INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Geodis SCO 401(k) Profit Sharing Plan
Poughkeepsie, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Geodis SCO 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related Notes to the Financial Statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the 2021 Financial Statements of Geodis SCO 401(k) Profit Sharing Plan referred in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient audit evidence to provide a basis for an audit opinion on the 2021 financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

Geodis SCO 401(k) Profit Sharing Plan does not have sufficient accounting records and supporting documents relating to certain benefits payments and opening participants' individual accounts balances accumulated from inception of the Plan.

Responsibilities of Management for the 2021 Financial Statements

Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Geodis SCO 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of Geodis SCO 401(k) Profit Sharing Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Geodis SCO 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audit.

Other Matters - 2021 Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) as of December 31, 2021 and Schedule of Delinquent Contributions for the Year Ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Accountants' Compilation Report on 2020 Financial Statement

Plan management is responsible for the accompanying financial statement of Geodis SCO 401(k) Profit Sharing Plan, which comprises the Statement of Net Assets Available for Benefits as of December 31, 2020. the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of Geodis SCO 401(k) Profit Sharing Plan as of and for the year ended December 31, 2020.

GEODIS SCO 401(K) PROFIT SHARING PLAN NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Geodis SCO 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a 401(k) Safe Harbor and Profit Sharing Plan and was established on July 1, 2020. The Plan was amended on December 1, 2020, and January 1, 2021. The Plan provides retirement benefits for employees of Geodis SCO, LLC (the “Company”) who have reached the age of 18 and 1 months of service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute between 1% and 75% of eligible earnings, as defined in the Plan. Roth elective deferrals are permitted under the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers).

The Plan includes an auto enrollment provision for all newly eligible employees to automatically enroll in the Plan, unless they elect not to participate, with a default rate set at 3% of eligible compensation each payroll period. The Plan allows for employer safe harbor matching contributions equal to 3% of eligible compensation of deferring participants and participants are 100% vested in the employer safe harbor matching contributions beginning January 1, 2021. The Company may make discretionary contributions to the Plan, although the Company is not required to do so. Discretionary contributions will never exceed 4% of Plan compensation. The Plan also allows qualified non elective employer contributions in which participants are 100% vested. All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (the Code).

Participant Accounts

Each participant’s account is credited with the participant’s contributions, company contributions and allocations of the Plan’s earnings and charged with an allocation of administrative expenses. Allocations are based on the participant’s compensation or account balance, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

Participants may direct their contributions into any of the funds offered by the Plan which are held at Nationwide Financial Services, Inc. These funds include a variety of investment options with various objectives and degrees of financial risk.

GEODIS SCO 401(K) PROFIT SHARING PLAN NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their elective deferral and rollover contributions, including the earnings on these amounts. Vesting in the Company's contributions portion of their accounts is based on years of continuous service. Effective July 1, 2020, participants are fully vested in safe harbor matching contributions. Participants are fully vested in discretionary Company's contributions upon the completion of five or more years of service based upon a graded vesting schedule. Participants are also fully vested upon reaching their normal retirement date, death, or total disability.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested accounts balance. Loan terms are for up to five years, except for loans to purchase a primary residence, which may be offered over a longer term. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate as published in The Wall Street Journal on the 14th of each month, plus one percentage points., as determined by the plan administrator. The notes currently bear interest at 4.25% to 7.50%. Participants may only have one loan outstanding at any given time. Generally, principal and interest are paid ratably through payroll deductions.

Rollover Contributions

Contributions from a qualified retirement plan established by a new participant's previous employer may be "rolled over" into the Plan. For the year ended December 31, 2021, there were no rollover contributions to the Plan.

Payment of Benefits

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account.

If the participant fails to make a distribution election and the participant's vested interest in the Plan is \$5,000 or less, distribution will be paid as a direct rollover to an individual retirement annuity account, selected by the Plan. If the participant vested interest amounts to less than or equal to \$1,000, it will be not rolled over to an IRA but will be distributed as a cash lump sum distribution. If the participant's account balance (excluding rollover contribution account but including outstanding loan balance account) is greater than \$5,000 as of applicable Valuation Date as provided under the Plan, in addition to direct rollover, the participant may choose to receive a lump sum, installments, request a partial withdrawal, or defer receiving payments until age 72.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. Upon financial hardship, a participant is entitled to the value of his or her deferral as well as any vested matching contributions or nonelective contributions.

Forfeitures

In the event that a participant terminates employment prior to 100% vesting, the portion of Company contribution which is not vested is forfeited at that time. Forfeitures of the non-vested portion of contributions may be used to pay Plan expenses or reduce the Company's contributions. At December 31, 2021 and 2020, the balance of forfeited non-vested account was \$4,289, and \$1,619, respectively.

**GEODIS SCO 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net realized and unrealized appreciation (depreciation) is recorded in the accompanying Statement of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments. Included in net appreciation (depreciation) in fair value of investments is the Plan's gains and losses on investments bought and sold during the year as well as held during the year.

