified plans, and (d) Plan earnings and/or losses. Allocations are principally based on participant's elections, or account balances, as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's account. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

NOTE 1 – DESCRIPTION OF PLAN *(continued)*

Vesting – Participants are immediately vested in their salary deferred contributions, rollovers, employer matching contributions and actual earnings thereon. Employer discretionary non-elective contributions, if any, as well as all earnings on these contributions are immediately vested. Participants are fully vested upon retirement, death, disability or Plan termination.

Notes receivable from participants – Participants are allowed one note receivable at any time and may borrow from their fund accounts a minimum of $1,000 up to 50% of the value of their account balance, or $50,000, whichever is less. Note receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which can exceed five years. The notes receivable are secured by no more than fifty percent of the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the note receivable originates. Interest rates on notes receivable from participants range from 4.25% to 9.25% per annum. Principal and interest are paid in equal installments through payroll deductions, personal checks from employees on leave, or cashier's checks for the full payoff of the notes receivable.

Payment of benefits – When participants leave the Company, upon retirement or for any other reason, those participants (or their beneficiaries) may receive the full value of their salary deferrals, rollovers, discretionary matching contributions and the net earnings thereon in a single lump-sum payment. The Plan also allows for in-service withdrawals upon a participant attaining the age of 59½, having a hardship, the account accumulating in the Plan for at least two years, and having completed 5 years of participation. In-service withdrawals for 59½ may be taken from the elective deferral account, and rollover accounts; hardships may only be taken from elective deferrals, and remaining in-service withdrawals may only be taken from the discretionary employer contributions as long as they are vested.

In order to receive distributions, participants (or their beneficiaries) are required to file the appropriate forms with the Plan administrator. Account values will be determined as of the day the distribution is made.

Distributions under the Plan shall generally be made as soon as possible after the date of retirement, date of death, or termination of employment. Mandatory distributions of account balances under $5,000 will be made as soon as possible. The Plan administrator will pay distribution in a direct rollover to an Individual Retirement Account designated by the Plan administrator.

Investment options – Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of mutual funds or a general interest accumulation account offered by the Plan. Participants may change their investment options at any time.

Forfeitures – Forfeitures that occur during a Plan year may first be used to reduce any plan expenses and then to reduce any discretionary matching or non-elective contributions. Since the current Plan allows for immediate vesting, the forfeiture balance in the Plan was carried over from a previous Plan version and is only accruing interest. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled $9 and $9, respectively. During the years December 31, 2021 and 2020, no forfeited funds were used.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Estimates – The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the fair value of investments.

Investment valuation – Investments are reflected in the accompanying statements of net assets available for benefits at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determine the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 3 for discussion of fair value measurements.

Income recognition – The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess contributions – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants subsequent to year end.

Payment of benefits – Benefits are recorded when paid.

Administrative expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company, which primarily comprise of legal fees, auditing fees, and expenses related to the maintenance of the Plan records, are excluded from these financial statements. Certain transaction processing fees are charged to the participants and, therefore, are reflected in the accompanying statement of changes in net assets available for benefits as administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Cash – Cash includes bank checking accounting and money fund investment accounts. Cash on deposit occasionally exceeds federally insured limits. The Plan believes it mitigates the risk of concentration by depositing at major financial institutions. The Plan has not experienced any losses in these accounts and believes they are not exposed to any significant credit risk with respect to cash.

Information certified by the custodian – Mutual of America Life Insurance Company has prepared and certified as complete and accurate the Plan's schedule of investment assets, transactions, and net realized and unrealized gains and losses on investments, and interest and dividend income, which was used to prepare the accompanying financial statements and supplemental schedule.

New accounting pronouncement – The Plan sponsor adopted Statement on Auditing Standard 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA* in 2021. This standard addresses the auditor's and plan sponsor's responsibilities.

NOTE 3 – FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan established a fair value hierarchy which requires classification based on observable and unobservable inputs when measuring fair value. The fair value hierarchy distinguishes between assumptions based on market data (observable inputs) and an entity's own assumptions (unobservable inputs). The hierarchy consists of three levels:

- Level one – Quoted market prices in active markets for identical assets or liabilities
- Level two – Inputs other than level one inputs that are either directly or indirectly observable
- Level three – Unobservable inputs developed using estimates and assumptions, which are developed by the reporting entity and reflect those assumptions that a market participant would use.

NOTE 3 – FAIR VALUE MEASUREMENTS *(continued)*

The following table presents the assets and liabilities that are measured at fair value on a recurring basis by level within the fair value hierarchy as reported on the statements of net assets available for benefits at December 31, 2021 and 2020. Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Cash equivalent – Interest accumulation account	$ 218,922	$ -	$ -	$ 218,922
Pooled separate accounts	2,360,964	-	-	2,360,964
Total investments	$ 2,579,886	$ -	$ -	$ 2,579,886

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Cash equivalent – Interest accumulation account	$ 224,048	$ -	$ -	$ 224,048
Pooled separate accounts	1,895,418	-	-	1,895,418
Total investments	$ 2,119,466	$ -	$ -	$ 2,119,466

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian:

	2021	2020
Investments, at fair value	$ 2,579,886	$ $2,119,466
Cash – non-interest bearing	$ -	$ -
Interest and dividend income	$ 523	$ 310
Net appreciation (depreciation) in fair value of investments, net	$ 306,411	$ 215,344

Notes receivable and interest on notes from participants are not certified by the custodian.

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY-IN INTEREST TRANSACTIONS

Plan investments are managed by Mutual of America Life Insurance Company, the Custodian of the Plan. Any purchases and sales of these investments are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 – TAX STATUS

The Plan used a volume submitter plan document sponsored by PenSys Inc. up to June 30, 2018. PenSys Inc. received an opinion letter form the Internal Revenue Service (IRS) dated March 31, 2014, which stated that the volume submitter plan document satisfied the applicable provisions of the Internal Revenue Code (IRC). On July 1, 2018, the Plan was restated and adopted a prototype plan which received a favorable opinion letter from the IRS dated March 31, 2014. The IRS made a favorable determination that the Plan document is in compliance with the applicable requirements of the IRC. Therefore, no provisions for income tax have been included in the Plan's financial statements. GAAP requires the Plan Sponsor to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to federal tax examinations by tax authorities for three years after they are filed.

NOTE 7 – FIDELITY BOND

The Plan was covered by a fidelity bond in the amount of $615,000. For the year ended December 31, 2021, the Company was in compliance with the ERISA bonding requirements.

NOTE 8 – PLAN TERMINATION

The Company has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Company reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, distributions will be made to Participants as described in the Plan agreement.

NOTE 9 – RISK AND UNCERTAINTIES

The Plan provides for various investment options in any combination of mutual funds and an interest accumulation account offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 10 – COVID-19 PANDEMIC

The pandemic in 2021 did not have any significant negative impact on the Plan. After a 60-day slow period in 2020, construction picked up due to more people staying at home and turning their attention to home improvement projects. As a result, the Plan increased its participants by approximately 20 employees. During 2021, Plan participants remained comparable to 2020. The Company expects this trend to continue in 2022.

NOTE 11 – SUBSEQUENT EVENTS

The Company evaluates events that occur subsequent to the Plan year end, but before financial statements are issued, for possible adjustment to such financial statements or other disclosure. This evaluation generally occurs through the date at which the Company's financial statements are electronically prepared for filing with Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. For the financial statements as of and for the year ended December 31, 2021, this date was October 11, 2022.
