Independent Auditor's Report – December 31, 2021

To the Administrator of
Encore Rehabilitation, Inc. 401(k) Plan
Decatur, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Encore Rehabilitation, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Encore Rehabilitation, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note N to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Encore Rehabilitation, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Encore Rehabilitation, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Encore Rehabilitation, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Encore Rehabilitation, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report – December 31, 2020

To the Administrator of
Encore Rehabilitation, Inc. 401(k) Plan
Decatur, Alabama

We were engaged to audit the accompanying statement of net assets available for benefits of Encore Rehabilitation, Inc. 401(k) Plan, as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note N, which was certified by New York Life Insurance Company, a third party administrator of the Plan, or John Hancock Retirement Plan Services, LLC, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian or third party administrator as of December 31, 2020, that the information provided to the plan administrator by the custodian or third party administrator is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

NOTES TO THE FINANCIAL STATEMENTS
ENCORE REHABILITATION, INC. 401(K) PLAN
DECEMBER 31, 2021 AND 2020

NOTE A – DESCRIPTION OF PLAN

The following description of the Encore Rehabilitation, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan's provisions.

1. General – The Plan is a defined contribution plan covering all employees who are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan sponsor is Encore Rehabilitation, Inc. (Company).
2. Contributions – Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the plan, up to the amount allowed by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Each year the Company will make non-discretionary matching contributions of 15% of elective deferrals up to 5% of compensation. The Company may also make a profit sharing contribution at the discretion of the Company's board of directors. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers twenty-five mutual fund investment options and a stable value fund option. During 2021, the Company made no profit sharing contributions.
3. Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion and actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.
5. Participant Loans – Participants may borrow from their fund accounts up to their vested account balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest, determined during the month the loan is effective. Principal and interest is paid ratably through semi-monthly payroll deductions.
6. Payment of Benefits – On termination of service due to death, disability or retirement, a participant is eligible to receive his or her account balance. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account. All benefit payments are lump-sum distributions.
7. Forfeited Accounts – At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$3,860 and \$11,182, respectively. These accounts can be used to pay plan administrative expenses or reduce future employer contributions. In 2021 and 2020, forfeited nonvested accounts of \$12,000 and \$17,000, respectively, were used to reduce employer contributions.

NOTES TO THE FINANCIAL STATEMENTS
ENCORE REHABILITATION, INC. 401(K) PLAN
DECEMBER 31, 2021 AND 2020

NOTE B – SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.
2. Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
3. Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received when selling an asset or paid to transfer a liability in orderly transactions between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded when received by the trustee. Net appreciation and depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Interest income on notes receivable from participants is recorded when earned. Loan fees are expensed when incurred.
5. Payment of Benefits – Benefits are recorded when paid.

NOTE C – AMENDMENT TO THE PLAN

The Plan was amended effective January 1, 2020 to adjust the requirements, fees, and taxes withheld, for hardship withdrawals. The amendment is part of the CARES Act in response to the COVID-19 outbreak, making it easier and more affordable to take a hardship withdrawal. The amendment allows for participants to defer paying taxes at the point of withdrawal, then paying them over the next 3 years.

NOTE D – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under FASB Accounting Standards Codification 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs would be quoted prices for assets or liabilities in active markets. |
| Level 2 | Inputs are quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets or inputs derived principally from or corroborated by observable market data by correlation or other means. |

NOTES TO THE FINANCIAL STATEMENTS
ENCORE REHABILITATION, INC. 401(K) PLAN
DECEMBER 31, 2021 AND 2020

NOTE D – FAIR VALUE MEASUREMENTS, CONTINUED

Level 3 Inputs that are unobservable but significant to the fair value measurement. These inputs often require significant judgment or estimation.

The following is a description of the inputs used for the investments measured at fair value:

Mutual funds: Valued at the net asset value of shares held by the Plan at year-end.

The Plan's assets at fair value, as of December 31, 2021, by level of inputs are as follows:

<u>Asset Type</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)				36,512,498
INVESTMENTS AT FAIR VALUE	\$ -	\$ -	\$ -	\$ 36,512,498

The Plan's assets at fair value, as of December 31, 2020, by level of inputs are as follows:

<u>Asset Type</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)				30,977,459
INVESTMENTS AT FAIR VALUE	\$ -	\$ -	\$ -	\$ 30,977,459

(a) In accordance with FASB ASC 820-410, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE E – PLAN AGREEMENTS

At December 31, 2021 and 2020, the Plan has an administrative services agreement with John Hancock Retirement Plan Services, LLC to provide bookkeeping and other administrative services for the Plan.

The Plan also has a trust agreement with John Hancock Trust Company LLC, to provide trust services for the Plan. The trustee holds the Plan assets in investments selected by the Plan's administrative fiduciaries and receives all receipts and makes all disbursements according to the Plan document and trust agreement.

Investment funds are included in the financial statements at the value reported to the Plan by John Hancock Retirement Plan Services, LLC for the years ended December 31, 2021 and 2020.

