1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of the PsiQuantum 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

60 South Market Street, Suite 500 San Jose, California 95113 t 408.279.5566 www.frankrimerman.com

- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules included in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statement

We were engaged to audit the accompanying financial statement of the PsiQuantum 401(k) Plan (the Plan), which comprises the statement of net assets available for benefits as of December 31, 2020 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America (GAAP); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (collectively, Great-West), the investment custodian and trustee of the plan, respectively, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that Great-West holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Great-West as of December 31, 2020, that the information provided to the Plan administrator by Great-West is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statement, other than that derived from the information certified by Great-West, have been audited by us in accordance with GAAP, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PsiQuantum 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The PsiQuantum 401(k) Plan (the Plan) was established by PsiQuantum, Corp. (the Company), effective January 1, 2017, to provide participants with a method to fund their retirement on a tax-deferred basis. The Plan has since been amended and restated, most recently as of August 2, 2021. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Company has appointed a Retirement Plan Committee, consisting of Company employees, to manage the operations and administration of the Plan. The Company has contracted with Great-West Trust Company, LLC to serve as Plan trustee, and Great-West Life & Annuity Insurance Company to serve as the Plan investment custodian and third-party administrator to process and maintain the records of participant data (collectively, Great-West). The Company has engaged Vita Planning Group LLC as an investment advisor to assist the Plan in selecting the investment options offered to the participants and monitoring investment performance.

Eligible Participants:

Company employees, as defined by the Plan agreement, may begin participating in the Plan on the first day of the month following their date of hire. Certain temporary employees whose regularly scheduled service is less than 1,000 hours per year, and nonresident alien employees, are excluded from participating in the Plan.

Contributions:

Participants may contribute up to 90% of their pre-tax or after-tax annual compensation, as defined by the Plan agreement. Participants who have reached the age of 50 may elect to withhold additional catch-up contributions under the Code. Participants may also contribute amounts representing distributions from other qualified plans (rollovers), subject to Code regulations.

PsiQuantum 401(k) Plan

Notes to Financial Statements

1. Description of Plan (continued)

Contributions: (continued)

The Plan provides for automatic Plan enrollment on a participant's eligibility date. The automatic salary deferral contributions for eligible participants is 5% of their compensation, unless the participant requests a different amount to be contributed or formally declines participation. In January of each year, the automatic contribution percentage increases 1%, until it reaches 10% of compensation, unless the participant makes an affirmative election to change the deferral percentage or formally declines participation. Participants may adjust their deferral rate or discontinue their contributions at any time.

The Company may make discretionary matching contributions to the Plan as determined by the Company's Board of Directors. No Company matching contributions have been made to the Plan through December 31, 2021.

Contributions are subject to certain limitations under the Code.

Participant Accounts:

Each participant's account is credited with the participant's contributions and an allocation of Company contributions, if any, plus earnings (less any losses) thereon. Allocations are based on participant earnings or account balances, in accordance with Plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Vesting:

Participants are fully (100%) vested in their account balances.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

PsiQuantum 401(k) Plan

Notes to Financial Statements

1. Description of Plan (continued)

Notes Receivable from Participants: (continued)

Participants with an account balance of greater than \$2,000 may borrow up to one-half of their account balance, a minimum of \$1,000 and not to exceed \$50,000, for a period not to exceed five years, except for notes used to acquire a principal residence for which terms up to 15 years may be granted. Participants may only have one note outstanding at a time. Participant notes are evidenced by a written note, secured by the participant's account balance, and bear interest at the prime rate, as published in The Wall Street Journal on the 14th day of the month the note is granted, plus 2%. There were no participant notes outstanding at December 31, 2021. Repayment of principal and interest would generally be made through payroll deductions.

Payment of Benefits:

Upon termination of service, participants may elect to leave their account balance in the Plan or receive their benefits in a lump sum amount equal to the value of the participant's account balance, or in installment payments. Accounts between \$1,001 and \$5,000 may be automatically distributed to individual retirement accounts on behalf of the participants without participant approval. Accounts with a balance of \$1,000 or less may be distributed directly to the participant without participant approval. Benefits are recorded when paid.

Administrative Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the financial statements. Certain account maintenance and transaction fees are charged to the Plan and allocated to participant accounts. All other administrative expenses related to the Plan are paid by the Company and are not reflected in the Plan's financial statements.

