REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
Fellers 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of the Fellers 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Fellers 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The Fellers 401(k) Plan (the "Plan") is an Internal Revenue Code ("IRC") 401(k) defined contribution plan, which was adopted as of January 1, 2002. The Plan covers all eligible hourly and salary employees of Fellers, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Employees become eligible to participate in the Plan upon completion of at least one hour of service within a 90-day period following the employee's commencement date. Employees may begin participating in the Plan on the first day of the month immediately following or coincident with the first day the employee meets the service requirement.

The Plan administrator is responsible for oversight of the Plan. The Plan is administered by the Company and Employee Benefits Group, L.L.C., which serves as the Plan's third-party administrator ("TPA"). In connection with the acquisition of the retirement plan business of the Plan's previous trustee and recordkeeper, Massachusetts Mutual Life Insurance Company ("MassMutual"), by Empower Retirement, LLC ("Empower") in January 2021, the Plan transitioned to Empower as its recordkeeper and trustee. All existing funds were transferred over to, and all contributions thereafter were held by Empower.

Contributions

Participants may contribute, on a pre-tax basis, from 1% to 100% of their eligible compensation each pay period, subject to limitations of the IRC. Participants may also make rollover contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Except for Roth contributions, the Plan does not allow for after-tax contributions.

The Company may make discretionary matching and profit-sharing contributions to the Plan. No such discretionary matching or profit-sharing contributions were made during the year ended December 31, 2021.

Administrative Expenses

Expenses of administering the Plan are paid by the Plan unless paid by the Company. All expenses paid by the Plan are allocated proportionately among the investment funds and the participant's balances. The Company paid no expenses related to the Plan during the year ended December 31, 2021.

Forfeitures

Forfeitures of contributions are used to offset future Company contributions or administrative expenses of the Plan. The balances of forfeitures available to offset future Company contributions and administrative expenses as of December 31, 2021, was \$3,978. There were no available forfeitures as of December 31, 2020.

Participant Accounts

Each participant's account is credited or charged, as applicable, with the participant's contributions, an allocation of the Company's contributions, if any, and an allocation of investment earnings and losses and administrative expenses. Participants direct their contributions, including any Company contributions, into several investment options. Plan earnings and losses are allocated to the participants' accounts daily based on the ratio of each participant's account in each investment fund to the total of all participants' accounts in

Fellers 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

each investment fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

Vesting

Participants are immediately vested in their own contributions plus or minus any earnings or losses thereon. Participants are also immediately vested in any Company contributions.

Payment of Benefits

Upon termination of service due to death, disability, retirement or attainment of normal retirement age (age 65), a participant (or the designated beneficiary in the event of death) may elect to receive an amount equal to the value of the participant's vested interest in his or her account. Payments are made as a lump-sum distribution to participants with account balances less than \$1,000. Participants with account balances greater than \$1,000, but less than \$5,000, have their account balance automatically rolled over to an individual retirement account, unless the participant elects to receive their account balance in a lump-sum payment. Participants with account balances greater than \$5,000 will have their account distributed within 60 days after the end of the Plan year in which the participant is terminated. In addition, hardship distributions are allowed from a participant's voluntary contributions prior to separation of service, if certain requirements are met.

Notes Receivable from Participants

All participants are eligible to borrow funds from the Plan, and all applications are subject to the review and approval of the Plan administrator. Participants are limited to two notes outstanding at any time. Notes may be made for a minimum of \$1,000 and a maximum of the lesser of \$50,000 or 50% of the vested interest in the participant's account. The notes bear interest at the prevailing rate used by commercial lending institutions plus 2.0%, mature no later than five years from the origination date (unless for the purchase of participant's principal residence), and are fully secured by the participant's irrevocable pledge of up to 50% of his or her account balance in the Plan. Principal and interest are paid ratably through weekly payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on quoted market prices (see Note E), except for its fully benefit-responsive guaranteed investment contract, which is stated at contract value (see Note D). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fellers 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Purchases and sales are recognized on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable to Participants

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions. The Plan had excess contributions during the years ended December 31, 2021 and 2020. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to May 15, 2022 and March 15, 2021, respectively.