NOTES TO THE FINANCIAL STATEMENTS
ENCORE REHABILITATION, INC. 401(K) PLAN
DECEMBER 31, 2021 AND 2020

NOTE F – STABLE VALUE FUND

The Plan has a group annuity contract with New York Life Insurance Company (New York Life). Under this agreement, New York Life maintains the stable value fund investments in a separate account invested primarily in fixed income securities. This account is separate from New York Life's general account which is available to meet New York Life's obligations to its policyholders and creditors.

The stable value fund inherent risk include 1) interest rate risk-the risk that increases in interest rates may decrease the value of the existing debt securities held and the risk of reinvesting cash flows at lower interest rates; 2) credit/default risk-the risk that downgrades to the credit ratings of existing debt securities held may decrease their value and the risk that issuers of debt securities will default on scheduled payments; 3) liquidity risk-the risk of the effect on the accounts total value of large unexpected withdrawals; 4) annuity contract risk-the risk that New York Life will default on its obligations under the contract or that other events could render the contract invalid.

Interest is accrued daily and credited monthly to the stable value fund and reflects the investment experience of the pooled separate account. Key factors that impact the crediting rate under the group annuity contract are the timing and magnitude of the cash flows in and out of the separate account as well as prevailing market rates on fixed income assets available for investment by the separate account. The interest crediting rate may be reset not more frequently than daily and not less frequently than quarterly. Interest rates are guaranteed by New York Life with a minimum guaranteed interest rate of 0% before any deduction for expenses. The gross crediting rate under the contract was 2.12%, with an average gross yield of 2.11% for the year ended December 31, 2021 (gross crediting rate was 2.32% and average gross yield was 2.26% for the year ended December 31, 2020). The average gross yield is calculated by multiplying the gross crediting rate by the ratio of the stable value fund account balance to the fair value of the assets of the stable value fund. This would reflect the average yield earned by the plan for the stable value fund. There was no net crediting rate or average net yield for the year ended December 31, 2021 (net crediting rate was 1.98% and average net yield was 1.92% for the year ended December 31, 2020). The net crediting rate is the rate credited to participants. The average net yield is calculated by multiplying the net crediting rate by the ratio of the stable value fund account balance to the fair value of the assets of the stable value fund. This would be the average yield earned by the plan adjusted to reflect the interest rate credited to participants.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by New York Life, represents amounts accumulated to the valuation date for the plan, as provided under the terms of the group annuity contract. The stable value funds contract value at December 31, 2021 and 2020 was \$166,392 and \$197,562, respectively. An event that limits the plan's ability to transact at contract value with participants in the plan must be probable of not occurring, for the contract to be considered benefit responsive. Transfers to a competing fund must first go through a non-competing investment option for at least 90 days. This short-term administrative restriction does not necessarily affect a contract's categorization as benefit responsive.

NOTES TO THE FINANCIAL STATEMENTS
ENCORE REHABILITATION, INC. 401(K) PLAN
DECEMBER 31, 2021 AND 2020

NOTE F – STABLE VALUE FUND, CONTINUED

The contract provides that, subject to certain restrictions, withdrawals for benefit payments at death, disability, and termination of employment, and for loans, hardship withdrawals, or in-service withdrawals, as permitted by the plan, are at contract value. Transfers to other funds are also made at contract value, subject to certain restrictions. At contract termination, a participating plan may receive a book value distribution of the plan's interest in the stable value account, provided the plan sponsor provides twelve months' advance written notice to New York Life Insurance Company. Certain distributions, such as distributions resulting from employer-initiated events are subject to annual limits. If the limits are exceeded, the distributions may be subject to a market value adjustment. Examples of such events include, but are not limited to, plan termination, merger, spin-off, lay-off and early retirement incentives.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE H – ALLOCATIONS TO PERSONS WITHDRAWING FROM PLAN

At December 31, 2021, there were no participants who requested a distribution prior to the end of the Plan year.

NOTE I – EXCESS CONTRIBUTIONS

At December 31, 2021 and 2020, \$19,405 and \$23,155, respectively, of contributions were allocated to participants in excess of required compliance limits.

NOTE J – TAX STATUS

The Internal Revenue Service has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). A determination letter dated May 18, 2015 was received by John Hancock concerning this compliance. Although the Plan has been amended since the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. The Plan's Form 5500 is subject to examination by the Internal Revenue Service and the Department of Labor for years after 2018.

NOTE K – RISK AND UNCERTAINTIES

The Plan invests in a stable value fund and mutual fund investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with a stable value fund and mutual fund investment securities, it is at least reasonably possible that changes in the values of a stable value fund and mutual fund investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS
ENCORE REHABILITATION, INC. 401(K) PLAN
DECEMBER 31, 2021 AND 2020

NOTE K – RISK AND UNCERTAINTIES, CONTINUED

In March 2020, the COVID-19 outbreak began disrupting supply chains and affecting production and sales across a range of industries in the United States. The extent of the impact of COVID-19 on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, and the impact on our employees and our Plan sponsor's customers and vendors, all of which are uncertain and cannot be predicted. At this point, we are unable to determine the extent to which COVID-19 may impact our financial condition or results of operations.
