KENTUCKY ASSOCIATION OF MASTER CONTRACTORS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Kentucky Association of Master Contractors, Inc. 401(k) Plan (the Plan) provides only general information. Each individual plan sponsor can adjust the provisions below to suit their needs. Participants should refer to the plan agreement for their plan sponsor for a more complete description of the Plan's provisions. The Plan was originally effective January 1, 2012 and amended and restated from time to time with the most recent restatement effective January 1, 2018.

General - The Plan is a defined contribution plan and covers generally all full-time employees of Kentucky Association of Master Contractors, Inc. (the Company) and other adopting plan sponsors, as listed below, who have completed one year of service and are 18 years of age or older on the first day of the plan year quarter coinciding with, or next, following the date requirements are met. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Sponsors - The Plan is a multiple-employer plan sponsored by Kentucky Association of Master Contractors, Inc. and adopted by plan sponsors as follows:

Allstate Heating & Cooling, Inc. (adopted March 1, 2015)
Big Sandy Heating & A/C, Inc. (adopted January 1, 2012)
Comfort Air Heating & Cooling, Inc. (adopted July 1, 2016)
C Squared, Inc. (adopted January 1, 2012)
Henn Plumbing, Inc. (adopted January 1, 2012)
Legacy Heating & Air Conditioning, LLC (adopted February 1, 2017)
McAnelly Heating & Cooling (adopted October 1, 2017)
Neiheisel Plumbing, Inc. (adopted January 1, 2012)
Schardein Mechanical (adopted January 1, 2012)
Senninger Plumbing Co., Inc. (adopted January 1, 2012)

Contributions - Subject to applicable limitations, each year participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. Additional amounts may be contributed by the Company in the form of employer contributions and profit-sharing contributions at the option of the plan sponsors' board of directors.

Profit Sharing and Employer Contributions - The employers may make discretionary profit sharing or employer contributions to employees who have completed eligibility requirements for their Plan. Each year the employer will consider a discretionary profit-sharing contribution and/or employer match which will be allocated to all eligible employees. Eligible employees will be allocated a portion of the profit-sharing contribution if employed on the last day of the plan year based on an integrated allocation of participant compensation in excess of the taxable wage base.

Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Accounts are adjusted daily for any change in the fair values of the account's investments. The participants may transfer existing assets between investment options. Participants are eligible to make modifications to their deferral arrangements on the first day of each plan year quarter.

Vesting - Participants are immediately 100% vested in their qualifying deferral contributions. Vesting varies depending on the employer but for most employer matching contributions and profit-sharing contributions vesting is done on a 6-year graded schedule as follows: 0-1 year=0%; 2 years=20%; 3 years=40%; 4 years=60%; 5 years=80%; 6 years=100%.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - continued

Participant Payment of Benefits - Participants who terminate from the Plan are entitled to receive a lump-sum distribution equivalent to the vested portion of their account as soon as administratively feasible. Upon death or total and permanent disability, participants become fully vested in their accounts regardless of other vesting requirements.

Forfeitures - Forfeitures are first used to pay plan expenses, then to reduce any employer contributions. At December 31, 2021, forfeited nonvested accounts totaled \$165,679.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 4, 2022, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participants' contributions are recorded by the Plan as of the date such participants' elected contributions are withheld by the Company. Employer contributions are recorded by the Plan when committed by the plan sponsor.

Payment of Benefits

Benefits are recorded when paid.

KENTUCKY ASSOCIATION OF MASTER CONTRACTORS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Excess Contributions Payable

Amounts payable to participants as of December 31, 2021 totaling \$23,898 for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15th of the following year.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for administration are included in administrative expenses and charged directly to the participants' accounts.

NOTE 3 - UNAUDITED INFORMATION CERTIFIED BY TRUSTEE

Substantially all information pertaining to the Plan's investments included in the financial statements, including the associated investment income (loss), was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

KENTUCKY ASSOCIATION OF MASTER CONTRACTORS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - continued

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at cost which approximates fair value.

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the financial instruments measured at fair value as of December 31, 2021 set forth by level within the fair value hierarchy, on a recurring basis:

Level 1:

Mutual funds	\$ 10,091,866
Investments at fair value	<u>\$ 10,091,866</u>

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 was \$404,093. The crediting interest rate was 1% during 2021.

Certain events limit the Plan's ability to transact at contract value with Great-West Life & Annuity Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

KENTUCKY ASSOCIATION OF MASTER CONTRACTORS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC. Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC are the custodians as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - INCOME TAX STATUS OF THE PLAN

The Internal Revenue Service has determined and informed the plan administrator by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the IRS' opinion is for a volume submitter plan, the plan administrator and the Plan's tax counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC and operate under the design of the volume submitter plan, and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is in the process of filing under the Delinquent Filer Voluntary Compliance Program. Under this program the Plan will file overdue annual reports with reduced civil penalties for voluntarily complying with the annual reporting requirements. These penalties will be paid from Company assets rather than plan assets.

The Plan has analyzed its tax positions taken and has concluded that as of December 31, 2021, there are possible uncertain tax positions taken or expected to be taken that could require recognition of a liability (or asset) or disclosure in the financial statements, although amounts due, if any, are unknown at this time. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is generally subject to income tax examinations for three years after annual reports have been filed.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan provides for various participant-directed investment options, which are exposed to various risks, such as interest rate, credit risks and market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Company received a favorable letter from the IRS in 2021 indicating that penalties and fees related to the Form 5500 for the 2014 and 2015 tax years have been removed. The Plan has not filled a complete Form 5500 in years thereafter, and could be subject to additional penalties, fees, and interest as well as DOL fees, penalties, and interest for all years in which a timely Form 5500 has not been filed.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

There are no reconciling items between the net assets available for benefits per the financial statements and Schedule H of Form 5500.

KENTUCKY ASSOCIATION OF MASTER CONTRACTORS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 11 - COVID-19

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) that contains provisions requiring significant changes to plan administration and recordkeeping. On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that included numerous employee benefit plan provisions to assist plan sponsors and participants. The Plan adopted changes including changes to hardship distribution rules as stipulated by the CARES Act as of January 1, 2020.

On March 11, 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The extent of the operational and financial impact the COVID-19 pandemic may have on the Plan Sponsor has yet to be determined and is dependent on its duration and spread, any related operational restrictions and the overall economy. The Plan Sponsor is unable to accurately predict how COVID-19 will affect the results of its operations or the Plan because the virus's severity and the duration of the pandemic are uncertain. Potential impacts include, but are not limited to, additional costs for responding to COVID-19, potential shortages of personnel, delays, loss of, or reduction to revenue and overall market decline. Management believes the Plan Sponsor is taking appropriate actions to respond to the pandemic; however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available for issuance.
