Independent Auditor's Report

To the Trustees and Plan Administrator of
Nando's 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Nando's 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Nando's 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nando's 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nando's 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nando's 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2021 and Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Nando's 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated August 25, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NANDO'S 401(K) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of Nando's 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution 401(k) plan covering substantially all employees of Nando's Restaurant Group, Inc. (the Plan Sponsor) (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Investment Committee is responsible for oversight of the Plan.

b. Eligibility

All employees are eligible to participate in the Plan and contribute pre-tax and post-tax contributions upon hire. Employees will become eligible for the Company's Safe Harbor matching contributions when they have completed one year of service (twelve consecutive months and a minimum of 1,000 hours).

c. Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, up to the maximum allowed by the Internal Revenue Code (IRC). The Plan allows for catch-up contributions for participants who have attained age fifty by the end of the plan year. The Plan allows participants to make post-tax (Roth) contributions. Participants may contribute amounts representing distributions from other qualified retirement plans (rollover contributions).

Participants become eligible to receive Safe Harbor matching contributions after completion of one year of service as defined above. The Company makes a Safe Harbor matching contribution of 100% of the first 3% of eligible compensation that a participant contributes to the Plan plus 50% of the next 2% of eligible compensation. During 2021, the Company made Safe Harbor matching contributions of \$220,488. Participants direct the investment of their contributions into various investment options offered by the Plan.

d. Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Plan Sponsor contributions, if any, and Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

e. Vesting

Participants are fully vested in their own contributions, the Company's Safe Harbor matching contributions, plus actual earnings thereon.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN (Continued)

f. Payment of Benefits

Upon normal retirement at age 65 or termination of services, a participant may elect to receive either a lump-sum payment equal to the value of the participant's vested account balance, installments, or an annuity payment, or leave their balance in the Plan if the balance is over \$5,000. Participants with account balances with a value greater than \$1,000 but less than \$5,000 automatically receive a lump-sum amount equal to the value of their account upon termination of service. There are also retirement benefits available upon disability or death.

The Plan allows for in-service withdrawals upon attainment of age 59 ½. A participant could also request a withdrawal upon demonstration to the plan administrator that they were suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the applicable section of the IRC or standards established by the Secretary of Treasury or their delegate.

g. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, unless for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The interest rate is set at the prime rate, plus 1% at the time of the loan. Participants may have one loan outstanding at any time. Principal and interest are paid ratably through payroll deductions.

h. Forfeited Accounts

Forfeitures represent non-vested Plan Sponsor discretionary matching contributions made prior to 2019 which have been forfeited by participants who terminated their employment or who withdrew from the Plan. Forfeitures are used to reduce future Plan Sponsor contributions or pay for Plan expenses. The Plan had \$15,603 and \$15,425 of unallocated forfeitures as of December 31, 2021 and 2020, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NANDO'S 401(K) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Mutual funds are stated at quoted market prices on public exchanges, which represent the net asset value (NAV) of shares held by the Plan at year end.

The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (Empower Retirement), the qualified institutions of the Plan.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowances for credit losses have been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of December 31, 2021, there were no defaulted loans.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of investments.

Subsequent Events

Subsequent events have been evaluated through October 17, 2022, which is the date the financial statements were available to be issued. Except as disclosed in Note 11, there were no other events that met the criteria for recognition or disclosure in the financial statements.

NANDO'S 401(K) RETIREMENT PLAN

Notes to Financial Statements

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, qualified institutions, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the supplemental schedule, Form 5500, Schedule H, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2021, and the related investment transactions and investment income and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NANDO'S 401(K) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENT (Continued)

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

<u>Description</u>	<u>2021</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds, at fair value	<u>\$ 2,362,025</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,362,025</u>

<u>Description</u>	<u>2020</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds, at fair value	<u>\$ 1,533,348</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,533,348</u>

5. FIXED ANNUITY CONTRACT WITH AN INSURANCE COMPANY

The Plan has a contract with Great-West Life & Annuity Insurance Company (the insurance company) (Great-West Life). Contributions are held in the Great-West Life general account and are maintained in a group annuity account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The contract is considered fully benefit-responsive and reported at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, there are certain events that limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (1) premature termination of the contract by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, and (6) early retirement incentives. The insurance company may not terminate the contract at any amount less than contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting.

6. TAX STATUS

The Internal Revenue Service (IRS) has determined in its opinion letter dated November 30, 2014 that the prototype non-standardized plan document adopted by the Plan constitutes a qualified plan under Section 401(k) of the IRC. The Plan has been amended since receiving the determination letter, and the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

NANDO'S 401(K) RETIREMENT PLAN

Notes to Financial Statements
December 31, 2021 and 2020

6. TAX STATUS (Continued)

The Plan was delinquent in filing Forms 5500 from 2016 through 2020 and has submitted these Form 5500 filings through the DOL's Delinquent Filer Voluntary Compliance Program (DFVCP) during 2022. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accrued benefits shall be paid to participants in accordance with the provisions of the Plan.

8. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institutions and notes receivable from participants are considered party-in-interest transactions. During 2021, the Plan paid administrative and fees of \$14,568.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for benefits.

COVID-19 was recognized as a global pandemic in 2020 which has continued to evolve into 2022. This pandemic has adversely affected global economic activity and has contributed to significant volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the magnitude of losses that will be recognized in subsequent periods, if any, and the related impact on the Plan's liquidity cannot be determined at this time.

10. PROHIBITED TRANSACTIONS

The Company failed to segregate and remit in a timely manner certain participant contributions (salary reduction amounts) repayments from its assets within the required time period as specified by the United States DOL Reg. 2520.3012. Failure to segregate and remit contributions within the specified time period is a prohibited transaction. The Company anticipates correcting and funding the lost earnings in 2022.

11. SUBSEQUENT EVENT

Subsequent to year-end, the Plan Sponsor adopted a restated non-standardized, pre-approved plan document.