NOTE C - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the Plan's net assets would be distributed to the participants in accordance with the Plan agreement.

NOTE D - GUARANTEED INVESTMENT CONTRACT WITH MASSMUTUAL

Prior to changing its recordkeeper to Empower, the Plan maintained a fully benefit-responsive guaranteed investment contract with MassMutual. MassMutual maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and specified interest rate that was guaranteed to the Plan.

Because the guaranteed investment contract was fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2020 was \$1,336,621. The crediting interest rate was based on a formula agreed upon with the issuer but was no less than 3%. Such interest rates were reviewed on a semi-annual basis for resetting.

Fellers 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events included: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Company or other Company events (for example, divestitures or spin-off of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events which would limit the Plan's ability to transact at contract value with participants occurred while the investment contract was held with MassMutual.

NOTE E - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Valued at the net asset value ("NAV") of shares held by the Plan at year end. NAV is used as a practical expedient to estimate fair value. Shares of pooled separate account investments in bond funds are unitized and the fair value is based on the market price of the assets held by the fund adjusted for accumulated dividends, closing capital gains, fees and rebates.

Money market and mutual funds: Valued at fair value based on published market prices as of the close of business on the last business day of the Plan year, which represents the NAV of shares held by the Plan.

Fellers 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Self-directed brokerage account: Priced at end of day market values of individual holdings in the participants' accounts based on holdings of common stock and money market shares.

Collective trust funds: Valued at fair value using the NAV practical expedient as determined by the Plan based on the current fair values of the underlying assets of the funds.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,256,215	\$ -	\$ -	\$ 7,256,215
Money market account	3,978	-	-	3,978
Self-directed brokerage account	13,622	-	-	13,622
Investments in the fair value hierarchy	<u>\$ 7,273,815</u>	<u>\$ -</u>	<u>\$ -</u>	7,273,815
Collective trusts measured at NAV ¹				<u>1,526,426</u>
Total investments at fair value				<u>\$ 8,800,241</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 6,753,005	\$ -	\$ 6,753,005
Self-directed brokerage account	38,924	-	-	38,924
Total assets at fair value	<u>\$ 38,924</u>	<u>\$ 6,753,005</u>	<u>\$ -</u>	<u>\$ 6,791,929</u>

There were no transfers between levels of assets during the years ended December 31, 2021 and 2020.

¹ In accordance with ASC 820-10, investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented within the total in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

Fellers 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE F - TAX STATUS

The Internal Revenue Service ("IRS") has informed the TPA by a letter dated June 30, 2020, that the prototype plan document used by the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since the date of submission for the prototype plan opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, thus, the Plan and related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. Such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

For the year ended December 31, 2020, certain Plan investments are shares of pooled separate accounts and a guaranteed investment contract managed by MassMutual and, therefore, these transactions qualified as party-in-interest transactions. There were no such investments managed by MassMutual at December 31, 2021. For the year ended December 31, 2021, certain investments are held with Great-West Trust and are considered party-in-interest transactions. The Company provides certain administrative services at no cost to the Plan. The Plan has notes receivable from certain of its participants. These transactions also qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE I - INFORMATION CERTIFIED BY EMPOWER

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate for the respective plan year in which it served as trustee:

- Investments, at fair value and contract value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net appreciation in fair value of investments, dividends, and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and

NOTES TO FINANCIAL STATEMENTS - CONTINUED

- Schedule H, line 4i - Schedule of Assets (held at end of year) as of December 31, 2021.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE J - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued. In connection with the merger of DigiCut LLC and Fellers, LLC, the DigiCut LLC 401(k) Plan (the "DigiCut Plan") and the Fellers 401(k) Plan entered into a Merger and Transfer Agreement (the "Agreement") effective February 15, 2022. Under the terms of the Agreement, total DigiCut Plan assets of approximately \$970,000 were transferred to the Plan on June 6, 2022.