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risks in the near term could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

PsiQuantum 401(k) Plan

Notes to Financial Statements

1. Description of Plan (continued)

Risks and Uncertainties: (continued)

The outbreak of the novel coronavirus continues to materially and adversely impact global commercial activity and contribute to volatility in financial markets. The outbreak is having, and will likely continue to have, a material adverse impact on economic and market conditions for the foreseeable future. This presents uncertainty and risk with respect to the Plan, its future performance, and its future financial results.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will remain fully vested in their accounts and distributions would be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan prepares its financial statements on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

PsiQuantum 401(k) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Investments:

The Plan's investments are held under a contract with Great-West, and consist of mutual funds and a general fund account that are accounted for as follows:

Mutual Funds:

These funds are valued at the net asset value (NAV) of shares held by the Plan at year end, as quoted in active markets. It is not probable the funds will be sold at amounts that differ materially from the NAV of shares held.

Guaranteed Interest Fund (Fund):

The Fund is a guaranteed interest account and is part of Great-West's general fund account. Great-West sets the guaranteed interest rate quarterly for all existing assets in the portfolio. The Fund is valued at contract value, which is the amount Great-West is contractually obligated to pay upon participant termination, retirement, death, disability, hardship distribution, issuance of notes receivable, participant-initiated fund transfers, and contract termination.

Because the Fund is fully benefit-responsive, contract value is the relevant measurement for that portion of the net assets available for benefits attributable to the Fund. Contract value, as reported to the Plan by Great-West, represents contributions made under the Fund, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balance at contract value. There are no reserves against contract value for credit risk to Great-West or otherwise.

The methodology for calculating the Fund's interest crediting rate is based on the earnings of the underlying assets in the entire portfolio compared to the minimum stated interest crediting rate and prevailing market conditions. The interest crediting rate is reset quarterly. The average yield earned by the Plan for the Fund may be derived by averaging the quarterly gross interest rates for the Fund during the year. The crediting interest rate is based on a formula agreed upon with Great-West but may not be less than zero percent.

PsiQuantum 401(k) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability at the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The Plan's mutual funds are recorded at fair value and classified as Level I within the fair value hierarchy at December 31, 2021 and 2020. The Fund, valued at contract value, is excluded from the three-tier hierarchy under GAAP.

Income Recognition:

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on the Plan's investments bought, sold or held during the year.

PsiQuantum 401(k) Plan

Notes to Financial Statements

3. Information Prepared and Certified by Great-West

Great-West, as the Plan's trustee and investment custodian, has certified the current value of the following assets held at December 31, 2021 and 2020, and the net income for the year ended December 31, 2021, that were used in the preparation of the financial statements and supplemental schedule.

The following table summarizes the certified information at December 31:

	<u>2021</u>	<u>2020</u>
Mutual funds, at fair value	\$ 8,020,175	\$ 5,046,684
Guaranteed interest fund, at contract value	<u>272,459</u>	<u>212,945</u>
Total certified assets	<u>\$ 8,292,634</u>	<u>\$ 5,259,629</u>
Net income for the year ended December 31, 2021	<u>\$ 1,026,223</u>	

4. Income Tax Status

The Plan is a prototype plan offered by Great-West, which has obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating the plan submitted for review was qualified under applicable provisions of the Code. The Plan sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified, and the trust that forms a part of the Plan is exempt from federal and state income taxes.

GAAP require Plan management to evaluate income tax positions taken by the Plan and recognize an income tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan and has concluded, at December 31, 2021, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

PsiQuantum 401(k) Plan

Notes to Financial Statements

5. Nonexempt Prohibited Transactions

In 2021 and 2020, participant contributions totaling \$76,646 and \$515, respectively, were not remitted on a timely basis as required by the DOL. The DOL considers delinquent contributions to be nonexempt prohibited transactions with the Plan sponsor that can jeopardize the Plan's tax-exempt status. The Plan sponsor intends to contribute lost earnings on the delinquent contributions in 2022 to correct for these prohibited transactions.

6. Party-In-Interest Transactions

The Fund investment is part of Great-West's general fund. As Great-West is the Plan's trustee and investment custodian, purchases and sales of this investment by the Plan qualify as party-in-interest transactions. Notes receivable transactions with participants would also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Subsequent Events

Subsequent events have been evaluated through October 13, 2022, which is the date the financial statements were approved by the Plan administrator and available to be issued.