Note Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. At December 31, 2021 and 2020, notes receivable from participants totaled \$107,038 and \$174,976, respectively, and bore an interest rate ranged from 4.25% to 7.50%.

Payment of Benefits

Benefits to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses.

GEODIS SCO 401(K) PROFIT SHARING PLAN NOTES TO FINANCIAL STATEMENTS

NOTE 3 – CERTIFICATION BY THE INVESTMENT TRUSTEES

Information presented in the accompanying financial statements as of December 31, 2021 and 2020 (unaudited), and for the year ended December 31, 2021, for investments and investment income was derived from information certified to be complete and accurate by Nationwide Financial Services, Inc., including Nationwide Trust Company, FSB, a division of Nationwide Bank (“the Nationwide”) and Equitable Life Insurance Company, the trustees, as permitted by the election made by the Plan Administrator under 29 CFR 2520.103-5(c) of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. We have been informed by the Plan Administrator that the Nationwide held the Plan’s investment assets and executed investment transactions as of December 31, 2021, and for the period December 1, 2021 to December 31, 2021. Equitable Life Insurance Company held the Plan’s investment assets and executed investment transactions as of December 31, 2020 and from December 1, 2020 to November 30, 2021, and that Prudential Financial held the Plan’s investment assets and executed investment transactions from July 1, 2020 to November 30, 2020.

NOTE 4 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles (“GAAP”) establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The Plan did not hold any level 2 and 3 investments at December 31, 2021 and 2020.

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; and • Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2021.

**GEODIS SCO 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Nationwide uses unit values to perform daily account valuations. The unit value is Nationwide's method for valuing accounts and is not the same as the net asset value reported by the fund house although the financial trend is the same. Investments are valued based upon unit values multiplied by the number of units held (i.e. an underlying investment option's unit value multiplied by the number of units held by the participant equals the value of the investment option). After the close of the stock market, Nationwide receives a daily price for each fund house. This figure includes the net asset value and any dividends and capital gains declared. This allows Nationwide to calculate a gross investment rate which is used to compute a unit value.

Variable investment options include mutual funds offered by Nationwide Retirement Flexible Advantage Program. They provide for participant directed investment through a number of the underlying mutual funds and are valued as described at above.

The following table sets forth by level, within the fair value hierarchy, the Plan's financial assets at fair value as of December 31, 2021 and 2020:

		2021			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	-	\$ 8,624,435	\$ -	\$ 8,624,435
Corporate Bonds			490,992		490,992
Governmental Securities			4,302		4,302
Total assets at fair value	\$	-	\$ 9,119,729	\$ -	\$ 9,119,729

		2020 (unaudited)			
		Level 1	Level 2	Level 3	Total
Mutual funds	\$	-	\$ 7,005,528	\$ -	\$ 7,005,528
Corporate Bonds			250,824		250,824
Total assets at fair value	\$	-	\$ 7,256,352	\$ -	\$ 7,256,352

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

NOTE 5 – GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

In December 2020, the Plan entered into a fully benefit-responsive investment contract with Equitable Life Insurance Company. The contract was a non-participating, unallocated guaranteed fund fixed dollar group annuity contract. Equitable Life Insurance Company maintained the contributions in a general account. In December 2021, when Plan changed the Trustees, this contract was converted to a new fully benefit-responsive investment contract with Nationwide Life Insurance Company. This new contract is a non-participating, unallocated guaranteed fund fixed dollar group annuity contract. Nationwide Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

GEODIS SCO 401(K) PROFIT SHARING PLAN NOTES TO FINANCIAL STATEMENTS

NOTE 5 – GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES (CONTINUED)

Because the guaranteed investment contracts have met the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contracts are presented on the accompanying the Statement of Net Assets Available for Benefits at contract value. Contract value, as reported to the Plan by Equitable Life Insurance Company and Nationwide Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value is also referred to book value. The book value of the investment contracts at December 31, 2021 and 2020 was \$1,329,014 and \$1,487,697, respectively.

Certain events limit the Plan's ability to transact at contract value with Nationwide Life Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The new guaranteed investment contract does not have a maturity date. The contract continues in force until all assets have been distributed, or no further payments are due.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Delaware Valley Retirement, Inc. is the record-keeper of the Plan as of December 1, 2021. The former recordkeeper for the remainder of the Plan year was Equitable Life Insurance Company. Fees paid during the year for the administrative services were based on reasonable rates for such services. The fees totaling to \$32,393 are included in the total of Administrative Expenses in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021. Certain employees of the Company who participate in the Plan perform administrative services to the Plan at no cost to the Plan.

NOTE 7 – TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

**GEODIS SCO 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. The current economic environment has increased the degree of uncertainty.

One investment option accounted for more than 10% of the Plan's total net assets available for benefits as of December 31:

COVID - 19

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID - 19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to extreme volatility in financial markets and has affected, and may continue to affect, participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits. The potential economic impact brought by, and the duration of, COVID - 19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

NOTE 11 - DELINQUENT CONTRIBUTIONS

During 2021, the plan sponsor did not remit certain participant contributions to the plan in a timely manner, as defined by ERISA.
