INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Eric Mower and Associates, Inc.
Tax-Deferred Profit Sharing Plan
Syracuse, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Eric Mower and Associates, Inc. Tax-Deferred Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-12 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year – December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-12 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TAX-DEFERRED PROFIT SHARING PLAN

Notes to the Financial Statements

1. Description of Plan

The following description of the Eric Mower and Associates, Inc. Tax-Deferred Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Eric Mower and Associates, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Plan is administered by Eric Mower and Associates, Inc., which acts as the Plan Sponsor. Plan investments are invested in the American Association of Advertising Agencies Retirement Fund for Member Agencies (AAAA Fund), the trustee of the Plan, and managed by AAAA Benefits, Inc., the third-party administrator of the Plan. The AAAA Fund is organized as a 103-12 investment entity, as defined by 29 CFR-2520.103-12 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan Administrator is responsible for oversight of the Plan, helps to determine the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may elect to contribute a portion of their compensation, subject to the maximum allowed by the Internal Revenue Service (IRS) and as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan permits participants to make Roth 401(k) contributions. In addition, each participant may elect to contribute up to 100% of any cash bonus attributable to services performed by the participant. The Plan also provides a matching contribution at the discretion of the Board of Directors equal to a uniform percentage of the participant salary deferrals based on years of service and employment on the last day of the plan year. For the year ended December 31, 2021, the Company made a matching contribution in an amount of \$119,737. Participants direct the investment of the contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Notes to the Financial Statements

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, discretionary Company matching contributions, if eligible, and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the discretionary Company matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Investment Options

Participants may direct contributions to selected investments as made available and determined by the Plan Administrator. All contributions are invested in assets as determined by the participant. Participants may change their investment options at their discretion.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate equal to 2% above the prime rate. All loans are required to be repaid within 5 years, unless the loan is used to purchase a principal residence, the term is extended to a reasonable time. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On retirement, disability, death or other terminations of service, a participant may elect to receive the value of his or her account as a lump-sum amount, in installments, in partial withdrawals, or to defer payment until a later date in compliance with regulations. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 55, subject to specific criteria set forth in the Plan Document.

Forfeited Accounts

Forfeited nonvested accounts are first used to pay administrative expenses and remaining forfeitures are used to reduce any discretionary Company matching contributions. During 2021, forfeitures of approximately \$2,400 were used to reduce administrative expenses. At December 31, 2021 and 2020, forfeited nonvested account balances remaining in the Plan were not material.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document.

**ERIC MOWER AND ASSOCIATES, INC.
TAX-DEFERRED PROFIT SHARING PLAN**

Notes to the Financial Statements

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. Information prepared and provided by 103-12 Investment Entity

The AAAA Fund is organized as a 103-12 investment entity, as defined by 29 CFR-2520.103-12 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan's interest in the assets of the AAAA Fund is included in the accompanying statements of net assets available for benefits. A total of 70 member agencies sponsored defined contribution pension plans and participated in the AAAA Fund as of December 31, 2021 and 2020. Each agency signs a joinder agreement and operates through the AAAA Fund's Volume Submitter Plan and Trust. As of December 31, 2021 and 2020, the Company had a 6.59% and 6.67% interest, respectively, in the AAAA Fund. Although the assets are commingled in the AAAA Fund, the AAAA Fund maintains supporting records for the purpose of allocating the net gain of the investment accounts to the various participating plans based on the plan's percentage of net assets of the AAAA Fund.

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-12 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was provided by the 103-12 investment entity, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

A summary of the net assets of the AAAA Fund as of December 31, 2021 and 2020 is as follows:

	December 31,	
	2021	2020
AAAA Fund (103-12 investment entity):		
Investments, at fair value		
Mutual funds	\$ 454,621,935	\$ 402,484,689

Accrued administration fees	(106,048)	(101,112)
Net assets	<u>\$ 492,168,097</u>	<u>\$ 440,717,638</u>

ERIC MOWER AND ASSOCIATES, INC.
TAX-DEFERRED PROFIT SHARING PLAN

Notes to the Financial Statements

3. Information prepared and provided by 103-12 Investment Entity (continued)

The AAAA Fund's net appreciation in fair value of investments of \$36,941,139 and dividends and interest income of \$26,909,131 was allocated to the participating plans for the year ended December 31, 2021.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's assets are invested in the AAAA Fund 103-12 investment entity and measured at the value quoted by the AAAA Fund 103-12 investment entity. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**ERIC MOWER AND ASSOCIATES, INC.
TAX-DEFERRED PROFIT SHARING PLAN**

Notes to the Financial Statements

4. Fair Value Measurements (continued)

Collective trust fund: Valued based on the net asset value (NAV). The NAV, including units of ownership to which a proportionate share of net assets is attributed, is used as of the reporting date as a practical expedient to measure fair value.

The objective of the collective trust fund is to provide a diversified group of investments offering competitive levels of yield consistent with stable fixed-income methodology and the careful and prudent assumption of investment risk providing for preservation of capital, stability and predictability of returns, liquidity to pay Plan benefits and high credit quality. The collective trust seeks to achieve this objective by investing in conventional, synthetic and separate account investments contracts (collective contracts) issued by life insurance companies, banks and other financial institutions. Characteristics of these contracts allow for their principal value to remain stable regardless of the volatility of the financial markets. For liquidity purposes, the collective trust may have all or a portion of its assets invested in high-quality money market instruments, investment companies and collective investment trusts that meet the investment objectives.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 30,855,543</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 30,855,543

Collective trust fund				<u>1,326,499</u>
Total investments at fair value				<u>\$ 32,182,042</u>

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 27,928,720</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 27,928,720

Total investments at fair value				<u>\$ 29,170,165</u>

**ERIC MOWER AND ASSOCIATES, INC.
TAX-DEFERRED PROFIT SHARING PLAN**

Notes to the Financial Statements

4. Fair Value Measurements (continued)

- (a) In accordance with FASB ASC 820, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table is intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2021 and 2020:

	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	December 31, 2021	2020			
Collective trust fund	<u>\$1,326,499</u>	<u>\$1,241,445</u>	\$ -	immediate	12 months

5. Information Prepared and Certified by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA required supplemental schedule that was obtained by management and agreed to or derived from information certified as complete and accurate by the American Association of Advertising Agencies Retirement Fund for Member Agencies, the trustee of the Plan.

	December 31,	
	2021	2020
Investments, at fair value:		
Mutual funds	\$ 30,855,543	\$ 27,928,720
Collective trust	1,326,499	1,241,445
	<u>\$ 32,182,042</u>	<u>\$ 29,170,165</u>
Notes receivable from participants	<u>\$ 115,457</u>	<u>\$ 117,782</u>

The trustee also certified to the completeness and accuracy of \$2,523,851 of net appreciation in fair value of investments, \$1,855,077 of dividend and interest income, and interest income on notes receivable from participants of \$6,494, related to the aforementioned assets for the year ended December 31, 2021.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their employer contributions.

ERIC MOWER AND ASSOCIATES, INC.
TAX-DEFERRED PROFIT SHARING PLAN

Notes to the Financial Statements

7. Related Party and Party-in-Interest Transactions

Plan investments are invested in the American Association of Advertising Agencies Retirement Fund for Member Agencies, the trustee of the Plan, and managed by AAAA Benefits, Inc., the third-party administrator, and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan amounted to approximately \$17,500 for the year ended December 31, 2021.

8. Tax Status

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Subsequent Events

The Plan has evaluated subsequent events through October 13, 2022, which is the date the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure within these financial statements.
